## 2. INTRODUCTION

### ➤ Mandate

AIDC is the dedicated developmental agency of the Gauteng Growth and Development Agency (GGDA) in relation to the specific industrial, infrastructure and training needs required by the automotive and allied sectors - particularly those based in the Gauteng province. The AIDC is thus tasked by GGDA with special developmental type projects aimed at enhancing and possibly expanding the automotive and allied-related sectors with a focus on enterprise development; also, in support of government's aims at BBBEE and SMME development and the radical transformation of various townships. The AIDC also explores other developmental projects, external to the objectives of the GGDA, in support of the AIDC's own business development processes. These include projects related to the transport and energy sectors, as well as the development of Tshwane Auto City.

### 2.1 Vision

The vision of the AIDC is: To be the leading implementation agency delivering creative, efficient, best practice and value-based solutions in support of government programs related to the automotive and allied sectors.

### 2.2 Mission

The mission of AIDC, in pursuit of its vision, is to provide innovative customized solutions: To develop the automotive manufacturing sector to globally competitive standards of excellence through a world-class value proposition which enables effective and sustainable socio-economic growth.

### 2.3 Values

The AIDC's staff aligns their behavior to the company's shared values as listed below, which support, and is informed by, the organization's vision and mission:

- Respect for others.
  - Teamwork
  - Open and honest two-way communication
  - Encouraging a learning culture
  - On-time, on-brief, on-budget
  - Client-centered
  - Integrity and ethics above all
