

## COMMERCIAL

No	Clarification Questions	ESKOM Response / Comments
1	All documents need to be submitted in a PDF format (The limit is 50MB per file and total submission of 900MB per submissions). If the size of each file to be loaded exceeds 50MB how will the suppliers be able to upload the documents on the Eskom portal?	<p>Eskom IT is aware of the problem and will be increasing the capacity to allow for larger documents to be uploaded. Should you encounter any issues when uploading documents on the tender portal to please contact Procurement Practitioner (Eugene Labuschagne).</p> <p><u>Note:</u> The upload file size for e-tendering has been upgraded. The upload size per document is now <u>500 megabytes</u> and total submission is restricted to <u>4 gigabytes</u>.</p>
2	Request to EXTEND ENQUIRY closing date. +- 3 Weeks	<p>Request to extend the closing date has been granted - New closing date for Enquiry E1271DXWC is 08 July 2025</p> <p><u>Note,</u> there will NOT be any further extensions granted for this tender. The base date for indices has been amended to June 2025. 1 month prior to tender closing date.</p>
