Power Station for a period of 5 years

ADDENDUM FOR THE FOLLOWING:

Supply and delivery of Turbine Miscellaneous Spares on an “as and when” required basis at Matla Power Station for a period of five (5) years.

TENDER NUMBER: E3132GXMPMAT

This addendum is issued to notify all potential suppliers that the CIDB requirements stated below are not applicable, as the proposed contract is for supply and delivery of goods only.

2.28 CIDB Requirements (where applicable for Engineering and Construction Works Contracts)

CIDB Requirements are not **applicable**.

1. It is estimated that tenderers must have a Construction Industry Development Board (CIDB) contractor grading of **CE Level 6** or higher

Please note that only those tenderers that are registered with the Construction Industry Development Board or are capable of being so registered within twenty-one (21) working days from the closing date for submission of tenders in a contractor grading designation as stipulated in the tender data and determined in accordance with the best estimated value of the scope of works are eligible to submit tenders.

Eskom must, within 21 working days from date when contractors offer to perform a construction works contract is accepted in writing, register and publish the award of all contracts equal to or exceeding R10 M inclusive of VAT.

The requirements below please refer to SDL&I requirements.

2.29 Contract Skills Development Goals (CSDG) .	<i>Applicable</i>
2.30 Contract Participation Goals	<i>Applicable</i>
