As part of its agreement to host the SKA_MID part of the project, SARAO has agreed to provide the Science Processing Centre (SPC), which will include all the facilities required to house the computing hardware for the SKA1_MID Central Signal Processing (CSP), Science Data Processing (SDP), the SOC and new SARAO Headquarters, which forms part of the SKA_MID telescope. The SOC and new SARAO Headquarters will collectively be referred to as the Cape Town Operations Centre (CTOC), and the SPC and SRC will collectively be referred to as the High-Performance Computing Building (HPCB).
