Tender offers will be evaluated inclusive of a standard risk management assessment criterion in respect of tenders received for routine projects in the engineering and construction works environment.

Tender offers will be evaluated by an Evaluation Committee based on the technical and commercial risk criteria listed hereunder. Each criterion carries the same weight/importance and will be evaluated individually based on reports presented to the Bid Evaluation Committee. A tender offer will be declared non-responsive and removed from any further evaluation if any one of the criteria is found to present an unacceptable risk to the Employer:

6.1 Technical risks:

Criterion 1: Experience on comparable projects during the past 5 (five) years.

Criterion 2: Contractual commitments and quality of performance on comparable projects during the past 5 years.

Criterion 3: Suitably qualified and appropriately experienced human resources

Criterion 4: Attendance of compulsory bid clarification meeting by a suitably qualified and experienced representative of the tenderer.

Note: Some of the above elements are measured in the functionality criteria in this tender. However, tenderers must complete the documentation to record information in the "Capacity of Tenderer" T.2.2.7 Forms,

6.2 Commercial risks: The financial viability assessment evaluates the risk over the life of the construction period as to whether the tenderer can deliver the works which are specified in the contract and/or be able to fulfil guarantees and warranties provided for the contract to complete the project successfully for the amount tendered. Aspects to be considered include, but are not limited to, the respective rates tendered, bank rating, financial capability and capacity and whether the tenderer has or has access to sufficient financial resources to deliver the works described in the tender document (including fulfilling any guarantees or warranty claims), whether the tenderer is not subject to any current or impending legal action (either formal proceedings or notification of legal action) which could impact on the financial standing of the tenderer or delivery of the works, financial report from auditors as proof of current liquidity and financial statements.
