To whom it may concern

RE: E2305DXKZNOU – A supplementation process to appoint one (1) service provider for the provision of HVAC Systems Maintenance Services required for Property Management Department on an “as and when” required basis in the Central East Cluster – KwaZulu Natal Operating Unit for a period not exceeding 31 January 2030.

The following changes should be stated in the Invitation to Tender for Tender Enquiry No : **E2305DXKZNOU**

Current stipulation: refer page 3 of 66	Amended stipulation
There are 2 home centres i.e.: New Germany Area Office Mkondeni Area Office The service providers will be able to work across the operating unit and travelling costs will be calculated from either of the above home centres. The purpose of specifying home centres is to enable standardized calculations of travel cost and time, as well as to allow service providers to price more accurately based on their proximity to the home centres.	There is 1 home centre: (The PMB home centre has already been awarded) New Germany The service providers will be able to work across the operating unit and travelling costs will be calculated from the home centre. The purpose of specifying home centre is to enable standardized calculations of travel costs and time, as well as to allow service provider to price more accurately based on their proximity to the home centre.

Thank you.
