TERMS OF REFERENCE FOR INVITATION OF PROPOSALS FOR THE SUPPLY, DELIVERY, IMPLEMENTATION, MAINTENANCE AND (24x7) TECHNICAL SUPPORT SERVICE OF NEXT GENERATION FIREWALL SECURITY MANAGEMENT APPLIANCE AND REPORTER FOR A PERIOD OF 36 MONTHS

1. BACKGROUND

- 1.1 The National Department of Human Settlements ("the Department") is soliciting written proposals for supply, delivery, implementation, maintenance and (24x7) technical support service of Next Generation Firewall Security Management appliance and reporter for a period of 36 months.
- 1.2 The National Department of Human Settlements (NDHS) plays a pivotal and strategic role within the Government Social Cluster with the mandate to ensure eradication of informal settlements, through provisioning for building of integrated urban settlements and fast-tracking housing provisioning by delivering diversity in housing products and finance options.
- 1.3 In line with the above, the Human Settlement Sector has become increasingly dependent on a broad array of technologies to manage and maintain its business activities, where NDHS is pursuing to put in place:
 - 1.3.1 An integrated ICT and Business comprehensive approach has become critical to the effective governance of NDHS ICT environment, resources alignment of the NDHS ICT Strategy Plan with the NDHS Strategic Business Plan to support both internal and external NDHS Business goals and service delivery objectives.
- 1.4 The Information Regulator now compels all ICT environments is consistently available, reliable, safe, secure and protected from any level of compromise, whether deliberate by external threats, accidental, planned or unplanned business outages in line with POPIA Act.
- 1.5 In line with the above, the Department needs to enhance its ICT security controls to efficacy levels that will ensure adequate:
 - 1.5.1 Protection of the department's users and internal networks from targeted cyber threats and attacks.
 - 1.5.2 Blocking of unwanted traffic as determined by the firewall rule.
 - 1.5.3 Hiding of vulnerable internal systems from the Internet.
 - 1.5.4 Hiding of official information, such as system names, network topologies, and internal user identification, from the Internet.
 - 1.5.5 Logging of traffic to and from the internal network.
 - 1.5.6 Provision of robust authentication.
- 1.6 The proposal must also cover costs of all licensing requirements based on the proposed solution.
- 1.7 Project success will be measured by the quality and effectiveness of the deliverables in meeting the goals of the firewall and the reporter solution.

2 BUSINESS REQUIREMENTS

2.1 The Department is looking for enterprise grade firewall and reporting solution for 800 users, with expected increase of user count in future up to 1000 users in the system.

2.2 The Department invites proposals for the supply, delivery, implementation, maintenance and support service of Next Generation Firewall Security Management appliance and reporter for a period of 36 months and the reporter from service providers who have experience in supplying, installing and maintaining such Next Generation Firewall Security Management appliances for government entities and other organisations of similar size and complexity.

2.3 The service provider will be responsible for migrating existing proxy services to the Next Generation Firewall Security Management appliances.

2.4 The firewall solution should:

2.4.1 Provide functions like deep-packet inspection, intrusion prevention (IPS), advanced malware detection, application control, and overall increased network visibility through inspection of encrypted traffic.

2.4.2 Be in the leader quadrant of the Gartner magic quadrant for network firewalls in 2022.

2.5 The solution should offer below features:

2.5.1 Capability of handling 30 Mbps of internet traffic.

2.5.2 Application Awareness: Ability to identify, allow, block or limit applications regardless of port, protocol etc. This provides visibility into unknown & proprietary application within the organization network.

2.5.3 Support Identity awareness for granular control of applications by specific users, group of users and machines that the users are using.

2.5.4 Deep Packet Inspection: Ability to ensure that various pieces of each packet are thoroughly examined to identify malformed packets, errors, known attacks and any other anomalies. DPI can rapidly identify and then block Trojans, viruses, spam, intrusion attempts and any other violations of normal protocol communications.

2.5.5 Full integration of IPS or IDS services, including enabled activation or de-activation as and when required. The IPS functionality itself is the same as it was with a separate appliance; the main difference is in the performance and accessibility of the information from all layers of the traffic.

2.5.6 Allow web traffic that complies with Internet Policy of the Department and deny other traffic.

2.5.7 Block unsanctioned uniform resource locators, malware hiding in SSL.

2.5.8 Adaptive refresh caching that should perform at its peak even when cache is full.

2.5.9 Integrated web filtering with dynamic real time rating support for new websites.

2.5.10 Must offer antivirus scanning as separate appliance.

2.5.11 Powerful and comprehensive reporting is the key requirement for the Department.

- 2.5.12 Provide identity-based reporting and monitoring. The reporting solution should analyse comprehensive log files from proxy solution and offer predefined reports.
- 2.5.13 Beyond URL filtering, reporting should provide visibility to web content, performance, threats, and trending over defined time periods.
- 2.5.14 Strong user authentication, Web filtering, deep inspection of content for data loss or threats, inspection and validation of SSL traffic, content caching and traffic optimisation, bandwidth management, streaming media splitting and caching, method level controls per protocol.
- 2.5.15 Robust control of Streaming Media (file type blocking only) and Instant Messaging Web 2.0 mashed up content filtering
- 2.5.16 Inline threat analysis, true file type checks, compressed archive analysis, file and attachment filtering and proxy avoidance blocking
- 2.5.17 Web, mobile web, and native application and operation controls
- 2.5.18 Serve the entire scope of security gateway requirements, including throughput, connection rate and next generation security application enablement for all network deployments, from small office to data centre in a single appliance
- 2.5.19 Support gateway high availability and load sharing with state synchronization, HTTP & HTTPS proxy and DHCP, server and relay.
- 2.5.20 Autonomous threat prevention policy
- 2.5.21 Vendor must have an integrated Anti-Bot and Anti-Virus application on the next generation firewall
- 2.5.22 Anti-bot application must be able to detect and stop suspicious abnormal network behaviour, use a multi-tiered detection engine, which includes the reputation of IPs, URLs and DNS addresses and detect patterns of bot communications and be able to scan for BOT actions.

2.6 The solution must Support:

- 2.6.1 Detection & prevention of Cryptors & ransomware viruses and variants (e.g. Wannacry, Cryptlocker, CryptoWall) through use of static and/or dynamic analysis
- 2.6.2 Management console for the configuration of the devices, and it can be configured to only accept traffic from management console

2.7 Have a built in:

- 2.7.1 Network admission control system (NAC) that can be used to enforce security policies requiring devices to be compliant before accessing the network.
- 2.7.2 Real time threat intelligence from the cloud; this intelligence can be used to block known threats, as well as to identify new threats that are not yet known.

- 2.8 Three (3) Years, 24x7 Technical support and maintenance service level agreement.

3 PROJECT REQUIREMENTS

- 3.1 The proposal and project plan should clearly identify what documents and deliverables will be created in response to this Request for Proposal ("RFP"). The service provider's response should outline the methodology that will be used to develop the technical requirements.

- 3.2 The scope of the proposal must include, at a minimum, the following:
- 3.2.1 A description of the proposed methodology for the implementation of the firewall and the reporter system.
 - 3.2.2 A description of the service provider's experience in performing similar functions in comparable size and scope to this project.
 - 3.2.3 A description of key high-level tasks, specific deliverables, risks and assumptions.
 - 3.2.4 A project plan that includes timeframes associated with each deliverable.
 - 3.2.5 Team members expected to work on this project, identified by deliverable, role and the estimated number of hours schedule to work on the project
 - 3.2.6 A description of the project management methodology.

3.3 The pricing proposal must be itemised in terms of the following:

- 3.3.1 Appliance
- 3.3.2 Software including applicable licences
- 3.3.3 Design services
- 3.3.4 Installation Services
- 3.3.5 Three (3) Years maintenance, warranty, and 24x7 technical support

3.4 The service provider must provide an initial project plan where:

- 3.4.1 The initial Project plan must be refined by adding more details and establishing the Work Breakdown Structure ("WBS") for the project.
- 3.4.2 The WBS must include a breakdown of the tasks required to implement each feature and produce deliverable.
- 3.4.3 The project schedule may also be refined to account for this new level of detail, but the milestone delivery dates must still correspond to those dates identified in the initial project plan.

3.5 The service provider will:

- 3.5.1 Be required to provide status updates and an updated project plan to the Department. The project plan must show performance against a baseline and be supplemented by additional reports as needed.
- 3.5.2 Enter into a fixed price contract with the Department to perform the tasks outlined in this document.
- 3.5.3 Acknowledge that successful completion of this project shall include the delivery, design, configuration, installation, testing, and acceptance of the firewall and reporter.

3.6 Should changes in scope be required, the Department will be responsible for tracking any project changes and communicating with the service provider. All changes must be documented, and the price estimates must be agreed upon and approved by both the Department and the service provider prior to any actual change implementation.

3.7 Upon demonstration of the completion of successful testing and inspection by the service provider, the service provider shall perform the system cutover based on the approved schedule and plan.

3.8 If a major system failure occurs during the implementation period, the service provider shall remedy the problem in accordance with manufacturer's published specifications.

3.9 Project deliverables must include the following:

Deliverable	Media/Format
Project plan for implementation	Microsoft Project File (.mpp)
Solution design document including diagrams	Document
Quick reference / training material	Document
System administration and solution implementation knowledge transfer	Document/Shadowing/Training
Configuration document including diagrams	Document
3 Year 24X7 Technical support and maintenance service level agreement	Document

4. GENERAL REQUIREMENTS

- 4.1 All written deliverables must be phrased in a language that must be understood by non-subject matter experts.
- 4.2 If subcontracting is envisaged, the service provider must clearly indicate which parts of the work will be subcontracted. The service provider must accept full responsibility for any work that is subcontracted.
- 4.4 Where no subcontractor is given, it shall be assumed that the work shall be carried out directly by the service provider.
- 4.5 Should it transpire that the proposal submitted by the service provider is not acceptable; the Department may decide to reject the proposal.
- 4.6 Data created or collected from a third party on behalf of the Department by the service provider, as part of contract performance, shall become the property of the Department.
- 4.7 Data provided to the service provider by the Department shall remain the property of the Department. The service provider may not release or make use of such data except authorised in writing by the Department.
- 4.8 For any third-party software, as part of this project, the service provider must warrant to the Department that it has obtained all rights, licenses, permissions and authorisations necessary or incidental to any materials owned by third parties supplied or specified by it for incorporation in the project.
- 4.9 Said rights, licenses, permissions and authorisations necessary or incidental to any materials owned by third parties supplied or specified by it for incorporation in the project must be transferred to the Department at the completion of the project.

- 4.10 The service provider needs to provide assurance that personal information accessed during the project will be safeguarded and ensure compliance with POPIA Act.

5. TECHNICAL REQUIREMENTS

- 5.1 The solution should fit the business needs of the Department. The software should support Microsoft Windows 2019 R2, Microsoft Windows Server 2019 R2 Active Directory and Microsoft O365 environment as well as Microsoft Windows 11 or lower endpoints as well as integration with Group Policy where necessary.
- 5.2 A dedicated project manager must be assigned on the project. The project manager will provide a project plan in .mpp format with clear deliverables, resource assignment and milestone.
- 5.3 The service provider must have vast knowledge of network and security.
- 5.4 The service provider will be responsible for delivering and presenting solution document including Low level and High Level Design.
- 5.6 The service provider must be an authorised Next Generation Firewall Security Management Delivery Partner.
- 5.7 The service provider is responsible for the safe transporting of all components to the Pretoria office of the Department.
- 5.8 Unless otherwise specified, the Department will perform any necessary site preparation.
- 5.9 The service provider shall impart complete system administration training to officials of the Department. The training should include but not limited to configuration of the installed solution, monitor suspicious network activities and analyse attacks, troubleshoot network connections.

6. SUPPORT SERVICES

- 6.1 The service provider must provide 24x7 technical support and maintenance for three (3) years after commissioning the system.
- 6.2 The service provider shall provide warranty for appliances from the date of acceptance.

7. REPORTING

- 7.1 The service provider will report to the ICT Director on a weekly basis.

- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

(delete whichever is not applicable for this tender).

- a) The applicable preference point system for this tender is the **80/20** preference point system.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
(b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is

adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10
$Ps = 80 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right)$	or	$Ps = 90 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right)$

Where

- Ps = Points scored for price of tender under consideration
- Pt = Price of tender under consideration
- Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} 80/20 & \text{or} & 90/10 \\ Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right) & \text{or} & Ps = 90 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right) \end{array}$$

Where

- Ps = Points scored for price of tender under consideration
Pt = Price of tender under consideration
Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.)

Note to tenderers: The tenderer must indicate how they claim points for each

preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (90/10 system) (To be completed by the organ of state)	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (90/10 system) (To be completed by the tenderer)	Number of points claimed (80/20 system) (To be completed by the tenderer)

General Conditions of Contract

1. Definitions

1. The following terms shall be interpreted as indicated:
 - 1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
 - 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
 - 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
 - 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
 - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
 - 1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
 - 1.7 "Day" means calendar day.
 - 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
 - 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
 - 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
 - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the

RSA.

- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such

obligations of the supplier covered under the contract.

- 1.25 "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from www.treasury.gov.za

4. Standards

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

5. Use of contract documents and information; inspection.

- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

6. Patent rights

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

7. Performance security

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
 - (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - (b) a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or

analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;

- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take

such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract amendments

- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19. Assignment

- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the

supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any

person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

24. Anti-dumping and countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which
