TAX REQUIREMENTS

It is a condition of bid that the taxes of the successful bidder must be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligation

It is therefore essential to ensure that the person conducting business with the state are tax compliant at the awarding of price quotations or competitive bids as no price quotation or competitive bid may be awarded to persons who are not tax compliant

National Treasury Regulation 16A9.1 (d) requires an Accounting Office and Accounting Officer to reject any bid from a supplier who fails to provide written proof from the South African Revenue Service that, that supplier either has no tax obligations or has made arrangements to meet outstanding tax obligations

The Central Supplier database and tax compliance status PIN are approved methods that will be utilized to verify tax compliance as the SARS does not issue Tax Clearance Certificates but has made an online provision available, via eFiling, for bidder to print their own TCC which they can submit with their bids or price quotations

Where the recommended bidder is not tax compliant, the bidder will be notified in writing of their non-compliance status and will be granted seven calendar days, the bidder must then provide the procuring entity with proof of its tax compliance status, which will be verified on CSD or eFiling.

The Accounting Officer and Accounting Authority will reject a bid submitted by the bidder if such a bidder fails to provide proof of tax compliance status in terms of above.

Bidders are required to indicate their eFiling pin number, for the purpose of Tax Clearance Certificate / or Tax Complaint status verification
