## TAX CLEARANCE CERTIFICATE REQUIREMENTS

**It is a condition of bid that the taxes of the successful bidder must be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligations.**

- 1 In order to meet this requirement bidders are required to complete in full the attached form TCC 001 "Application for a Tax Clearance Certificate" and submit it to any SARS branch office nationally. The Tax Clearance Certificate Requirements are also applicable to foreign bidders / individuals who wish to submit bids.
- 2 SARS will then furnish the bidder with a Tax Clearance Certificate that will be valid for a period of 1 (one) year from the date of approval.
- 3 The original Tax Clearance Certificate must be submitted together with the bid. Failure to submit the original and valid Tax Clearance Certificate will result in the invalidation of the bid. Certified copies of the Tax Clearance Certificate will not be acceptable.
- 4 In bids where Consortia / Joint Ventures / Sub-contractors are involved, each party must submit a separate Tax Clearance Certificate.
- 5 Copies of the TCC 001 "Application for a Tax Clearance Certificate" form are available from any SARS branch office nationally or on the website [www.sars.gov.za](http://www.sars.gov.za).
- 6 Applications for the Tax Clearance Certificates may also be made via eFiling. In order to use this provision, taxpayers will need to register with SARS as eFilers through the website [www.sars.gov.za](http://www.sars.gov.za).

**TERMS OF REFERENCE**

**TERMS OF REFERENCE: FOR THE APPOINTMENT OF A SERVICE PROVIDER TO  
PREPARE THE MULDRSDRIFT LANSERIA AREA PRECINCT PLAN FOR MOGALE  
CITY LOCAL MUNICIPALITY FOR A PERIOD OF TWELVE (12) MONTHS.**

**1. INTRODUCTION**

- 1.1 The Department of Land Reform and Rural Development (DLRRD) requires the services of one (1) firm or a consortium of suitably qualified service providers to prepare the Muldersdrift Lanseria Area Precinct Plan for Mogale City Local Municipality (MCLM) in the Gauteng Province.
- 1.2. In terms of Chapter 4, Section 21 (l) of the Spatial Planning and Land Use Management Act, Act No 16 of 2013 (SPLUMA) the Municipal Spatial Development Framework (MSDF) must “identify the designation of area in which (i) more detailed local plans must be developed”. This refers to identification and prioritisation of more detailed local area plans/ precinct plans to ensure the implementation of the broader strategic spatial objectives at a local level with respect to The Lanseria Regional Spatial Development Policy (LRSDP) of 2017 and the Greater Lanseria Master Plan (GLMP). Both the LRSDP and GLMP has no legal status in the context of SPLUMA, but serve as a reference to this precinct planning. This matter will be addressed as part of the Regional SDF.
- 1.3 The present MCLM Planning tools (2024 Muldersdrift Precinct Plan), have intentionally excluded this proposed precinct area based on the 2011 Muldersdrift Precinct Plan, the MSDF and GLMP proposals. Hence the exclusion affect the

alignment of objectives and plans from a regional perspective and the management of land use in the area.

- 1.4 The need therefore exists to develop a precinct plan for this specific area in relation to the broader LRSDP and GLMP to ensure harmonious coordination of these spatial planning instruments.

## **2. BACKGROUND**

- 2.1 The Lanseria Smart City concept was first introduced in the year 2007 as the Cradle City founded around Lanseria International Airport in Gauteng and meant to be the first aerotropolis in South Africa before the formalisation of the concept for OR Tambo International Airport. However, the initiative was re-introduced in 2020 after President Cyril Ramaphosa announced the Lanseria Smart City in his State of the Nation Address (SONA). The Greater Lanseria Growth Node is a joint initiative by the Presidency, the Office of the Premier Gauteng, the City of Tshwane, the City of Johannesburg and MCLM. Whereas the adjacent municipality of Madibeng (Northwest Province) and the Development Bank of South Africa (DBSA) are also stakeholders. The Lanseria Regional Spatial Development Policy (LRSDP) of 2017 was developed, resulting in the Greater Lanseria Master Plan (GLMP) of 2020. Both these policy instruments were intended to guide local planning with an emphasis on the cross-border context of development linkages. The project has since 2022 been led by the Gauteng Growth and Development Agency (GGDA) to address strategic initiatives concerning the implementation of the Lanseria Smart City Project.
- 2.2 The GLMP study area is 53,311 ha with Mogale City taking up 38% of the total area (City of Johannesburg 42%, City of Tshwane 15% and Madibeng 5%). Whereas about 28,663 ha of the area which has been identified is predominantly undeveloped, further requiring detailed planning to align the objectives of the affected municipalities. The Lanseria Smart City is postulated to house 350 000 – 500 000 people and envisioned as a high-impact, compact, complex, mixed-use urban development designed to deliver urban prospect to a marginalised periphery.

- 2.3 In the context of Mogale City, the proposed precinct area forms part of the greater Muldersdrift area, which is one of MCLM's spatial investment priority areas. The proposed Precinct Plan aims to integrate all investment/development opportunities in areas north of the N14 Corridor to create a linkage with Lanseria Growth Node. The proposed Muldersdrift Lanseria precinct plan is situated between the boundaries of the 2024 Muldersdrift Precinct Plan and the proposed Cradle of Humankind (CoH) Precinct Plan.
- 2.4 The summarized compilation of development proposals expressed across the various policies, plans and strategies of the municipality reflect this area as rural development zone or urban-rural transition zone which falls within Lanseria development area. A primary focus zone of the Lanseria region has been identified, near the N14 Malibongwe Drive interchange, driven around the Lanseria International Airport as a catalyst.
- 2.5 The locality of Muldersdrift Lanseria area precinct plan presents a unique set of challenges and opportunities for the local administration. The municipality must balance the areas future objectives with the surrounding environment and the needs of the urban and rural populations, while also addressing the consideration and inclusion of this area in the infrastructure investment plan of the jurisdiction. Effective management of these complexities is essential for the sustainable development of the region.

### **3. PROBLEM STATEMENT**

- 3.1 Part of developing the Lanseria Smart City needs to enhance the rural area of Muldersdrift/Lanseria which has been highlighted as significant due to the location and context of the area. The development of this area seeks to improve the livelihood of surrounding/local communities, with more emphasis placed on eco-tourism and agri-production related activities to provide support to the Lanseria Node. However,

also considering the mixed land uses comprised in the Lanseria Aerotropolis that will affect the area.

- 3.2 This area forms part of the greater Muldersdrift area, it was excluded from the 2024 Muldersdrift Precinct Plan. The reason for exclusion was because from a developmental perspective, this portion is classified as different functional area which is a rural transition zone between the CoH World Heritage Site and the urban core of the Muldersdrift Development Zone.
- 3.3 The Muldersdrift Lanseria area does not currently have a detailed plan guiding the spatial planning and implementation of Mogale City's development objectives for the area, despite its proximity to the N14 Development Corridor, Lanseria Airport and being part of the proposed RSDF. The area depends on the MSDF to determine where development and land use activities should be encouraged. However, the nature of an MSDF, being too high level, does not permit detailed identification of all development proposals/ projects and trends and their specific geographical locations.
- 3.4 This has created some gaps with the detailed identification of area specific projects and land use change planning to promote investment for the Lanseria area that is aligned and coordinated with the surrounding areas.
- 3.5 The exclusion of this area was intentional based on the recommendation of the Muldersdrift Precinct Plan (2011) which proposed that an in-depth feasibility study and urban development framework (in a form of Precinct Plan) are in order to investigate the possibility of both Mogale City in relation to the City of Joburg and the City of Tshwane pursuing the campaign for developing an aerotropolis around the Lanseria Airport.
- 3.6 The exclusion of the area from the available Mogale City Precinct Plans has left the area in an indeterminate state and if not addressed will result in the exclusion of the area from the municipality Infrastructure Investment Plan.

## 4. LOCATIONAL CONTEXT

The proposed Precinct area is located in Muldersdrift, ward 33 of the Mogale City Local Municipality. Muldersdrift lies to the north of Krugersdorp. It is traversed by the R28/ N14 Provincial Road running from north-east to south-west. To the east it is bounded by urban development in the City of Johannesburg, while the Cradle of Humankind World Heritage site lies to the west (figure 1). While on the one hand this area lies in the path of urban development and as such shows the mixed-use typology of a typical urban-rural transition zone, parts of this area fall within areas earmarked for conservation or at least very limited development.

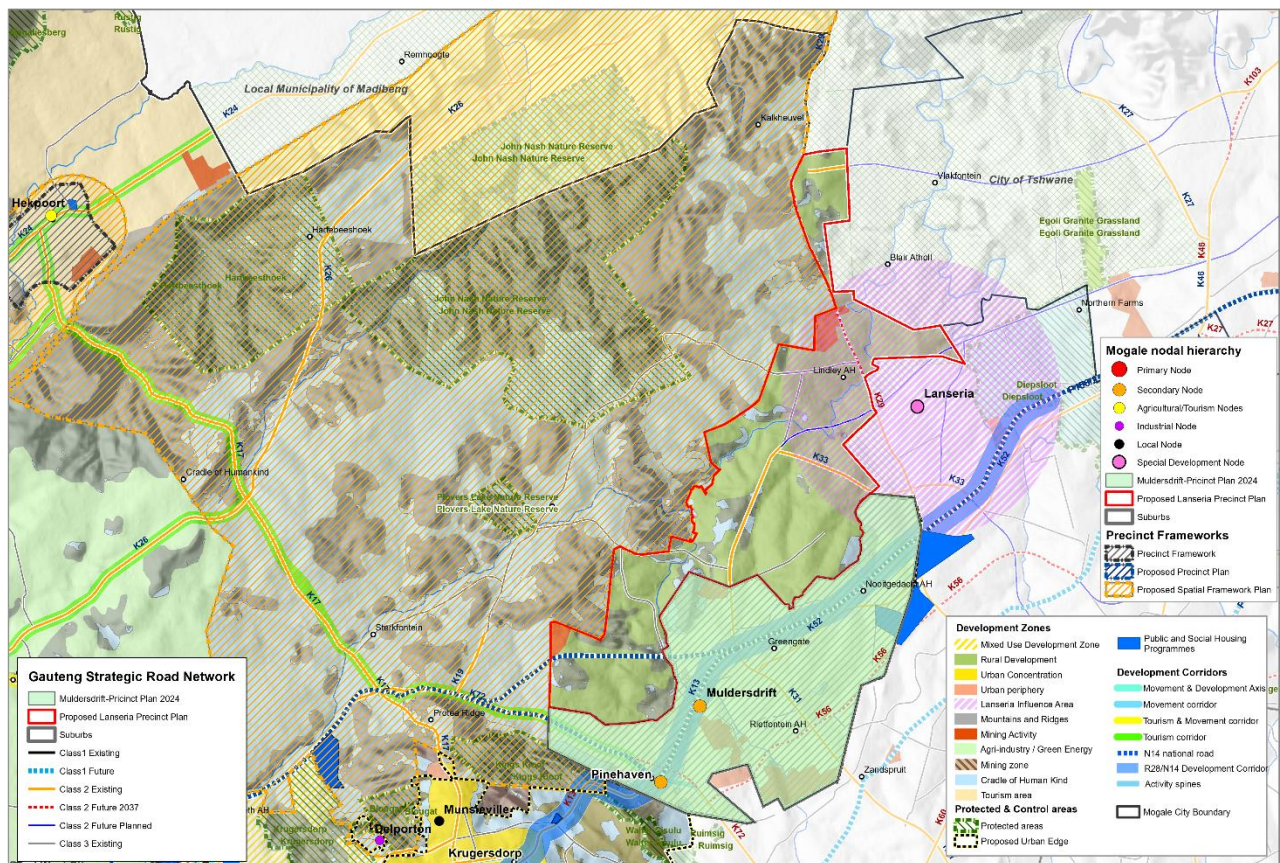

Figure 1: proposed Muldersdrift Lanseria Precinct Plan

## 5. PURPOSE AND OBJECTIVES OF THE PROJECT

- 5.1 The key objective of the project is to appoint a service provider to develop the Muldersdrift Lanseria Area Precinct Plan for the MCLM within a period of twelve (12) months.
- 5.2 A Precinct Plan to be developed, must enable the integrated planning and implementation of the Lanseria Smart City initiative.
- 5.3 As a spatial planning tool, the precinct plan should include proposals to form the basis of a land use scheme or suggest proposed amendments to an existing land use scheme that are required to establish and manage the precinct(s), such as:
- a) land use controls to protect and promote regional landscape values and industries and economic activities within a precinct.
  - b) levels of development assessment for land use changes within a precinct.
  - c) modified controls to promote opportunities to diversify, innovate and value-add to activities within a precinct in line with the institutional framework proposed in the GLMP.
  - d) options to prevent incompatible land uses within a precinct.
  - e) identifying key areas where a precinct can sustain rural economic activities.
  - f) preventing inappropriate fragmentation of land.
  - g) development proposals to protect or promote compatible development within a precinct.
  - h) Includes infrastructure planning and costing in the form of an implementation programme that indicates the project's total cost (including bulk services costs).
  - i) Provide an economic diagnosis of the area and address the economic development challenges identified in the analysis/assessment phase; and
  - j) Ensures that comprehensive stakeholder engagement is undertaken throughout the process of the precinct plan formulation.
- 5.4 The precinct plan should detail the type, location, size and configuration of the proposed precinct. Depending on these factors, some of the matters discussed in

paragraph 4.2 of these Terms of Reference (ToR) may have relevance to the proposed precinct. The precinct plan should indicate the relevance of each matter and detail how relevant matters have been addressed.

- 5.5 Enhancing infrastructure and investment opportunities for activities. The precinct plan should identify opportunities to coordinate and integrate rural, urban and environmental planning, especially planning for local and regional infrastructure. This information can be used to assist in prioritising infrastructure options such as transport networks and water supply systems. The precinct plan should improve the exchange of benefits of regional and local infrastructure between urban areas and rural precincts.
- 5.6 Enabling rural industries to diversify, adjust, innovate and value-add. The precinct plan should include strategies and actions that support the diversification of compatible activities, encourage innovative land-use planning and management, assist in implementing adjustment strategies, or add value to activities within a precinct.
- 5.7 Identifying alternative economic uses of land. The precinct plan should aid in identifying alternative economic uses of rural land by establishing a vision and identifying economic, social and environmental opportunities and constraints to improve the profitability and sustainability of natural resource use in the precinct.
- 5.8 Protecting and promoting productive activities within a precinct and associated regional landscape values within a precinct. The precinct plan should aid in identifying strategies and actions that protect and promote productive activities, including the range of landscape values supported by the precinct. In addition, a precinct plan should help identify opportunities and constraints to promote the ecologically sustainable development of natural resources within the precinct.
- 5.9 Sustaining benefits to the community derived from the natural environment. The precinct plan should protect the environmental and natural resource values of the rural area by protecting or promoting activities that employ best practice

management, maintain or enhance ecosystem services, and/or implement regional natural resource management plans.

5.10 Making recommendations for Scheme amendments. This section should identify how the proposed precinct plan will achieve the planning intent for the precinct(s) by describing how the proposed assessment tables, planning and subdivision controls, and any land-use restrictions satisfy the need for scheme amendments.

5.11 Management and Implementation strategies. This section should identify how other planning and management initiatives contribute to achieving the planning intent of the precinct(s) and the matters listed above.

5.12 The required precinct plan must: -

5.12.1 Give effect to the development principles contained in the Spatial Planning and Land Use Management Act (SPLUMA) including: -

- i. Spatial Justice;
- ii. Spatial Sustainability;
- iii. Efficiency;
- iv. Spatial Resilience; and
- v. Good Administration

5.12.2 Set out objectives that reflect the desired spatial form of the municipality.

5.12.3 Contain strategies, policies and plans which must-

- i. Indicate desired patterns of land use within the precinct.
- ii. Address the spatial reconstruction of the location and nature of development within the identified precinct; and
- iii. Provide strategic guidance in respect of the nature of development within the precinct.

5.12.4 Set out basic guidelines for a land use management system in the precinct.

5.12.5 Identify programmes, projects and restructuring elements for the development of land within the precinct.

5.12.6 Provide a visual representation of the desired spatial form of the precinct which:

- i. must indicate where public and private land development and infrastructure investment should take place.
- ii. must indicate desired or undesired utilisation of space in the particular area.
- iii. may delineate the land use parcels and precincts.
- iv. must identify areas where strategic intervention is required; and (v) must provide urban design interventions and guidelines to enhance the aesthetic appeal.

5.3 The Precinct Plan must take cognisance of and adhere to national and provincial policies and legislation, including, the MSDF, Land Use Scheme, the LRSDP and the GLMP where applicable

5.4 The Precinct Plan must align with the current 2024 Muldersdrift Precinct Plan as well as the City of Joburg, City of Tshwane and Madibeng Municipality's envisioned Precinct Plan.

## **6. SCOPE OF WORK**

6.1 The successful service provider would be expected to undertake the following towards the development of the Precinct Plan:

a) Draft a Spatial Vision for the Precinct Area, in line with the MSDF and the GLMP. The Spatial Vision will be subject to consultation with the municipality and various stakeholders.

b) Develop spatial challenges, options/solutions and proposals for the municipality taking into cognizance the local circumstance, local policies, local economic challenges and development, provincial and national policies and strategies. The options must also consider government priority programs from all relevant spheres of government. The envisaged outcome of this exercise is the

development of Spatial Options that will inform the Precinct Plan and highlight and identify visible changes, trends, and their opportunities, conflicts and tensions and how they can be addressed.

- c) The Precinct Plan must Identify total investment demand in terms of infrastructure and alternatives by developing a detailed Capital Expenditure Framework (CEF).
- d) Formulate a more detailed integrated ecological, conservation, heritage, agricultural, recreation, leisure and tourism plan and associated business strategy for the area.
- e) The Precinct Plan must also include an Implementation Plan with detailed CEF, budgets and projects/programmes that identifies the responsibilities for its implementation both within and outside the municipality.
- f) Precinct planning report that documents the results of technical studies, analysis and community consultation undertaken during the development of the precinct plan; and demonstrates the consistency of the proposed precinct with the MSDF and the IDP of the municipality. The precinct plan report presents the results of technical analysis of data that address the matters set out in Paragraph 2 of this ToR; and
  - i. uses the best-available information held by all organs of state, research organisations and other relevant stakeholders.
  - ii. provides adequate analysis and rationale to support the objectives of the precinct; and
  - iii. includes a summary of consultation activities, submissions and responses.
- g) List of implementation actions which include a prioritised list of development interventions and their spatial locations that indicate how the Municipality intends

to manage the precinct. This can include both statutory and non-statutory implementation measures.

h) Provide information that may be relevant for developing the precinct plan, establishing and managing a precinct including the identification and/or analysis of:

- Existing precinct character.
- Land attributes and constraints (SWOT Analysis).
- Geology and geotechnical characteristics (linked to developmental potential of precinct).
- Good quality agricultural land.
- Pastoral production land or grazing areas.
- Rural enterprises / economic development opportunities.
- Mining and extractive resources.
- Topography.
- Hydrology.
- Proximity to waterways, dams and other water resource infrastructure and supplies.
- Existing and future noise sources.
- Environmental hazards.
- Nature conservation areas.
- Public utility network.
- Tourism/scenic amenity.
- Transport network including public transport networks.
- Other critical infrastructure.
- Assess the impact of development on aviation requirements.
- Relationship/proximity to towns & settlements.
- Relationship to surrounding municipalities.
- Population and demographics.
- Publicly accessible open space and recreation areas, networks/linkages.

- Areas of cultural significance and Heritage sites.
  - Land use (types of uses undertaken in precinct); and
  - Consultation issues.
  - A list of implementation actions proposed to establish and manage a precinct should include:
    - Proposed planning scheme amendments.
    - Other implementation actions, such as collaborations with other municipalities, organisations, including the linkages with, or dependence on, other actions or stakeholders.
    - List of key projects.
    - Prioritized list of developmental interventions and spatial location.
    - Cost and budget estimates.
    - Timelines and phasing of development.
    - Possible sources of finance/funding.
    - Implementation agent/s and their roles and responsibilities.
    - Recommendations for the revision of existing policies or strategies, where necessary.
    - Proposals on how the precinct plan can be used for the implementation of projects by sector departments.
    - Institutional capacity recommendations.
    - Proposals for handing over the project.
    - Develop monitoring and evaluation tools to ensure that the precinct plan is implemented accordingly, and
    - Proposals on how the precinct plan should be marketed to attract investment and implementation of projects by sector departments.
- i) Develop a stakeholder engagement plan for the various consultation processes with various stakeholders, including government, private sector and any other stakeholders throughout the lifespan of the project. The service provider should cater for additional unplanned meetings that may be required for the duration of the project.

- j) Recognise and enhance critical touchpoints between the four municipalities. Furthermore, given the scale, complexity and transformative potential of the proposed precinct area, it is imperative to bring together all critical stakeholders i.e government entities, private sector players, investors, developers, civil society, research institutions, and local communities to align on key priorities, development frameworks, and collaborative opportunities.
- a) The precinct plan will inform interventions by both the public and private sectors to facilitate economic growth and development through social, spatial and economic development or regeneration. The aim is to initiate, stabilize, consolidate and promote economic development in the precinct and to enhance business efficiencies and opportunities as a response to various government initiatives by proposing appropriate land-use interventions or densities within this nodal area.
- b) The proposals in the precinct plan should inform the overall development of the precinct in terms of medium to long-term strategic interventions required to promote the development of spatially and economically integrated precincts that are attractive, efficient, convenient, safe and effectively managed. The interventions and strategy will also promote restructuring, sustainable communities, economic development, poverty alleviation and environmental sustainability and align with the GLMP.
- c) Undertake a detailed engineering infrastructure services report which identifies and maps the status quo of engineering services within the study area. This must include Intergrated Infrastructure Investment Plan indicating investment options, alternative solutions, long term financial consequences and maintenance
- d) The service provider will also be required to assist the municipality in finalizing any documents for the presentation of the Precinct Plan in various committees towards/and for the adoption by Council.

## 7. PROJECT DELIVERABLES

- 7.1 A final Precinct Plan with a Spatial vision, Spatial challenges, options and proposals report with related mapping submitted in digital format and a full colour hard copy.
- 7.2 Precinct Plan textual document including all maps, tables and figures in both hardcopy (printed) and softcopy (electronic as MS Word document) image files (e.g. JPEG, windows Bitmap, GIF, etc.) must also be supplemented by:

Item	Description	Quantity
Final Precinct Plan Booklets	<b>A4 (Glossy front and back, full colour)</b> <ul style="list-style-type: none"> <li>• <b>Cover:</b> Final Precinct Plan document</li> <li>• <b>Text printed:</b> 250 gsm Hi-Q Titan double-coated gloss</li> <li>• 113 gsm Hi-Q Titan double-coated gloss</li> <li>• Full Colour</li> <li>• PUR binding</li> </ul>	x20 hardcopies

Spatial data inclusive of Map package in Precinct Plan Report	GIS Information (spatial information collected and derived should be submitted in GIS capable file format i.e. shapefiles, geo-database, layer file, data package, APRX files and must include metadata records (Database) captured in line with the South Africa National Standard (SANS -1878). Spatial information captured must be in line with Regulation 5(2) of the Spatial Data Infrastructure Act, 2003.	x5 USB and shared via drop-box link

Table 1: Document requirements

- 7.3 All spatial data information collected should be submitted in a GIS map package or Project Package include geodatabases data instead of referencing the data (geodatabases, layer files, and files for use in a GIS environment). The GIS file format must have clear metadata that describes each Precinct Plan construct differently and should include the purpose of each construct. Metadata for all spatial information should be provided as per the metadata standard ISO 19115 & SANS 1878. All metadata must be Published on the electronic metadata catalogue after approval. <https://catalogue.sasdi.gov.za/emc>. Ownership of all metadata, data and spatial information generated and collected from this assignment vests in MCLM. MCLM will become the custodian of all spatial information collected.
- 7.4 Where base data set is used, the service provider must retain all mandatory reference fields for that base data set (e.g. if cadastral data is used to assign zoning, the 21-digit code, TAG-Value, should be maintained).
- 7.5 All geospatial information used or created during the project must be submitted to the Department unless there is a limitation prescribed by a license agreement. Where such limitations exist, the service provider must inform the department.
- 7.6 All geospatial information used or created during the project must be submitted to the Department.
- 7.7 All geospatial data, products, and services must comply with the prescripts of the Spatial Data Infrastructure Act, Act 54 of 2003, its Regulations and Policies.
- 7.8 Where a service provider used graphics to represent proposals, such should be converted into GIS format and data must be inclusive of all spatial proposals made.
- 7.9 All datasets must be in a geographic coordinate system form in the Hartebeeshoek94 system.
- 7.10 All points proposals (e.g. nodes), line proposals (e.g. corridors) and polygon proposals (e.g. urban edges) must be in one GIS data file. Such file must include the

following attributes: ID, Title and Description. A service provider may add additional attributes where necessary.

7.11 The GIS data must further meet the following requirements: -

- i. All maps should be in A4 size in the document;
- ii. Maps must be numbered and listed in the table of contents;
- iii. All the text in the maps and the legends must be legible;
- iv. The same map template/ layout must be used throughout the document;
- v. All maps should have the basic map elements, namely: a title, north arrow, legend, scale bar;
- vi. All the features on the map must be explained in the legend;
- vii. All mapping must be developed at an appropriate and readable scale;
- viii. All maps must also be available in Power point Presentation format as well as the corresponding ArcGIS Pro Project File (.APRX) with all spatial information in shapefiles or a geodatabase ready to be accessed in ArcGIS;

## 8. SKILLS REQUIREMENTS

8.1. Companies with individuals with qualifications and extensive experience will be required as detailed in Table 2 and sections 8.1 and 9, respectively.

**Table 2: MINIMUM QUALIFICATIONS REQUIRED BY THE DLRRD**

No.	Minimum Qualification	Key Skill Set	Registration Requirements
1.	B Degree in Town/Urban/City and Regional Planning	<ul style="list-style-type: none"> <li>• Spatial Planning</li> <li>• Precinct Plan development</li> <li>• Report writing</li> <li>• Project Management</li> </ul>	Registration with SACPLAN as a Professional Planner

Table 2: Minimum Qualifications

8.2 Please note that the above is a minimum set of skills required, the company/consortium is welcome to add more skills as deemed necessary to undertake the work.

8.3 A qualified and skilled Town and Regional Planner with a spatial planning and precinct plan development experience will also be required to manage the different specialists and coordinate the work being undertaken.

8.4 Proven experience and a thorough understanding of the following is also required:

- a) Spatial development policies and legislation.
- b) Urban and rural development and land reform.
- c) Previous experience in the Precinct Plan development and SDF either at municipal or provincial levels.
- d) Previous experience with policy and/or planning work at a Local, Regional and Provincial Level.
- e) Understanding of the interrelationship amongst the following: social, economic, land use, transport and environmental issues.
- f) Stakeholder engagement and Project Management.
- g) Research, analytical writing and communication skills; and
- h) Experience in developing similar tools/instruments will be an added advantage.

## **9. PROJECT DURATION AND PAYMENT MILESTONES**

- 9.1. The Project will commence after the letter of appointment has been issued and the Service Level Agreement has been signed, which will expire in twelve (12) months thereafter and is subject to addition, extension or early termination, depending on the need and performance assessment of the service provider.
- 9.2 The DLRRD reserves full rights to implement the above-mentioned clause.
- 9.3 The target dates for each milestone (as well as the associated deliverables) and the amount of financial compensation for the work done are scheduled under Table 3.

Table 3: Project cost and timeframes

9.4 Due to the Project's urgency, timeframes must be strictly followed. Financial penalties will be imposed for delay or non-compliance with time and quality requirements.

## 10. CONTENTS OF THE PROJECT PROPOSAL

The service provider will be expected to provide a clear and concise project proposal covering the aspects listed below as well as responding to the terms of reference.

- 10.1 An executive summary of the key issues covered in the Proposal.
- 10.2 A company profile and profile of each employee forming part of Project Team with clear references to similar and related work undertaken in the past with clear evidence where a person/member participated in or managed certain projects in the past which bears relevance to the work at hand. Clear indication of actual roles and responsibilities must be presented with verifiable proof.
- 10.3. General methodology for undertaking work of this nature. The methodology should also indicate the project milestones that will be used to measure the project progress, as well as the cost break down.
- 10.4. Certified copies of all certificates, references, professional registration and related certification for all members of the proposed team must be attached.
- 10.5. Any other information relevant to the determination of the suitability of the interested bidder for this project should be listed.
- 10.6 All-inclusive costing model and a project plan.
- 10.7 The following technical information **must** be submitted with the bid proposal:
  - a) Organogram outlining the project team members with a clear indication of the project leader and support team.
  - b) Relevant professional experience of the team leader and core supporting experts.
  - c) Organisational, managerial and technical ability.
  - d) Full CVs of all proposed team members.
  - e) Minimum 3 contactable current and previous client references from 3 different

clients; and

f) Associations and Professional Affiliations of companies and individuals.

## **11. INFORMATION GATHERING**

- 11.1. The selected service provider will be expected to make contact with all the relevant officials and units within all spheres of government and other stakeholders of government or any relevant stakeholder or entity holding information relevant to the project to obtain relevant information that will be required for the project when a need arises.
- 11.2. Existing information which is available within the DLRRD, and the municipality will be made available to the appointed service provider during the execution of the project.
- 11.3. In the case where a letter to confirm and motivate for requesting information from the different spheres of government or parastatals is required, the DLRRD will provide the requested letter.
- 11.4. Notwithstanding anything written in these terms of reference, the responsibility for collecting and obtaining information necessary for the successful execution of the project remains entirely with the service provider.
- 11.5. The service provider shall be required to request where available data quality reports for all data acquired for use in this phase. Where such reports are not available, the service provider shall be required to assess the level of quality of each dataset and document it in a report. This will allow the service provider to understand the various limitations of the dataset before any analysis can be done.

## **12. TERMS AND CONDITIONS OF THE BID**

12.1 Awarding of the bid will be subject to the Service Provider's express acceptance of the DLRRD Supply Chain Management general contract conditions.

12.2 The DLRRD and successful Service Provider(s) will sign a Service Level Agreement upon appointment. Such a Service Level Agreement will include the following:

- a) Period of agreement;
- b) Project objectives, milestones and scope;
- c) Staffing;
- d) Project plan and project plan management;
- e) Budget;
- f) Cost and fee payment;
- g) Method of communication;
- h) Reporting relationship;
- i) Deliverables and conditions and terms of deliverables;
- j) Form and formats of working papers;
- k) Reviews;
- l) Uncompleted work;
- m) Confidentiality;
- n) Disputes; and
- o) Financial penalties and termination of contract.

- 12.3 The service provider should submit an acceptance letter and be available to commence with the project within five (5) days after receiving official order and the service level agreement being signed.
- 12.4 During the execution of the project, the service provider is required to give reports on the progress of the project. It is the responsibility of the service provider to organise the progress report meetings and have one of their representatives assigned to taking minutes and circulating them to the steering committee members.
- 12.5 Project team members must be available for the duration of the project; the service provider is not allowed to change the composition without prior consent of the DLRRD and the municipality.
- 12.6 Any deviation from the project plan should be put in writing and signed by the project manager of DLRRD.
- 12.7 Any suggestions during the progress meetings, once accepted by both parties, shall form part of the contract.
- 12.8 Payments will be on work-completed basis i.e. on set milestones as per the project plan.
- 12.9 Financial penalties will be imposed for agreed upon milestones, targets, and deadline not met without providing:
- a) Timely notification of such delays.
  - b) Reasons for the delays.
  - c) Supporting evidence that the delays were outside of the influence of the service provider.

- 12.10 Payment will **ONLY** be made as per deliverables and upon **SATISFACTION** of good and quality product. Therefore, original invoices submitted for payments must be submitted for payment with relevant supporting documents. No copies of invoices will be processed.
- 12.11 Financial penalties will be imposed if the outputs produced do not meet the agreed upon deliverables criteria as stipulated in the General Conditions of Contract.
- 12.12 Original invoices to substantiate all costs must be provided. The invoices should include the DLRRD order number that will be provided to the selected service provider upon acceptance of the proposal.
- 12.13 When DLRRD accepts the final product, the appointed service provider will be liable to correct errors and fill gaps that may be discovered in the data/project, at no charge to DLRRD. This condition will apply for a period of one month from the day the project was completed and submitted to DLRRD.
- 12.14 The DLRRD reserves the right not to appoint anyone.
- 12.15 No material or information derived from the provision of the services under the contract may be used for any other purposed except for those of the DLRRD, except where duly authorized to do so in writing by the DLRRD.
- 12.16 Copyright in respect of all documents and data prepared or developed for the purpose of the project by the Service Provider shall be vested in MCLM
- 12.17 The successful Service Provider agrees to keep confidential all records and information of or related to the project and not disclose such records or information to any third party without the prior written consent of MCLM.

12.18 All works relating to spatial information remains the property of the state and shall be disseminated in line with the policy on pricing of spatial information products and services.

12.19 The successful Service Provider agrees to maintain the level of technical capacity as indicated in the bidding document submitted, throughout the duration of the project and any change to their team shall not compromise the technical capacity of the Service Provider or impact negatively on the pace and quality of the project outcome.

### **13. MANDATORY REQUIREMENTS**

**NB: Failure to submit / attach proof of the following requirements with the proposal will disqualify the bidder's proposal.**

#### **13.1 EVALUATION OF TENDERS/ PROPOSALS**

Tenders will be evaluated in terms of the evaluation criteria stipulated below:

- Evaluation for mandatory criteria
- Evaluation in terms of Functionality
- Evaluation in terms of Presentation
- Evaluation in terms of 80/20 preference point system as prescribed in the Preferential Procurement Regulations 2022.

##### **13.1.1 Evaluation for mandatory criteria:**

###### **a. Tax Requirements:**

- Bidders must ensure compliance with their tax obligations.

- Bidders are required to submit their unique personal identification number (pin) issued by SARS to enable the organ of state to view the taxpayer's profile and tax status.
  - Application for tax compliance status (TCS) or pin may also be made via e-filing. In order to use this provision, taxpayers will need to register with SARS as e-filers through the website [www.sars.gov.za](http://www.sars.gov.za).
  - Bidders may also submit a printed TCS together with the bid.
  - In bids where consortia / joint ventures / sub-contractors are involved.
  - each party must submit a separate proof of TCS / pin / CSD number.
  - Where no TCS is available, but the bidder is registered on the central supplier database (CSD), a CSD number must be provided.
- b.** Bidders must submit a resolution made by board members authorizing a particular person to sign the bid documents on their company letterheads:
- In the case of a **ONE-PERSON CONCERN** submitting a tender, this shall be clearly stated on the company letter head.
  - In case of a **COMPANY** submitting a tender, include a copy of a resolution by its board of directors authorizing a director or any other official of the company to sign the documents on behalf of the company.
  - In the case of a **CLOSED CORPORATION** submitting a tender, include a copy of a resolution by its members authorizing a member or any other official of the corporation to sign the documents on each member's behalf.
  - In the case of a **PARTNERSHIP** submitting a tender, all the partners shall sign the documents, unless one partner or a group of partners has been

authorized to sign on behalf of each partner, in which case proof of such an authorization shall be included in the Tender.

- In the case of a **JOINT VENTURE** submitting a tender, include a resolution of each company of the Joint Venture together with a resolution by its members authorizing a member of the Joint Venture to sign the documents on behalf of the Joint Venture.” i.e., the Joint Venture must submit three Letters of Authority as per the aforesaid Joint Venture requirement.

13.2 Bidders must complete and sign all standard bidding documents and GCC.

13.3 A resolution authorizing a particular person to sign the bid documents (complete and signing of LA1.6 on the company letterhead).

13.4 Bidders must complete and sign the pricing schedule in full (SDB 3.3) by and authorised person. (No other pricing template will be accepted for SBD3.3 other than the one department has provided.)

13.5 The Project leader must hold a bachelor’s degree in Town / Urban / City and Regional Planning which is recognised and be registered as a Professional Planner by the South African Council of Planners. A copy of a valid registration certificate should be attached to the proposal together with a letter of good standing.

13.6 The multidisciplinary teams of consulting professionals to prepare the Muldersdrift Lanseria Area Precinct Plan must include:

13.6.1 A Civil engineer with proven experience and specialisation in Infrastructure Planning and Transport planning, registered with the ECSA. A copy of the valid registration certificate should be attached to the proposal.

13.6.2 A Professional Geographic Information Science Practitioner registered with the SAGC. A copy of the valid registration certificate should be attached to the proposal.

13.6.3 An Environmentalist in possession of a BSc or bachelor's degree or BTech Environmental Sciences/ Environmental Management.

***NB: Accept that failure to fully complete Form for Keyperson of the returnable documents will result in a submission being regarded as non-responsive.***

#### **14. REPORTING AND ACCOUNTABILITY**

14.1. During the execution of the project, the service provider will be required to submit progress reports and attend meetings at intervals as it will be determined by the project team or steering committee managing the project.

14.2. All information captured and or used to generate the outputs of the project remains the property of DLRRD and MCLM and must be handed over in its totality when the project is closed. DLRRD and MCLM will retain retain copyright and all associated intellectual rights thereof. This document together with all agreements to be or reached during the project become part of the contract. The information must be captured and provided in a digital format as agreed (in writing) between the service provider and DLRRD. This agreement must be reached and signed off together with the project plan before the project commences.

#### **15. EVALUATION CRITERIA**

15.1 Proposals will be evaluated in four (4) stages:

1. Bidders need to be responsive to all Mandatory requirements
2. Bids will be evaluated on functionality, which needs to score 70 out of 100 to go to the third stage.
3. Presentation and bidders will have to score 70 out of 100 to go to the fourth stage

4. The fourth stage in accordance with 80/20 preference points system as stipulated below.

## 15.2 Evaluation of Functionality

The functionality will be evaluated individually by Members of the Bid Evaluation Committee per the functionality, criteria and values below. The applicable values that will be utilised when scoring each criterion range from:

**1= Poor, 2 = Average, 3 = Good, 4 = Very good and 5 = Excellent.**

The minimum requirements, highlighted in the table below, indicate the benchmark required to qualify for the fourth stage (presentation) of the evaluation.

The bids that fail to achieve a minimum of seventy (70) points out of one hundred (100) points for functionality will be disqualified. This means that such bids will not be evaluated in the third stage (presentation) and fourth stage (Preference Points System).

The following Quality (functionality) criteria, set out in the table below, will be used to evaluate the tenders regarded as responsive.

### 14.3 Third Stage - Presentation

Only bids that achieve the minimum qualifying score of seventy (70) points out of one hundred (100) points in the second stage (functionality) will be evaluated in the third stage (presentation). The evaluation of the presentation in the third stage of evaluation will be evaluated individually by Members of Bid Evaluation Committee in accordance with the below criteria and values.

The applicable values that will be utilized when scoring each criterion range from **1 - poor, 2 - average, 3 - good, 4 - very good and 5 – excellent.**

*Table 5: Presentation criteria*

EVALUATION CRITERIA	WEIGHT	INDICATE VALUE 1-5	COMMENT/REMARK
<b>Approach of methodology</b> understanding of the project scope	<b>20</b>		
Methodology to the development of the spatial proposals and programmes for the infrastructure planning and spatial development of the Precinct plan	<b>40</b>		
Approach to the development of the stakeholder's engagements. Innovation and communication plan/strategy.	<b>40</b>		
<b>Total Points</b>	<b>100</b>		

#### 14.4 Fourth Stage - Evaluation in terms of 80/20 Preference Points System

Only Bids that achieve the minimum qualifying score for functionality will be evaluated further in accordance with the 80/20 preference points system prescribed in preferential Procurement Regulations.

#### 14.5 Calculation of total points scored for price and specific goals status.

Apply the 80/20 Preference Point system where a maximum of Eighty (80) tender adjudication points are awarded for price. Twenty (20) points will be awarded for preference in terms of the Preferential Procurement Policy Framework Act (Act 5 of 2000) and Preferential Procurement Regulation, 2022

#### **POINTS AWARDED FOR PRICE**

A maximum of 80 points is allocated for price on the following basis: **80/20**.

$$Ps = 80 \left( 1 + \frac{Pt - Pmax}{Pmax} \right)$$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in the table below. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system: or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

**Specific goals for the tender and points claimed are indicated per the table below.**

**NB: Historically disadvantaged individuals: A person historically disadvantaged by unfair discrimination on the basis of race: provided that a person historically disadvantaged on the basis of race refers to Africans, Coloureds, Indians and people of Chinese descent who are South African citizen by birth or descent, who become citizen of the Republic of South Africa by Naturalisation-**

- a) Before 27 April 1994
- b) On or before 27 April 1994 and who would be entitled to acquire citizenship by naturalisation prior to the date.

***(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such. Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)***

## PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

### PRICE QUOTATION PROCESS (UP TO R 1 MILLION)

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

**NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022**

#### **D DEFINITIONS**

**“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;

**“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;

**“rand value”** means the total estimated value of a contract in Rand, calculated at the time of tender invitation, and includes all applicable taxes;

**“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions;

**“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000); and

**"Historically Disadvantaged individuals"** means a person historically disadvantaged by unfair discrimination on the basis of race: Provided that a person historically disadvantaged on the basis of race refers to Africans, Coloureds, Indians and people of Chinese descent who are South African citizens by birth or descent; or who became citizens of the Republic of South Africa by Naturalisation -

Before 27 April 1994; or

On or after 27 April 1994 and who would have been entitled to acquire citizenship by naturalization prior to that date.

### 3. GENERAL CONDITIONS

2.1 The following preference point systems are applicable to invitations to tender:

5. the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and

#### 2.2 To be completed by the organ of state

- The applicable preference point system for this tender is the 80/20 preference point system.

- 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

2.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

(a) Price; and

(b) Specific Goals.

#### 2.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

2.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

2.6 Tenderers that fail to claim points for specific goals or that fail to fully complete the table in paragraph 2.12 below, will not be awarded points for specific goals.

2.7 Tenderers that make a calculation error when claiming points as per the table in paragraph 2.12 below, will not be awarded points for specific goals. Please take note of the examples on how to calculate points for specific goals as per paragraph 2.12 below.

2.8 Tenderers that fail to submit the correct SBD 6.1 form as issued by the Department of Agriculture, Land Reform and Rural Development, will not be awarded points for specific goals.

2.9 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2.10 Tenderers who wish to claim points in terms of the table in paragraph 2.12 below need to provide proof for each point claimed as guided below:

2.10.1 Historically Disadvantaged individuals (HDI):

- **Attach a copy of Identity Document (ID) and company registration document.**

2.10.2 Who is female:

- (I) **Attach a copy of Identity Document (ID) and company registration document.**

2.10.4 Who is youth (a person that is not older than 35 years on the closing date of a bid):

- (III) **Attach a copy of Identity Document (ID) and company registration document.**

2.11 The Department will use the Central Supplier Database and documents submitted by the tenderer to verify the points claimed for specific goals.

2.12 **Specific goals for the tender and points claimed are indicated per the table below.**

*(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.*

*Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)*

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system)	Percentage ownership equity (To be completed by the tenderer)	Number of points claimed (80/20 system) (To be completed by the tenderer)
I. HDI	10		
II. Who is female	5		
III. Who has a disability	2		
IV. Specific goal: Who is youth	3		

The number of points claimed for specific goals, are calculated as follow:

(U) A maximum of 10 points may be allocated to tenderers who had no franchise in national elections before the 1983 and 1993 Constitution, on the following basis:

• **Percentage ownership equity**  $\times 10 \div 100 =$  number of points claimed.

3. A maximum of 5 points may be allocated for to tenderers who is female, on the following basis:

• **Percentage ownership equity**  $\times 5 \div 100 =$  number of points claimed.

4. A maximum of 2 points may be allocated to tenderers who has a disability, on the following basis:

• **Percentage ownership equity**  $\times 2 \div 100 =$  number of points claimed.

(IV) A maximum of 3 points may be allocated to tenderers who are youth, on the following basis:

(a) **Percentage ownership equity**  $\times 3 \div 100 =$  number of points claimed.

**2.13 It is important to note that failure by a tenderer to complete the table in paragraph 2.12 in full, will result in points for specific goals not to be allocated.**

## **5. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES**

### **3.1. POINTS AWARDED FOR PRICE**

#### **3.1.1 THE 80/20 PREFERENCE POINT SYSTEMS**

### i) POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in the table in paragraph 2.12 above as may be supported by proof/documentation stated in the conditions of this tender.
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
6. an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
7. any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.
- 4.3 A consortium or joint venture may, based on the percentage of the contract value managed or executed by their members, be entitled to claim points in respect of specific contract participation goals.
- 4.4 A tenderer will not be awarded points for HDI if it is indicated in the tender documents that such a tenderer intends sub-contracting more than 25% of the value of the contract to any other enterprise that does not qualify for the same number or more points for equity ownership.
- 4.5 A tenderer awarded a contract as a result of preference for contracting with, or providing equity ownership to a HDI, may not subcontract more than 25% of the value of the contract to a tenderer who is not a HDI or does not qualify for the same number or more preference for equity ownership.

**GENERAL CONDITIONS OF CONTRACT**

**July 2010**

**NOTES**

The purpose of this document is to:

2. Draw special attention to certain general conditions applicable to government bids, contracts and orders; and
3. To ensure that clients be familiar with regard to the rights and obligations of all parties involved in doing business with government.

In this document words in the singular also mean in the plural and vice versa and words in the masculine also mean in the feminine and neuter.

The General Conditions of Contract will form part of all bid documents and may not be amended.

Special Conditions of Contract (SCC) relevant to a specific bid, should be compiled separately for every bid (if (applicable) and will supplement the General Conditions of Contract. Whenever there is a conflict, the provisions in the SCC shall prevail.

## **General Conditions of Contract**

### **1. Definitions**

1. The following terms shall be interpreted as indicated:
  - 1.1 “Closing time” means the date and hour specified in the bidding documents for the receipt of bids.
  - 1.2 “Contract” means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
  - 1.3 “Contract price” means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
  - 1.4 “Corrupt practice” means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
  - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
  - 1.6 “Country of origin” means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
  - 1.7 “Day” means calendar day.
  - 1.8 “Delivery” means delivery in compliance of the conditions of the contract or order.
  - 1.9 “Delivery ex stock” means immediate delivery directly from stock actually on hand.
  - 1.10 “Delivery into consignees store or to his site” means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
  - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.

- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.

1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.

## **2. Application**

2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.

2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

## **3. General**

3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from [www.treasury.gov.za](http://www.treasury.gov.za)

### **• Standards**

4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

### **• Use of contract documents and information; inspection.**

5.1 The supplier shall not, without the purchaser’s prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

5.2 The supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.

5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier’s performance under the contract if so required by the purchaser.

5.4 The supplier shall permit the purchaser to inspect the supplier’s records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

### **• Patent rights**

6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

### **• Performance**

7.1 Within thirty (30) days of receipt of the notification of contract award,

**security**

the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- (J) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
  - (K) a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

**• Inspections,  
tests and  
analyses**

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the6

cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

## **9. Packing**

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

## **10. Delivery and documents**

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

## **11. Insurance**

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

**(JJ) Transportation** 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

## **(KK) services**

**Incidental** 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:

- (JJJ) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
- (KKK) furnishing of tools required for assembly and/or maintenance of the supplied goods;
- (LLL) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
- (MMM) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant

and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

#### **14. Spare parts**

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and

in the event of termination of production of the spare parts:

Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and

following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

**4. Warranty** 15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser

may have against the supplier under the contract.

**16. Payment**

16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.

16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.

16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.

16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

**5. Prices**

17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

**6. Contract amendments**

18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

**7. Assignment**

19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

**8. Subcontracts**

20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

**9. Delays in the supplier's performance**

21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.

21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily

available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

## **22. Penalties**

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

### **(c) Termination for default**

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

6. if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
7. if the Supplier fails to perform any other obligation(s) under the contract; or
8. if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the

envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

7. the name and address of the supplier and / or person restricted by the purchaser;
8. the date of commencement of the restriction
9. the period of restriction; and
10. the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

## **2 Anti-dumping and countervailing duties and rights**

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him

**Force  
Majeure**

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

**v) Termination  
for insolvency**

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

**vi) Settlement of  
Disputes**

27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.

27.5 Notwithstanding any reference to mediation and/or court proceedings herein,

(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier.

**(f) Limitation  
of liability**

28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

- (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

**29. Governing language**

29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

**30. Applicable law**

30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

**31. Notices**

31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice

31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

**32. Taxes and duties**

32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.

32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.

**33. National Industrial Participation (NIP) Programme**

33.1 The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.

**34. Prohibition of Restrictive practices**

34.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).
