

ANNEXURE F1: TECHNICAL QUESTIONNAIRE

Bidder must indicate the depot which they intend to supply. Bidder must also indicate the name and location of their supplying quarry. There is no limit of a number of quarries to supply, Bidder is allowed to multiply this Annexure if they intend to propose more than three quarries for a depot.

Name the Quarries you propose to supply from and the quarry's status of approval by Transnet

Please attach proof of approval granted by Transnet (if quarry is approved). Unapproved quarries will be subjected to Laboratory testing
