Dear Valued Supplier

Please note that the tender **TEAP PROCESS FOR MANUFACTURING AND SUPPLY OF SMART METERS FOR ALL DISTRIBUTION CLUSTERS FOR A PERIOD OF 3 YEARS ON AN “AS AND WHEN” REQUIRED BASIS** is not restricted to Manufacturers/ OEM.

Eskom has been receiving several questions regarding the clarifications on who is eligible to tender, original equipment manufacturers (OEM’s) or the others and if the OEM’s can provide the goods to the parties who will be tendering.

Based on the questions received from potential suppliers the word Manufacturing has led to confusion of whether or OEM should tender. This addendum serves as clarification and confirmation that tender is open to all suppliers who will meet technical requirements and who will be able to provide technical field support for installed products for 10 years as per the Scope of Work (SOW).

- Closing date: 30/04/2024

Your Sincerely
