

Purpose

Sentech Johannesburg seeks the appointment of a service provider for provision of security services at Kameeldrift transmission site for a period of 6 months, starting November 2023 to April 2023.

Background

Sentech Kameeldrift is a DTT, ATV and FM transmission facility that serves as a source of information and entertainment for the public of Kameeldrift and the surrounding areas. Theft, vandalism and armed robberies has been on the rise at transmission facilities located in remote areas. Kameeldrift has been in the past a target of theft and vandalism. Having security guards on site is essential for Sentech's business, employees, and assets. The risk of not having security guards on site can jeopardize employee safety and have a significant impact on network availability.

Scope of work and mandatory requirements

The security officers will be required to perform the following, but not limited to, security duties.

- 1) Requesting a person who requires entry into the premises to:
 - 1.1) Furnish his/her name, Company and reason for entry.
 - 1.2) Produce proof of his/her identity (Work access card).
- 2) Recording visitors' particulars in a Visitors' Register and booking them out on departure.
- 3) Recording all events/ incidents in the prescribed Occurrence Book.
- 4) Patrol duties shall entail patrolling Sentech premises regularly day and night.
- 5) Protect the Sentech staff members against injuries, death or any other offence.
- 6) Protect the property of Sentech at the site against theft, vandalism, or any other criminal activity.
- 7) Check and report/record on physical damages along perimeter fence.
- 8) Check for potential safety hazards and report them to Sentech transmission manager or Sentech staff.
