

Dear Business Owner

In support of Eskom's commitment to government's local development and transformation agenda we would like to establish whether your company is eligible to do business with Eskom in future as part of the (BPLwD; BYO; BWO) designated group. As a state-owned company we are required to comply with all legislative and regulatory requirements. Hence we are requesting your assistance to complete the questions below to provide some indication of the state of readiness. Kindly note, that this is voluntary process and that any information shared shall be treated as confidential. This questionnaire is merely to provide information and will not guarantee any obligation.
