The Supplier shall further ensure the validity of its Tax Clearance Certificate, for the duration of the Agreement.

- 7.3 In compliance with the National Railway Safety Regulator Act, 16 of 2002, as may be amended from time to time, the Supplier shall ensure that the Goods and ancillary Services, to be supplied to Transnet under the terms and conditions of the Agreement, comply fully with the Specifications as set forth in Schedule 1 hereto, and shall thereby adhere [as applicable] to railway safety requirements and/or regulations. 8 SUBCONTRACTING

- 8.1 The Supplier may only enter into a subcontracting arrangement with the approval of Transnet. If the Supplier subcontracts a portion of the contract to another person without declaring it to Transnet, Transnet reserves the right to penalise the Supplier up to 10% of the value of the contract.
- 8.2 Should Transnet approve the Supplier's subcontracting arrangement, the Supplier and not the Sub-contractor will at all times be held liable for performance in terms of its contractual obligations.
- 8.3 The Supplier may not subcontract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level of contributor than the Service Provider, unless the contract is subcontracted to an Exempted Micro Enterprise (EME) that has the capability and ability to execute the Subcontract.

9 B-BBEE AND SOCIO-ECONOMIC OBLIGATIONS

9.1 B-BBEE Scorecard

- a) Transnet fully endorses and supports the Broad-Based Black Economic Empowerment Programme and is strongly of the opinion that all South African business enterprises have an equal obligation to redress the imbalances of the past.
- b) In response to this requirement, the Supplier shall submit to Transnet's Contract Manager or such other designated person details of its B-BBEE status in terms of the latest Codes of Good Practice issued in terms of the B-BBEE Act and proof thereof at the beginning of March each year during the currency of the Agreement.
- c) The Supplier undertakes to notify and provide full details to Transnet in the event there is:
- (i) a change in the Supplier's B-BBEE status which is less than what it was at the time of its appointment including the impact thereof; and
 - (ii) a corporate or internal restructure or change in control of the Supplier which has or likely to impact negatively on the Supplier's B-BBEE status.
- d) Notwithstanding any other reporting requirement in terms hereof, the Supplier undertakes to provide any B-BBEE data (underlying data relating to the Supplier which has been relied upon or utilised by a verification agency or auditor for the purposes of issuing a verification certificate in respect of the Supplier B-BBEE status) which Transnet may request on written notice within 30 (thirty) calendar days of such request. A failure to provide such data shall

constitute a Supplier Default and may be dealt with in accordance with the provisions of clause 19.

- e) In the event there is a change in the Supplier's B-BBEE status, then the provisions of clause 19 shall apply.

9.2 **B-BBEE Improvement Plan**

- a) Transnet encourages its Suppliers to constantly strive to improve their B-BBEE levels. To this end, the Supplier undertakes to provide Transnet with a B-BBEE Improvement Plan to indicate the extent to which their B-BBEE status will be maintained or improved over the contract period, as per Annexure G of the RFP.
- b) The Supplier shall, for the duration of the Agreement, comply with the B-BBEE Improvement Plan.
- c) The terms of the B-BBEE Improvement Plan and monetary value of the commitments thereunder shall not (unless otherwise agreed in writing) be less or less favourable than the commitments made by the Supplier in such B-BBEE Improvement Plan.
- d) Breach of B-BBEE Improvement Plan obligations also provide Transnet cause to terminate the contract in certain cases where material milestones are not being achieved.

9.3 **Green Economy/Carbon Footprint**

- a) In addition to the B-BBEE commitments that the Supplier makes, the Supplier has in its bid provided Transnet with an understanding of the Supplier's position with regard to issues such as waste disposal, recycling and energy conservation.

9.4 **Reporting**

- a) The Supplier shall monitor, audit, and record in an auditable manner, its own implementation and compliance with the B-BBEE Improvement Plan and provide the Contract Manager with such information as the Contract Manager may reasonably request concerning the implementation of the B-BBEE Improvement Plan.
- b) The Supplier shall, on a monthly basis from the Commencement Date and within 7 (seven) calendar days of the end of the previous calendar month, provide Transnet with a report (for monitoring purposes only) in respect of each of the undertakings stipulated in this clause 9.4.
- c) Transnet, through its Supplier Development division, shall, every 6 (six) months from the Commencement Date, review and verify the Supplier's undertakings stipulated in this clause with respect to B-BBEE commitments, based on the Supplier's report.
- d) The Supplier shall provide adequate proof to enable Transnet to verify compliance with the B-BBEE Improvement Plan. Such proof shall include, but not be limited to, the following:
Valid B-BBEE Certificate or affidavit
- e) Post verification of the submitted report to Transnet, Transnet shall engage with the Supplier on the findings. The Contract Manager, assisted by the relevant specialist from Transnet's Supplier Development division, must report to the Supplier at the end of every 6 (six) months as to whether or not the Contract Manager and/or the Supplier Development specialist reasonably considers, based on the information available to it, that the Supplier has during such time complied with the B-BBEE Improvement Plan and the extent, if any, to which the Supplier has not so complied.

- f) Without prejudice to the Transnet's rights under the Agreement:
 - (i) if the Contract Manager and/or Transnet's Supplier Development specialist reasonably considers that the Supplier is not at any time complying with its B-BBEE Improvement Plan, the Contract Manager and/or the Supplier Development specialist may make such recommendations as is considered reasonably appropriate to the Supplier as to the steps he reasonably considers should be taken by the Supplier in order for the Supplier to remedy such non-compliance and the time period within which such steps must be taken;
 - (ii) If such recommendations are not implemented by the Supplier in accordance with such recommendations, then the provisions of clause 10 **Error! Reference source not found.** shall apply; and
 - (iii) Transnet may at any time request a meeting with the Supplier to consider any non-compliance reported to it by the Supplier Development specialist of Transnet and/or the Contract Manager or which otherwise comes to its attention. Both Parties must attend such a meeting and negotiate in good faith with a view to reach agreement on the steps or actions that the Supplier must undertake in order to remedy that non-compliance.
- g) In the event the Supplier is found not to have met the B-BBEE requirements agreed upon in the B-BBEE Improvement Plan, and/or is found to be fraudulent in submitting the reports, then Transnet shall impose a non-compliance penalty as provided for in clause 10 or shall be entitled to terminate in terms of clauses 18 and 19.
- h) For the sake of completion of its contractual obligations, the Supplier shall be obliged to complete all the undertakings made under the B-BBEE Improvement Plan 3 to 6 months before the Termination Date.

10 PENALTIES

Payment of Non-compliance Penalties:

- a) Subject to Clause (g) above, the Supplier shall pay the Non-compliance Penalty indicated in the Non-compliance Penalty Certificate within 10 (ten) Business Days of Transnet issuing a valid Tax Invoice to the Supplier for the amount set out in that certificate. If Transnet does not issue a valid Tax Invoice to the Supplier for Non-compliance Penalties accrued during any relevant period, those Non-compliance Penalties shall be carried forward to the next period.
- b) The Supplier shall pay the amount due within 10 (ten) days after receipt of a valid Tax Invoice from Transnet, failing which Transnet shall, without prejudice to any other rights of Transnet under the Agreement, be entitled to call for payment which may be in any form Transnet deems reasonable and/or appropriate.
- c) Should the Supplier fail to pay any Non Compliance Penalties within the time indicated above (as applicable), Transnet shall be entitled to deduct (set off) the amount not paid by the Supplier from the account of the Supplier in the ensuing month.
- d) The Non Compliance Penalties set forth in this Clause are stated exclusive of VAT. Any VAT payable on Non Compliance Penalties will be for the account of the Supplier.

10.2 Non-compliance Penalties for the B-BBEE Improvement Plan:

- a) If the Supplier fails, at any agreed milestone, to achieve its commitments under and in accordance with the B-BBEE Improvement Plan ("a **Non-compliance**"), the Supplier shall pay a Non-compliance penalty ("Non-compliance Penalty") to Transnet in respect of such Non-compliance. The penalties shall be imposed per milestone measurement.
- b) Respondents are to note that Transnet will determine the size of the entity (i.e. EME, QSE and Large) and the applicable Non-compliance Penalties annually based on the Supplier's turnover in the year the penalty applies.

Applicable Rates of Non-compliance Penalties in respect of B-BBEE Improvement plan:

- c) The Non-compliance Penalty shall be based on a percentage of the cumulative amount paid to the Supplier by Transnet during the preceding year of a contract. Penalties shall only apply in respect of contracts lasting 3 years or more and shall be imposed at the Applicable Rates mentioned in Table 1 below.
- d) In order to ensure that payment of any applicable Non-compliance penalty is guaranteed, Transnet is entitled to make stipulated monthly/milestone deductions from amounts due to the Supplier. These amounts shall be retained as security to ensure that the Supplier will be able to discharge its obligations in respect of any applicable Non-compliance Penalty and shall be the "BBBEE Retention Amount". The relationship between the Non-compliance Penalty and the B-BBEE Retention Amount is illustrated in Table 2 below. The deduction of the B-BBEE Retention Amount shall be based on the following:
 - i. Transnet shall be entitled to deduct a stipulated percentage from each monthly/milestone payment based on the penalty percentage stipulated in the next year as indicated in Table 1 below.
 - ii. By way of illustration, in respect of EMEs, in year 2 Transnet shall deduct 0,5% of each monthly/milestone payment to ensure that the Supplier will be able to meet its obligations in respect of any applicable Non-compliance Penalty due at the end of year 3. The same approach in calculation of the B-BBEE Retention Amount applies in respect of years 3 and beyond, based on the penalty percentage as stipulated in Table 2 below.

2	Deduction from monthly/milestone payments based on the penalty percentage stipulated for year 3	Not Applicable
3	Deduction from monthly/milestone payments based on the penalty percentage stipulated for year 4	B-BBEE Retention Amount deducted in year 2 will be used to discharge any applicable Non-compliance Penalty due at the end of year 3

5 **	Deduction from monthly/milestone payments based on the penalty percentage stipulated for year 5 and subsequent years	B-BBEE Retention Amount deducted in year 4 will be used to discharge any applicable Non-compliance Penalty due at the end of year 5

**The B-BBEE Retention Amount and applicable Non-compliance Penalties will apply similarly to contracts in excess of 5 years in duration.

- e) The BBBEE Retention Amount shall be retained by Transnet as security for the obligations of the Supplier in terms of the BBBEE Improvement Plan.
- f) Should there be a change in the status of the Supplier between the year the B-BBEE Retention Amount is deducted and the year the penalty is imposed, Transnet will be entitled to recover any shortfall between the B-BBEE Retention Amount and Non-compliance Penalty imposed,

withhold payment due to the Supplier in lieu of payment of the remaining shortfall or deduct (set off) the amount not paid by the Supplier from the account of the Supplier in the ensuing month.

g) Should the Supplier's obligations:

- be met in terms of the BBBEE Improvement Plan, the BBBEE Retention Amount shall be released within 30 (thirty) days of the date of verification of compliance by the Supplier of its obligations in terms of the BBBEE Improvement Plan, at which time the monies shall be paid over to the Supplier; and
- not be met, unless such failure is attributable to the occurrence of a Force Majeure Event, the Supplier shall forfeit the BBBEE Retention Amount and shall have no further claim against Transnet for the repayment of such amount.

Non-compliance Penalty Certificate:

- h) If any Non-compliance Penalty arises, the Supplier Development Manager shall issue a Non-compliance Penalty Certificate on the last day of each month during such Non-compliance indicating the Non-compliance Penalties which have accrued during that period.
- i) A Non-compliance Penalty Certificate shall be prima facie proof of the matters to which it relates. If the Supplier disputes any of the amounts set out in a Non-compliance Penalty Certificate:
- the dispute shall be resolved in accordance with the provisions of the Agreement; and
 - if pursuant to that referral, it is determined that the Supplier owes any amount to Transnet pursuant to the Non-compliance Penalty Certificate, then the Supplier shall pay such amount to Transnet within 10 (ten) Business Days of the determination made pursuant to such determination and an accompanying valid Tax Invoice.

Payment of Non-compliance Penalties:

- j) Subject to Clause (i) above, the Supplier shall pay the Non-compliance Penalty indicated in the Non-compliance Penalty Certificate within 10 (ten) Business Days of Transnet issuing a valid Tax Invoice to the Supplier for the amount set out in that certificate. If Transnet does not issue a valid Tax Invoice to the Supplier for Non-compliance Penalties accrued during any relevant period, those Non-compliance Penalties shall be carried forward to the next period.
- k) The Supplier shall pay the amount due within 10 (ten) days after receipt of a valid Tax Invoice from Transnet, failing which Transnet shall, without prejudice to any other rights of Transnet under the Agreement, be entitled to call for payment which may be in any form Transnet deems reasonable and/or appropriate.
- l) Should the Supplier fail to pay any Non Compliance Penalties within the time indicated above (as applicable), Transnet shall be entitled to deduct (set off) the amount not paid by the Supplier from the account of the Supplier in the ensuing month.
- m) The Non Compliance Penalties set forth in this Clause are stated exclusive of VAT. Any VAT payable on Non Compliance Penalties will be for the account of the Supplier.

11 INVOICES AND PAYMENT

- 11.1 Transnet shall pay the Supplier the amounts stipulated in each Purchase Order, subject to the terms and conditions of the Agreement.
- 11.2 Transnet shall pay such amounts to the Supplier upon receipt of a valid and undisputed Tax Invoice together with the supporting documentation, as specified in the Schedule of Requirements

appended hereto, once the valid and undisputed Tax Invoices or such portions of the Tax Invoices which are valid and undisputed become due and payable to the Supplier for the delivery of the Goods ordered, in terms of clause 11.4 below.

- 11.3 All Prices set out in the Agreement and the Schedule of Requirements hereto are exclusive of VAT, which will be payable at the applicable rate in ZAR.
- 11.4 Unless otherwise provided for in the Schedule of Requirements appended to the Agreement, Tax Invoices shall be submitted together with a month-end statement. Payment against such month-end statement shall be made by Transnet within 30 [thirty] calendar days after date of receipt by Transnet of the Supplier's statement together with the relevant valid and undisputed Tax Invoice(s) and supporting documentation.
- 11.5 Where the payment of any Tax Invoice, or any part of a Tax Invoice which is not in dispute, is not made in accordance with this clause, the Supplier shall be entitled to charge interest on the outstanding amount, at The Standard Bank of South Africa's prime rate of interest in force, for the period from the due date of payment until the outstanding amount is paid.
- 11.6 The Supplier shall remain the owner of all plant, material, machinery, equipment and the like [collectively, **the Supplier's Goods**] provided to Transnet until Transnet has paid in full for the Supplier's Goods, it being specifically agreed that Transnet shall acquire no rights [including liens] of whatsoever nature in such Supplier's Goods until date of final payment by Transnet. Subject to the foregoing, all risk and benefit to the Supplier's Goods shall pass from the Supplier to Transnet on delivery of the Supplier's Goods by the Supplier to Transnet.

12 PRICE ADJUSTMENTS

- 12.1 Prices for Goods supplied in terms of the Agreement shall be subject to review as indicated in the Schedule of Requirements annexed hereto.
- 12.2 No less than 2 [two] months prior to any proposed Price adjustment, the Parties shall commence negotiations for Prices for the next period or as otherwise indicated in Schedule 1 hereto. The Parties shall have regard for market-related pricing of equivalent goods, continuous improvement initiatives, costs [including labour, raw materials and transport/delivery], order size and frequency and changes to the specification of the Goods.
- 12.3 Pursuant to clause 12.2 above, the Supplier shall keep full and accurate records of all costs associated with the supply of the Goods to Transnet, in a form to be approved in writing by Transnet. The Supplier shall produce such records to Transnet for inspection at all reasonable times on request and such records may, at Transnet's option, be audited by Transnet or its designated representatives.
- 12.4 Should Transnet and the Supplier fail to reach an agreement on Price for the successive period, either Party shall be entitled to submit this matter to dispute resolution in accordance with clause 29 of the Master Agreement [*Dispute Resolution*].
- 12.5 If during the period of the Agreement Transnet can purchase similar Goods of a like quality from another supplier at a total delivered cost to a Transnet facility that is lower than the total delivered cost of the Goods purchased hereunder from the Supplier, Transnet may notify the Supplier of such total delivered cost and the Supplier shall have an opportunity to adjust the Price of the Goods purchased hereunder, on such a basis as to result in the same total delivered cost to Transnet, within 30 [thirty] calendar days of such notice. If the Supplier fails to do so or cannot legally do so, Transnet may (i) purchase the Goods from such other supplier in which case the

obligations, including, but not limited to, any purchase and sale requirements and/or commitments, if any, of Transnet and the Supplier hereunder shall be reduced accordingly; (ii) terminate the Agreement without any penalty, liability or further obligation; or (iii) continue purchases under the Agreement.

- 12.6 If during the period of the Agreement the Supplier sells any materials which are the same as, equivalent to, or substantially similar to the Goods herein, at a total delivered cost to a third party lower than the total delivered cost to a Transnet facility, then the Supplier has an opportunity to adjust its Price for the Goods purchased hereunder within 30 [thirty] calendar days so that the Price is the same or lower than the total delivered cost of such third party. If the Supplier fails to do so or cannot legally do so, Transnet may (i) purchase the Goods from any other such supplier, in which case the obligations, including, but not limited to, any purchase and sale requirements and/or commitments, if any, of Transnet and the Supplier hereunder shall be reduced accordingly; or (ii) terminate the Agreement without any penalty, liability or further obligation. Within 30 [thirty] calendar days of the Commencement Date of the Agreement or at any time Transnet so requests, the Supplier shall certify in writing to Transnet that it is in compliance with this clause and shall provide all information that Transnet reasonably requests in order to verify such compliance.

13 WARRANTIES

The Supplier warrants that:

- 13.1 pursuant to clause 7 **Error! Reference source not found.** *[General Obligations of the Supplier]*, the Goods will be manufactured in accordance with the specifications appended hereto at Schedule 1, or the manufacturer's specifications, as agreed in writing by both Parties;
- 13.2 the execution and performance of the Agreement by the Supplier does not infringe any rights of a third party or breach any obligation of the Supplier to any third party; and
- 13.3 it has taken all reasonable precautions to ensure that, in the event of a disaster, the impact of such disaster on the ability of the Supplier to comply with its obligations under the Agreement will be reduced to the greatest extent possible, and that the Supplier shall ensure that it has appropriate, tested and documented recovery arrangements in place.

14 THIRD PARTY INDEMNITY

The Supplier hereby indemnifies and shall hold Transnet harmless against any direct damages suffered by or claims arising against Transnet in respect of clause 13.2 above.

15 INSPECTION

- 15.1 Transnet reserves the right to arrange for the inspection of all Goods forming the subject of any Purchase Order, at any stage before final acceptance and by any means it may think fit, and when such inspection is to be carried out, the relevant Purchase Order(s) shall be endorsed accordingly.
- 15.2 When inspection at the Supplier's works or warehouse is specified, Transnet's authorised inspector shall have free access to the premises of the Supplier at all times during working hours on a Business Day; shall have liberty to inspect work which is the subject of the Purchase Order at any stage of manufacture, and may reject any Goods which are found to be incomplete, defective or in any way not in conformity with the terms and specifications of the Agreement; and the Supplier shall afford all reasonable facilities for such access and inspection.

- 15.3 The Supplier shall provide inspection gauges, measuring and test equipment to ensure that the requirements of the Agreement are satisfied. All gauges, templates, tools and other equipment required to check the accuracy of the work shall be calibrated at regular and reasonable intervals by a laboratory which has been approved in writing by Transnet. This certificate shall not be more than 12 [twelve] months old.
- 15.4 The Supplier shall prepare and supply, without charge to Transnet, all test pieces, samples and specimens; shall provide all labour and apparatus for carrying out tests and analyses in accordance with the terms of the Agreement or Purchase Order, and render all reasonable assistance in making such tests and analyses.
- 15.5 All special rules governing gauging, testing, analysis and other inspection procedures shall be adhered to strictly in accordance with the terms of the Agreement or Purchase Order and the conditions of any specifications and drawings quoted therein.
- 15.6 Inspection will be arranged by the Staff of Transnet, as indicated in the Purchase Order(s).
- 15.7 When Goods are ready for inspection, the Supplier shall apply promptly to the appropriate authority for instructions regarding such inspection. All applications for inspection shall quote Transnet's Agreement or Purchase Order number. 7 [seven] Business Days' notice of readiness from the Supplier shall be given to the authorised inspector appointed by Transnet to carry out such inspection.
- 15.8 Transnet shall have the right to recover from the Supplier the cost of inspection of any Goods that have been rejected by its authorised inspector in terms of this clause 15.

16 DEFECTIVE GOODS

- 16.1 Notwithstanding any certificate and/or receipt that may have been issued by or on behalf of Transnet either in South Africa or overseas, Goods will be accepted at the place of delivery or at the port of shipment, as specified in the Agreement, only as regards outward condition of packages and Transnet retains the right to reject the Goods supplied, on or after arrival at the place to which they are consigned, or after they have been placed in use in South Africa, should they be found defective.
- 16.2 If Goods are rejected owing to latent defects becoming apparent during machining operations or other preparation necessary on the part of Transnet before they can be put into use, the Supplier shall bear all expenses incurred by Transnet in carrying out such necessary operations.
- 16.3 If such Goods are rejected, the Supplier will pay the following costs:
 - a) for Goods purchased in South Africa on an ex works basis, the cost of transport from the Supplier's works in South Africa to the named destination where the Goods have been rejected by Transnet, plus handling charges and storage, if leviable; or
 - b) for Goods manufactured overseas, the Supplier shall pay all replacement costs including the overseas inland transport cost, freight and insurance charges incurred plus railage or other inland transport costs from the South African port to the place where the Goods have been rejected by Transnet, including handling charges, storage, landing charges, customs duty and surcharges, if leviable.
- 16.4 If Transnet requires rejected Goods to be replaced, the Supplier shall, when called upon to do so, arrange prompt replacement of the Goods within the prescribed manufacturing lead times for such Goods, as indicated in Schedule 1.

- 16.5 If Goods are found to be defective but the defects are, in the opinion of Transnet, not of so serious a nature as to warrant total rejection of the Goods, the Supplier shall, when called upon to do so, remedy or make good such defects at its own cost, or Transnet may remedy or make good such defects at the request of the Supplier and recover from the Supplier all costs or expenses reasonably incurred by it in doing so.
- 16.6 Should the Supplier fail, when called upon to remedy or make good such defects within a reasonable time or to request Transnet to do so, Transnet may proceed to remedy or make good such defects and thereafter recover from the Supplier all such costs and expenses as aforementioned.
- 16.7 Any amount recoverable from the Supplier in terms of this clause may, without prejudice to any other legal remedies available to Transnet, be deducted in whole or in part from any monies in the hands of Transnet which are due for payment to the Supplier.

17 TOTAL OR PARTIAL FAILURE TO PERFORM THE SCOPE OF SUPPLY

- 17.1 In the case of Goods to be specially manufactured for it, if Transnet at any time ascertains that:
- a) no manufacturing of the Goods specified in a Purchase Order has commenced and there is little or no prospect, in Transnet's opinion, that manufacturing will commence within a reasonable time; or
 - b) delivery of any of the Goods is being or is likely to be delayed beyond the promised delivery date(s), and there is little or no prospect of the Purchase Order(s) being carried out within reasonable adherence to the promised delivery rate(s) or time(s),
- then Transnet may, irrespective of the cause of the delay, by notice to the Supplier, cancel as from a future date specified in such notice the whole or any part of the Agreement or Purchase Order in respect of which the Goods to be supplied have not been completed by that date, without incurring any liability by reason of such cancellation except as provided in this clause.
- 17.2 The Supplier shall thereupon, as soon as possible after such date, deliver to Transnet the Goods [if any] already completed, and payment for the part performance shall be made on a *pro rata* basis, provided the uncompleted part is not an integral or essential part of the completed Goods. Where an integral or essential part of the work has not been completed, the amount to be paid to the Supplier will be calculated on the basis of Transnet's enrichment. The Supplier shall, wherever practicable, supply Transnet with the necessary drawings and/or specifications to enable it to complete the work.
- 17.3 Whenever, in any case not covered by clause 17.1 above, the Supplier fails or neglects to execute the work or to deliver any portion of the Goods as required by the terms of the Agreement or Purchase Order, or if any Goods are rejected on any of the grounds mentioned in clause 16 [Defective Goods], Transnet may cancel the Agreement or Purchase Order in so far as it relates to the unexecuted work or the undelivered or rejected portion of the Goods, and in such event, the supply of the remaining portion shall remain subject in all respects to these conditions.

18 RIGHTS ON CANCELLATION

- 18.1 If the Agreement or Purchase Order is cancelled in whole or in part in terms of clause 17 [Total or Partial Failure to Perform the Scope of Supply], Transnet may execute or complete the Agreement with any other entity and do so on such terms as it may deem proper, or may procure other comparable Goods in substitution for those neglected to be manufactured or supplied or rejected

as aforesaid, and may recover from the Supplier the difference between the cost of such Goods and the Price [if the latter was lower] as well as any costs and expenses [including any additional transport costs] which Transnet may have had to incur in consequence of the Supplier's default.

- 18.2 Any amount which may be recoverable from the Supplier in terms of clause 18.1 above, without prejudice to any other legal remedies available to Transnet, may be deducted in whole or in part from any monies in the hands of Transnet and due for payment to the Supplier.

19 BREACH AND TERMINATION

- 19.1 If either Party [**the Defaulting Party**] commits a material breach of the Agreement and fails to remedy such breach within 30 [thirty] calendar days of written notice thereof, the other Party [hereinafter **the Aggrieved Party**], shall be entitled, in addition to any other rights and remedies that it may have in terms of the Agreement, to terminate the Agreement forthwith without any liability and without prejudice to any claims which the Aggrieved Party may have for damages against the Defaulting Party.
- 19.2 Either Party may terminate the Agreement forthwith by notice in writing to the other Party when the other Party is unable to pay its debts as they fall due or commits any act or omission which would be an act of insolvency in terms of the Insolvency Act, 24 of 1936 [as amended from time to time], or if any action, application or proceeding is made with regard to it for:
- a) a voluntary arrangement or composition or reconstruction of its debts;
 - b) its winding-up or dissolution;
 - c) the appointment of a liquidator, trustee, receiver, administrative receiver or similar officer;
 - d) any similar action, application or proceeding in any jurisdiction to which it is subject.
- 19.3 Transnet may terminate the Agreement at any time within 2 [two] months of becoming aware of a change of control of the Supplier by notice in writing to the Supplier. For the purposes of this clause, **control** means the right to direct the affairs of a company whether by ownership of shares, membership of the board of directors, agreement or otherwise.
- 19.4 Notwithstanding this clause 19, Transnet may cancel the Agreement:
- (a) without cause by giving 30 [thirty] calendar days prior written notice thereof to the Supplier, or
 - (b) by notice in writing to the Supplier, where the Supplier fails to provide Transnet with a valid Tax Clearance Certificate issued by the South African Revenue Service at any time during the currency of the Agreement.
- 19.5 The provisions of clauses 2 [Definitions], **Error! Reference source not found.**3 [Warranties], **Error! Reference source not found.**8 [Rights on Cancellation], 23 [Confidentiality], 25 [Limitation of Liability], 26 [Intellectual Property Rights], 29 [Dispute Resolution] and 33.1 [Governing Law] shall survive termination or expiry of the Agreement.

20 CESSION

- 20.1 Upon written notice to the Supplier, Transnet shall be entitled:
- a) to appoint Transnet's financier of the Goods as first payer under the Agreement, without transferring the ultimate responsibility for payment which will remain with Transnet; and
 - b) to cede, assign and transfer its right, title and interest in the Goods to such financier as part of the funding consideration for the Goods.

- 20.2 The Supplier is not entitled to cede, delegate, assign, Subcontract or in any other manner dispose of any of its rights or obligations in terms of the Agreement without the prior written consent of Transnet, which consent shall not be withheld or delayed unreasonably.

21 FORCE MAJEURE

- 21.1 Neither Party shall have any claim against the other Party arising from any failure or delay in the performance of any obligation of either Party under the Agreement caused by an act of force majeure such as acts of God, fire, flood, war, lockout, government action, laws or regulations, terrorism or civil disturbance, defaults or other circumstances or factors beyond the reasonable control of either Party, and to the extent that the performance of obligations of either Party hereunder is delayed by virtue of the foregoing, any period stipulated for any such performance shall be reasonably extended. Transnet may however rely on strikes, industrial dispute and riots as a ground of force majeure.
- 21.2 Each Party will take all reasonable steps by whatever lawful means that are available to resume full performance as soon as practicable and will seek agreement to modification of the relevant provisions of the Agreement in order to accommodate the new circumstances caused by the act of *force majeure*. If a Party fails to agree with such modifications proposed by the other Party within 90 [ninety] calendar days of the act of *force majeure* first occurring, either Party may thereafter terminate the Agreement with immediate notice.

22 PROTECTION OF DATA

- 22.1 The Parties agree that they may obtain and have access to personal data during the duration of the Agreement for the fulfilment of the rights and obligations contained herein. In performing the obligations as set out in the Agreement, the Parties shall at all times ensure that:
- a) they process data only for the express purpose for which it was obtained;
 - b) once processed for the purposes for which it was obtained, all data will be destroyed to an extent that it cannot be reconstructed to its original form;
 - c) data is provided only to authorised personnel who strictly require the personal data to carry out the Parties' respective obligations under the Agreement;
 - d) they do not disclose personal data of the other Party, other than in terms of the Agreement;
 - e) they have all reasonable technical and organisational measures in place to protect all personal data from unauthorised access and/or use;
 - f) they have appropriate technical and organisational measures in place to safeguard the security, integrity and authenticity of all data in its possession or under its control in terms of the Agreement;
 - g) such personal data is protected against unauthorised or unlawful processing, accidental loss, destruction or damage, alteration, disclosure or access.
- 22.2 The Parties agree that if personal data will be processed for additional purposes beyond the original purpose for which it was obtained, explicit consent must be obtained beforehand from those persons whose information will be subject to further processing.
- 22.3 Should it be necessary for either Party to disclose or otherwise make available the personal data to any third party (including sub-contractors and employees), it may do so only with the prior written permission of the other Party. The Party requiring such permission shall require of all such third parties, appropriate written undertakings to be provided, containing similar terms to that set

forth in this clause 22, and dealing with that third party's obligations in respect of its processing of the personal data. Following approval by the other Party, the Party requiring permission agrees that the provisions of this clause 22 shall *mutatis mutandis* apply to all authorised third parties who process personal data.

- 22.4 The Parties shall ensure that any persons authorized to process data on their behalf (including employees and third parties) will safeguard the security, integrity and authenticity of all data. Where necessary to meet this requirement, the Parties shall keep all personal data and any analyses, profiles, or documents derived therefrom logically separated from all other data and documentation held by it.
- 22.5 The Parties shall carry out regular assessments to identify all reasonably foreseeable internal and external risks to the personal data in its possession or under its control. The Parties shall implement and maintain appropriate safeguards against the risks which it identifies and shall also regularly verify that the safeguards which it has in place has been effectively implemented.
- 22.6 The Parties agree that they will promptly return or destroy any personal data in their possession or control which belongs to the other Party once it no longer serves the purpose for which it was collected in relation to the Agreement, subject to any legal retention requirements. This may be at the request of the other Party and includes circumstances where a person has requested the Parties to delete all instances of their personal data. The information will be destroyed in such a manner that it cannot be reconstructed to its original form, linking it to any particular individual or organisation.
- 22.7 Personal Information security breach: Supplier's Obligations
- a) The Supplier shall notify the Information Officer of Transnet, in writing as soon as possible after it becomes aware of or suspects any loss, unauthorised access or unlawful use of any personal data and shall, at its own cost, take all necessary remedial steps to mitigate the extent of the loss or compromise of personal data and to restore the integrity of the affected Goods as quickly as is possible. The Supplier shall also be required to provide Transnet with details of the persons affected by the compromise and the nature and extent of the compromise, including details of the identity of the unauthorised person who may have accessed or acquired the personal data.
 - b) The Supplier shall provide on-going updates on its progress in resolving the compromise at reasonable intervals until such time as the compromise is resolved.
 - c) Where required, the Supplier may be required to notify the South African Police Service; and/or the State Security Agency and where applicable, the relevant regulator and/or the affected persons of the security breach. Any such notification shall always include sufficient information to allow the persons to take protective measures against the potential consequences of the compromise.
 - d) The Supplier undertakes to co-operate in any investigation relating to security which is carried out by or on behalf of Transnet including providing any information or material in its possession or control and implementing new security measures.

23 CONFIDENTIALITY

23.1 The Parties hereby undertake the following with regard to Confidential Information:

- a) not to divulge or disclose to any person whomsoever in any form or manner whatsoever, either directly or indirectly, any Confidential Information of the other without the prior

written consent of such other Party, other than when called upon to do so in accordance with a statute, or by a court having jurisdiction, or by any other duly authorised and empowered authority or official, in which event the Party concerned shall do what is reasonably possible to inform the other of such a demand and each shall assist the other in seeking appropriate relief or the instituting of a defensive action to protect the Confidential Information concerned;

- b) not to use, exploit, permit the use of, directly or indirectly, or in any other manner whatsoever apply the Confidential Information disclosed to it as a result of the Agreement, for any purpose whatsoever other than for the purpose for which it is disclosed or otherwise than in strict compliance with the provisions in the Agreement;
- c) not to make any notes, sketches, drawings, photographs or copies of any kind of any part of the disclosed Confidential Information without the prior written consent of such other Party, except when reasonably necessary for the purpose of the Agreement, in which case such copies shall be regarded as Confidential Information;
- d) not to de-compile, disassemble or reverse engineer any composition, compilation, concept application, item, component de-compilation, including software or hardware disclosed and shall not analyse any sample provided by Transnet, or otherwise determine the composition or structure or cause to permit these tasks to be carried out except in the performance of its obligations pursuant to the Agreement;
- e) not to exercise less care to safeguard Transnet Confidential Information than the Party exercises in safeguarding its own competitive, sensitive or Confidential Information;
- f) Confidential Information disclosed by either Party to the other or by either Party to any other party used by such party in the performance of the Agreement, shall be dealt with as "restricted" or shall be dealt with according to any other appropriate level of confidentiality relevant to the nature of the information concerned, agreed between the Parties concerned and stipulated in writing for such information in such cases;
- g) the Parties shall not make or permit to be made by any other person subject to their control, any public statements or issue press releases or disclose Confidential Information with regard to any matter related to the Agreement, unless written authorisation to do so has first been obtained from the Party first disclosing such information;
- h) each Party shall be entitled to disclose such aspects of Confidential Information as may be relevant to one or more technically qualified employees or consultants of the Party who are required in the course of their duties to receive the Confidential Information for the Permitted Purpose provided that the employee or consultant concerned has a legitimate interest therein, and then only to the extent necessary for the Permitted Purpose, and is informed by the Party of the confidential nature of the Confidential Information and the obligations of the confidentiality to which such disclosure is subject and the Party shall ensure such employees or consultants honour such obligations;
- i) each Party shall notify the other Party of the name of each person or entity to whom any Confidential Information has been disclosed as soon as practicable after such disclosure;
- j) each Party shall ensure that any person or entity to which it discloses Confidential Information shall observe and perform all of the covenants the Party has accepted in the Agreement as if such person or entity has signed the Agreement. The Party disclosing the

Confidential Information shall be responsible for any breach of the provisions of the Agreement by such person or entity; and

- k) each Party may by written notice to the other Party specify which of the Party's employees, officers or agents are required to sign a non-disclosure undertaking.

23.2 The duties and obligations with regard to Confidential Information in this clause 23 shall not apply where:

- a) a Party can demonstrate that such information is already in the public domain or becomes available to the public through no breach of the Agreement by that Party, or its Staff; or
- b) was rightfully in a Party's possession prior to receipt from the other Party, as proven by the first-mentioned Party's written records, without an infringement of an obligation or duty of confidentiality; or
- c) can be proved to have been rightfully received by a Party from a third party without a breach of a duty or obligation of confidentiality; or
- d) is independently developed by a Party as proven by its written records.

23.3 This clause 23 shall survive termination for any reason of the Agreement and shall remain in force and effect from the Commencement Date of the Agreement and 5 [five] years after the termination of the Agreement. Upon termination of the Agreement, all documentation furnished to the Supplier by Transnet pursuant to the Agreement shall be returned to Transnet including, without limitation, all corporate identity equipment including dyes, blocks, labels, advertising matter, printing matter and the like.

24 INSURANCES

24.1 Without limiting the liability of the Supplier under the Agreement, the Supplier shall take out insurance in respect of all risks for which it is prudent for the Supplier to insure against including any liability it may have as a result of its activities under the Agreement for theft, destruction, loss of or damage to Goods, death or injury to any person and damage to property. The level of insurance will be kept under review by Transnet, on an annual basis, to ensure its adequacy, provided that any variation to the level of such insurance shall be entirely at the discretion of the Supplier.

24.2 The Supplier shall arrange insurance with reputable insurers and will produce to Transnet evidence of the existence of the policies on an annual basis within 30 [thirty] calendar days after date of policy renewals.

24.3 Subject to clause 24.2 below, if the Supplier fails to effect adequate insurance under this clause 24, it shall notify Transnet in writing as soon as it becomes aware of the reduction or inadequate cover and Transnet may arrange or purchase such insurance. The Supplier shall promptly reimburse Transnet for any premiums paid provided such insurance protects the Supplier's liability. Transnet assumes no responsibility for such insurance being adequate to protect all of the Supplier's liability.

24.4 In the event that the Supplier receives written notice from its insurers advising of the termination of its insurance cover referred to in clause 24.1 above or if the insurance ceases to be available upon commercially reasonable terms, the Supplier shall immediately notify Transnet in writing of such termination and/or unavailability, where after either the Supplier or Transnet may terminate the Agreement on giving the other Party not less than 30 [thirty] calendar days prior written notice to that effect.

25 LIMITATION OF LIABILITY

- 25.1 The Supplier's liability under this clause 25 shall be in addition to any warranty or condition of any kind, express or implied by law or otherwise, relating to the Goods or ancillary Services, including the quality of the Goods or ancillary Services or any materials delivered pursuant to the Agreement.
- 25.2 Neither Party excludes or limits liability to the other Party for:
- a) death or personal injury caused by its negligence, [including its employees', agents' or Subcontractors' negligence]; or
 - b) fraud.
- 25.3 Neither Party accepts liability for damages and claims of a special, indirect or consequential nature arising as a result of the performance or non-performance of the Agreement, provided that such loss, damages or claims are not the direct result of the wilful acts or omissions and/or negligence or of any event which could reasonably have been foreseen and avoided on the part of the other Party. The phrase, "special, indirect or consequential" is deemed to include economic loss, loss of opportunity, loss of profit or revenue, and loss or damage in connection with claims against the principal by third parties.
- 25.4 Nothing in this clause 25 shall be taken as limiting the liability of the Parties in respect of clauses 23[*Confidentiality*] and 26 [*Intellectual Property Rights*].

26 INTELLECTUAL PROPERTY RIGHTS

26.1 Title to Confidential Information

- a) Transnet will retain all right, title and interest in and to its Confidential Information and Background Intellectual Property and the Supplier acknowledges that it has no claim of any nature in and to the Confidential Information and Background Intellectual Property that is proprietary to Transnet. For the avoidance of doubt all the Supplier's Background Intellectual Property shall remain vested in the Supplier.
- b) Transnet shall grant to the Supplier an irrevocable, royalty free, non-exclusive licence to use Transnet's Background Intellectual Property only for the Permitted Purpose. This licence shall not permit the Supplier to sub-license to other parties.
- c) The Supplier shall grant to Transnet an irrevocable, royalty free, non-exclusive licence to use the Supplier's Background Intellectual Property for the Permitted Purpose. This licence shall not permit Transnet to sub-license to other parties.
- d) The Supplier shall grant Transnet access to the Supplier's Background Intellectual Property on terms which shall be *bona fide* negotiated between the Parties for the purpose of commercially exploiting the Foreground Intellectual Property, to the extent that such access is required.
- e) The above shall not pertain to any software licenses procured by the Supplier from third parties and used in the supply of the goods.

26.2 Title to Intellectual Property

- a) All right, title and interest in and to Foreground Intellectual Property prepared, conceived or developed by the Supplier, its researchers, agents and employees shall vest in Transnet and the Supplier acknowledges that it has no claim of any nature in and to the Foreground Intellectual Property. The Supplier shall not at any time during or after the termination or

cancellation of the Agreement dispute the validity or enforceability of such Foreground Intellectual Property, or cause to be done any act or anything contesting or in any way impairing or tending to impair any part of that right, title and interest to any of the Foreground Intellectual Property and shall not counsel or assist any person to do so.

- b) Transnet shall be entitled to seek protection in respect of the Foreground Intellectual Property anywhere in the world as it shall decide in its own absolute discretion and the Supplier shall reasonably assist Transnet in attaining and maintaining protection of the Foreground Intellectual Property.
- c) Where the Foreground Intellectual Property was created by the Supplier or its researchers, agents and employees and where Transnet elects not to exercise its option to seek protection or decides to discontinue the financial support of the prosecution or maintenance of any such protection, Transnet shall notify the Supplier who shall have the right of first refusal to file or continue prosecution or maintain any such applications and to maintain any protection issuing on the Foreground Intellectual Property.
- d) No consideration shall be paid by Transnet to the Supplier for the assignment of any Foreground Intellectual Property from the Supplier to Transnet, over and above the sums payable in terms of the Agreement. The Supplier undertakes to sign all documents and do all things as may be necessary to effect, record and perfect the assignment of the Foreground Intellectual Property to Transnet.
- e) Subject to anything contrary contained in the Agreement and/or the prior written consent of Transnet [which consent shall not be unreasonably withheld], the Supplier shall under no circumstances be entitled as of right, or to claim the right, to use Transnet's Background Intellectual Property and/or Foreground Intellectual Property.

26.3 Title to Improvements

Any improvements, developments, adaptations and/or modifications to the Foreground Intellectual Property, and any and all new inventions or discoveries, based on or resulting from the use of Transnet's Background Intellectual Property and/or Confidential Information shall be exclusively owned by Transnet. The Supplier shall disclose promptly to Transnet all such improvements, developments, adaptations and/or modifications, inventions or discoveries. The Supplier hereby undertakes to sign all documents and do all things as may be necessary to effect, record and perfect the assignment of such improvements, developments, adaptations and/or modifications, inventions or discoveries to Transnet and the Supplier shall reasonably assist Transnet in attaining, maintaining or documenting ownership and/or protection of the improved Foreground Intellectual Property.

26.4 Unauthorised Use of Confidential Information

The Supplier shall not authorise any party to act on or use in any way any Confidential Information belonging to Transnet whether or not such party is aware of such Confidential Information, and shall promptly notify Transnet of the information if it becomes aware of any party so acting, and shall provide Transnet the information with such assistance as Transnet reasonably requires, at Transnet's cost and expense, to prevent such third party from so acting.

26.5 Unauthorised Use of Intellectual Property

29.4 This clause constitutes an irrevocable consent by the Parties to any proceedings in terms hereof, and neither of the Parties shall be entitled to withdraw from the provisions of this clause or claim at any such proceedings that it is not bound by this clause 29.

29.5 This clause 29 is severable from the rest of the Agreement and shall remain in effect even if the Agreement is terminated for any reason.

The Agreement is exclusively governed by and construed in accordance with the laws of the Republic of South Africa and is subject to the jurisdiction of the courts of the Republic of South Africa.

33.2 Change of Law

In the Agreement, unless the context otherwise requires, references to a statutory provision include references to that statutory provision as from time to time amended, extended or re-enacted and any regulations made under it, provided that in the event that the amendment, extension or re-enactment of any statutory provision or introduction of any new statutory provision has a material impact on the obligations of either Party, the Parties will negotiate in good faith to agree such amendments to the Agreement as may be appropriate in the circumstances. If, within a reasonable period of time, the Supplier and Transnet cannot reach agreement on the nature of the changes required or on modification of Prices, delivery schedules, warranties, or other terms and conditions, either Party may seek to have the matter determined in accordance with clause 29 [*Dispute Resolution*] above.

33.3 Counterparts

The Agreement may be signed in any number of counterparts, all of which taken together shall constitute one and the same instrument. Either Party may enter into the Agreement by signing any such counterpart.

34 DATABASE OF RESTRICTED SUPPLIERS

- 34.1 The process of restriction is used to exclude a company/person from conducting future business with Transnet and other organs of state for a specified period. No Bid shall be awarded to a Bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National

Treasury's List of Restricted Suppliers. Transnet reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been restricted with National Treasury by another government institution.

- 34.2 All the stipulations on Transnet's restriction process as laid down in Transnet's Supply Chain Policy and Procurement Procedures Manual are included herein by way of reference. Below follows a condensed summary of this restriction procedure.
- 34.3 On completion of the restriction procedure, Transnet will submit the restricted entity's details (including the identity number of the individuals and registration number of the entity) to National Treasury for placement on National Treasury's Database of Restricted Suppliers for the specified period of exclusion. National Treasury will make the final decision on whether to restrict an entity from doing business with any organ of state for a period not exceeding 10 years and place the entity concerned on the Database of Restricted Suppliers published on its official website
- 34.4 The decision to restrict is based on one of the grounds for restriction. The standard of proof to commence the restriction process is whether a "*prima facie*" (i.e. on the face of it) case has been established.
- 34.5 Depending on the seriousness of the misconduct and the strategic importance of the Goods/Services, in addition to restricting a company/person from future business, Transnet may decide to terminate some or all existing contracts with the company/person as well.
- 34.6 A supplier or contractor to Transnet may not subcontract any portion of the contract to a restricted company.
- 34.7 Grounds for restriction include: If any person/Enterprise which has submitted a Bid, concluded a contract, or, in the capacity of agent or subcontractor, has been associated with such Bid or contract:
- a) Has, in bad faith, withdrawn such Bid after the advertised closing date and time for the receipt of Bids;
 - b) has, after being notified of the acceptance of his Bid, failed or refused to sign a contract when called upon to do so in terms of any condition forming part of the bid documents;
 - c) has carried out any contract resulting from such bid in an unsatisfactory manner or has breached any condition of the contract;
 - d) has offered, promised or given a bribe in relation to the obtaining or execution of the contract;
 - e) has acted in a fraudulent or improper manner or in bad faith towards Transnet or any Government Department or towards any public body, Enterprise or person;
 - f) has made any incorrect statement in a certificate or other communication with regard to the Local Content of his Goods or his B-BBEE status and is unable to prove to the satisfaction of Transnet that:
 - (i) he made the statement in good faith honestly believing it to be correct; and
 - (ii) before making such statement he took all reasonable steps to satisfy himself of its correctness;
 - g) has submitted false information regarding any other matter required in terms of the Preferential Procurement Regulations, 2017 issued in terms of the Preferential Procurement Policy Framework Act which will affect the evaluation of a Bid or where a Bidder has failed to declare any subcontracting arrangements;

- h) caused Transnet damage, or to incur costs in order to meet the contractor's requirements and which could not be recovered from the contractor;
- i) has litigated against Transnet in bad faith.

34.8 Transnet recognizes that trust and good faith are pivotal to its relationship with its suppliers/service providers. When a dispute arises between Transnet and its supplier/service provider, the parties should use their best endeavours to resolve the dispute in an amicable manner, whenever possible. Litigation in bad faith negates the principles of trust and good faith on which commercial relationships are based. Accordingly, Transnet will not do business with a company that litigates against it in bad faith or is involved in any action that reflects bad faith on its part. Litigation in bad faith includes, but is not limited to the following instances:

- a) Vexatious proceedings. These are frivolous proceedings which have been instituted without proper grounds;
- b) Perjury. Where a supplier/service provider commits perjury either in giving evidence or on affidavit;
- c) Scurrilous allegations. Where a supplier/service provider makes allegations regarding a senior Transnet employee which are without a proper foundation, scandalous, abusive or defamatory.
- d) Abuse of court process. When a supplier/service provider abuses the court process in order to gain a competitive advantage during a bid process.

34.9 Where any person or Enterprise has been found guilty by a court of law, tribunal or other administrative body of a serious breach of any law, during the preceding 5 Years, such person/Enterprise may also be restricted. Serious breaches of the law would include but are not limited to corruption, fraud, theft, extortion, or contraventions of the Competition Act 89 of 1998 (e.g. collusive tendering). This process excludes minor convictions such as traffic offences or personal disagreements between parties which have no bearing on the business operations of the person or Enterprise.
