SBD 9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) **must** form part of all bids¹ invited. **Failure to fully complete this document and duly sign the declaration will result in your bid being disqualified.**
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

GOVERNMENT EMPLOYEES HOUSING SCHEME (GEHS)

TERMS AND REFERENCE

FOR

**THE APPOINTMENT OF A SERVICE PROVIDER
TO PROVIDE RESEARCH AND ADVISORY
SERVICES ON THE USE OF INDIVIDUAL
LINKED SAVINGS FACILITY (ILSF) FUNDS FOR
THE BENEFIT OF GOVERNMENT EMPLOYEES**

1 PURPOSE

- 1.1 The Department of Public Service and Administration (DPSA) seeks to appoint a service provider to provide research and advisory services regarding the use of Individual-linked Savings Facility (ILSF) funds for the benefit of government employees.

2 BACKGROUND

- 2.1 The Government Employees Housing Scheme (GEHS) was established in terms of the Public Service Coordinating Bargaining Council (PSCBC) Resolution 7 of 2015 in order to assist government employees to achieve home ownership. It was apparent during the establishment of the Scheme that many employees who received the housing allowance, as part of their conditions of employment, were finding it extremely difficult to access home loans to acquire homes without additional assistance. Others found it difficult to find houses within their affordability range in their preferred areas.
- 2.2 As a result, the GEHS was established with the aim of achieving the following objectives:
- To support, educate and advise employees on housing options and opportunities;
 - To enhance employees access to affordable housing;
 - To promote home ownership and facilitate asset security among employees;
 - To assist employees to rent houses with a view to buy and own homes; and
 - To assist employees to access affordable housing loans and finance.
- 2.3 The PSCBC expects the GEHS to assist employees to access affordable housing finance that would enable them to purchase houses. From the on-set the GEHS combined various finance solutions to help employees meet their housing finance requirements. These solutions included the housing allowances paid to employees who have applied, access to housing subsidies from the Department of Human Settlements, negotiated home loans from SA Home Loans and the use of savings that are saved on behalf of employees in the Individual-linked Savings Facility (ILSF). According to Resolution 7 of 2015, clause 4.5.6.4, accumulated savings shall only be held in an interest-bearing facility until such time as the employee is ready to access the funds for the purposes of acquiring home-ownership, building and improving a home.
- 2.4 With almost R12.2 billion saved in the ILSF, the GEHS has been advised to explore the possibility of utilising part of these funds to create more benefits and value for

government employees. With about R150 million deposited into the ILSF monthly, financial experts have indicated that the fund could be used as a revolving instrument that could simultaneously release savings to employees who are ready to purchase houses while at the same time being able to offer additional benefits that could enhance employees' housing needs.

- 2.5 It is against this background that the GEHS seeks to appoint a service provider to undertake research and advisory services on the use of ILSF funds for the benefit of government employees.

3 PROJECT OVERVIEW

- 3.1 Since the start of the GEHS in 2016, government employees have been assisted to access and utilise their housing allowances for the purpose of acquiring home ownership. By April 2021 a total of 716 833 employees were receiving the housing allowance for home ownership while 232 493 were receiving the housing allowance for rental. By May 2021, a total of R12.2 billion had been saved in the ILSF.
- 3.2 In 2016, the DPSA entered into a partnership protocol with the Public Investment Corporation (PIC) through which the Government Pension Fund (GEPF) invested in SA Home Loans for the latter to provide home loans to government employees. By May 2021, a total of 21 265 home loans were issued by SA Home Loans to the value of R12.2 billion.
- 3.3 In addition to the above, some qualifying employees are being assisted by the subsidies managed by the National Housing Finance Corporation (NHFC) of the Department of Human Settlements.
- 3.4 The combination of the above housing finance solutions is helping a number of government employees to enhance their opportunities to access home ownership.
- 3.5 The PSCBC Resolution 7 of 2015, empowers GEHS to, amongst others, manage the housing allowance of government employees. In line with the Resolution and the Determination on housing, employees who resign or are dismissed from the Public Service, forfeit the housing allowance. Since 2015 to July 2021, the accumulated forfeited funds are in excess of R600 million. The Minister for the Public Service and

Administration is empowered to determine how these forfeited funds shall be utilised or disbursed.

3.6 The ILSF fund with a value of approximately R12.2 billion presents an opportunity to explore options that could further enhance employees' access to housing finance and home ownership. Some of the major challenges for employees to access home ownership include, but are not limited to:

- Insufficient deposits to access home loans;
- High interest rates for home loans;
- Over-indebtedness;
- Unavailability of affordable housing stock within the affordability range of employees on salary levels 1 to 5;
- Unavailability of affordable housing in preferred locations;
- Lack of education on housing finance and housing opportunities;
- Unaffordable transfer costs, bond registration costs and other administration costs;
- Lack of serviced stands mostly in rural areas; and
- Increasing appetite amongst employees on salary levels 1 to 5 for non-mortgage home loans.

3.7 It is against this background that the GEHS seeks a service provider to provide research and advisory services on the possible use of the ILSF for the benefit of Government employees in a variety of areas as specified in item 3.6 above.
