### 7.3 Price and Empowerment

Having completed a technical evaluation, the procedure for the evaluation of technically qualifying tenders is Method 2 (Price and Preferences). The Preference Point System assigns a score to each tenderer based on the tender price and on the tenderer’s BBBEE status. These scores are combined to determine an overall score for the tender. The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows :

- For tenders up to R50 million
  - 80 points are assigned to price
  - Up to 20 points are assigned to BBBEE status per the table under item 7.3.1
- Points scored will be rounded off to the nearest 2 decimal places

#### 7.3.1 Points awarded for BBBEE status level

Points will be awarded for empowerment (BBBEE), in accordance with the Preferential Procurement Regulations 2017 published in Government Gazette No. 40553 dated 20 January 2017. The table overleaf is applicable in this regard :

B-BBEE Status Level Of Contributor	Number of Points
	Tenders up to R50 million
1	20
2	18
3	14
4	12
5	8
6	6
7	4
8	2
<b>Non-Compliant contributor</b>	<b>0</b>

Notes :

- 7.3.1.1 “B-BBEE status level of contributor” means the B-BBEE status received by a measured entity based on its overall performance using the relevant scorecard contained in the Codes of Good Practice on Black Economic Empowerment, issued in terms of section 9(1) of the Broad-Based Black Economic Empowerment Act ( Act No.53 of 2003).
- 7.3.1.2 Tenderers must submit their original and valid B-BBEE status level verification certificate substantiating their B-BBEE rating. Certificates issued by either verification agencies accredited by the South African Accreditation System (SANAS) or by registered auditors approved by the Independent Regulatory Board for Auditors (IRBA) are acceptable. **FAILURE TO SUBMIT A BBEE STATUS LEVEL CERTIFICATE WILL RESULT IN THE BIDDER SCORING ZERO (0) POINTS FOR BBEE.**
- 7.3.1.3 An EME must submit a sworn affidavit confirming the following:
- Annual Turnover Revenue of R10 million or less; and
  - Level of Black ownership
  - Any misrepresentation in terms of bullet point above constitutes a criminal offence as set out in the B-BBEE Act as amended.
- 7.3.1.4 The submission of such certificates must comply with the requirements of instructions and guidelines issued by the National Treasury and be in accordance with notices published by the Department of Trade and Industry in the Government Gazette.
- 7.3.1.5 A trust, consortium or joint venture will qualify for points for their B-BBEE status level as a legal entity, provided that the entity submits their B-BBEE status level certificate.
- 7.3.1.6 A trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their consolidated B-BBEE scorecard as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate tender.
- 7.3.1.7 A person will not be awarded points for B-BBEE status level if it is indicated in the tender documents that such a tenderer intends sub-contracting more than 25% of the value of the contract to any other enterprise that does not qualify for at least the points that such a tenderer qualifies for.
- 7.3.1.8 A person awarded a contract will not be permitted to sub-contract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned.

7.3.2 Formula for scoring tender price

The following formula will be used to calculate the points for price.

$$P_s = X [1 - \frac{(P_t - P_{min})}{P_{min}}]$$

Where

$P_s$  = Points scored for comparative price of tender under consideration

$P_t$  = Comparative price of tender under consideration

$P_{min}$  = Comparative price of lowest acceptable tender

$X$  = **Points** assigned to price

### 7.3.3 The total preference points for a tender are calculated with the formula

$PP = P_s + P_{bee}$  Where

**PP** is the total number of preference points scored by the tenderer

**P<sub>s</sub>** is the points scored for the comparative price of the tenderer, and

**P<sub>bee</sub>** is the number of points awarded to the tenderer based on his certified B-BBEE status level

### 7.4 Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF) which enjoins the JDA to consider its risk exposure to contractors / service providers in terms of the number of contracts awarded to a single contractor / service provider in a particular year.

In terms of the Risk Tolerance Framework, the JDA determines the risk exposure as excessive in instances where the value of the contracts for **individual** professional service providers (eg. project managers / engineers / quantity surveyors / consultants) is either :

1. The greater of R8 million or four contracts / projects in the current financial year or
2. The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year)

And in instances where the value of contracts for **multi-disciplinary** professional service providers (eg. more than one discipline / service is provided by the same bidder) is either :

3. The greater of R12 million or six contracts / projects in the current financial year or
4. The greater of R20 million or nine contracts / projects over two financial years (current year and previous financial year)

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.
