ADDENDUM 4

1. ADDITIONAL CLARIFICATIONS TO SECTION D1000

The following clarifications to the subcontracting processes of Section D1000 shall apply:

1	<p>When sub-contracting, the Main Contractor shall use Tendered Rates for portion of Targeted Enterprise (TE) works which do not comprise of provisional sums (allowable rates, etc. are not allowed).</p> <p>For provisional sums, the Main Contractor provides market-related rates prior to the tender process. The difference (Fluctuation) between the Main Contractor's rates and that of the TE sub-contractor is dealt with under section D10.05(c).</p>
2	<p>P&Gs of CIDB 1 and CIDB 2 packages are provided for under D10.05 (a).</p> <p>All other TE sub-contractors' P&Gs are provided for under D10.05(d). The Main Contractor should make provision for payment of TE sub-contractor P&Gs of 15%.</p>
3	<p>Deductions for materials, plant, equipment, tools, and the like, supplied to the TE sub-contractors by the Main Contractor are not permitted.</p> <p>The Main Contractor is expected to invoice the TE sub-contractor for items used and / or provided and TE sub-contractors shall pay the Main Contractor within a specified time period (ie settlement within 3 days of TE sub-contractor receiving payment or alternative time period agreed with the Engineer).</p>
4	<p>Submitted offers will be checked for Imbalanced Rates in accordance with clause C3.9 of the Tender data.</p> <p>Tenderers will be declared non-responsive if they elect not to accept the proposed correction of Imbalanced Rates.</p>
5	<p>Tender offers will also be evaluated for financial risk and risk associated with implementation of sub-contracting requirements as per clause C3.13.</p> <p>Tender offers which are not market-related and have a high-risk rating will not be accepted.</p>
