Thembisile Hani Local Municipality hereby invites quotations from suitably qualified service provider for the appointment of security service providers for a period of 36 months

The scope of work will entails provision of security services for Thembisile Hani Local Municipality as follows:

1. OVERVIEW OF THE WORKS/BACKGROUND

1.1 The major work consists of provision of security services to (THLM Facilities) for the period of 36 Months.

2. CURRENT STATE

2.1. THLM has currently the appointed 2 security service providers and their contracts will be ending on the 31st October 2023.

3. DATE AND TIME EXECUTION

3.1. The successful bidder will be expected to deploy or post the security personnel at 16H00pm on the 31st October 2023 at all THLM Facilities. These arrangement is to mitigate the risk of handing over and the poor transition between the current service Provider and the incoming security service provider.

4. EXTEND AND SCOPE OF WORK

- 4.1. The contract will be period of 36 Months on a 24/7 basis physical security on all municipal facilities listed on the pricing schedule and the facilities may updated from time to time.
- 4.2. The Service Provider will be responsible to provide hourly patrolling services to THLM facilities.
- 4.3. Searching of vehicles moving in and out of THLM facilities.
- 4.4. To use suitable devices (metal detectors) to search staff, visitors and public members entering and leaving municipal facilities.
- 4.5. Use suitable registers (Visitors Register/Employee Register and Occurrence Book) to record all incoming and outgoing vehicles, drivers and passengers inside the vehicles.
- 4.6. Control movement of visitors and staff entering the municipal facilities (Effective staff, public and visitors management)
- 4.7. Effective car park management.
- 4.8. Providing support services to staff, visitor and general public
- 4.9. All Security Personnel and site Security Manager/Supervisor employed by the Security Service Provider at THLM are required to meet the following requirements:
 - a) The security Personnel and site Security Manager/Supervisor must be registered with the Private Security Industry Regulatory Authority (PSIRA) and be in good standing. No Security Personnel with expired PSIRA membership will be allowed to work at THLM facilities
 - b) Proper security and SAPS clearance shall be made of all security personnel used by the security service provider, a copy of which will be provided to THLM before all security personnel be allowed to work at the security contract. THLM reserves the right to reject any purpose security personnel based on background check information.
- 4.10. The security service provider's site security manager, shift supervisor and security personnel must be computer literate and able to read, write, speak and understand English clearly. Preferably, security personnel must be articulated, in two of the used three official languages English, Ndebele or North Sotho.
- 4.11. Staffing shall be in accordance with the facilities list which will be provided by THLM. Allowances shall not be granted to compensate for additional cost or personnel required to satisfy the staffing requirements in the event of illness, personnel absence, tardiness, or relief.
- 4.12. The Security Service Provider shall be solely responsible and liable for filling these positions. Advanced notification is required of any Security Officer taking approved leave time and the Security Service Provider must provide information as to who the replacement Security Officer will be.
- 4.13. The Security Service Provider shall not be compensated for any additional services performed unless approved and authorized under separate agreement by THLM. The Security Service Provider shall make Security Personnel available to THLM, based on

established scheduled hours for the proposed length of the Contract.

- 4.14. The Security Service Provider shall maintain and show evidence of available utility/reinforcement officers and supervisors ready to assist THLM immediately in the event of flood, fire, natural/manmade disaster, or any other emergency.
- 4.15. The Security Service Provider shall supply relief officers (up to 10% of normal staffing requirements at each site location) as necessary, at no additional cost to THLM, to ensure that all the assignments are performed as required. For immediate staffing requirements that exceed 10% of normal staffing, at each site location, due to an emergency need, additional provisions may be applicable as outlined in the Contract.
- 4.16. THLM reserves the right to reject any employee of the Security Service Provider who is deemed as not competent. The Security Service Provider shall not be compensated for overtime paid to contract employees called in the re-staff vacated shifts that do not have a permanent officer stationed for any reason.
- 4.17. No Security Officer shall work more than (12) consecutive hours, in any twenty-four (24) hour period. This limitation may be waived by THLM in emergency situations that are beyond the control of the Security Service Provider.
- 4.18. The Security Service Provider must notify THLM about any emergency situation as it occurs, and request a waiver for each occurrence.
- 4.19. THLM reserves the right to require the transfer or rotation of any or all Security Officers at time intervals specified by THLM.
- 4.20. Security Officers may not leave Thembisile Hani Local Municipality premises at any time during the shift.
- 4.21. Security Officers shall bring their necessary meals for consumption on the premises.

4.22. Damages, Theft and Loss

- i) Any damage caused by the Service Provider or his staff to private or the THLM 's property and existing services must be repaired at the Service Provider's expense.
- ii) Any property found damaged by others which could implicate the Contractor in any way must be reported to the responsible contracts manager of the THLM before any work commences.
- iii) Any Theft and / or loss occurred in the presence of the Service Provider's employee or in the absence of his /her employee, or where the employee did not see or where the employee deserted the post/site or leave post /site unattended, must be re-imbursed by the Service Provider.
- iv) **THLM will fix/repair/replace any damaged assets or property or replace any lost item and the amount equal to the damages, loss will be deducted as a once off amount from the next monthly invoice of the Service Provider.**

4.23. Inspections

The Security Service Provider supervisor shall conduct regular, unannounced inspections to ensure security guard personnel compliance with established regulations. Inspections will consist of not less than one visit per shift each week

- 4.24 The Security Service Provider supervisor shall submit documented reports on all inspections to THLM to ensure continued supervision of each account.

4.25. Security Officer training

The security service provider, at their expense, shall ensure that newly assigned officers are trained in the following areas:

- i) Site patrol and observation techniques
- ii) Report writing, communication skills
- iii) Customer service and public relations
