

## **Detail Technical Evaluation Criteria: “Type 2 and type 3 asbestos work in the Gauteng Cluster”**

### **Additional information why this criteria was used**

#### **DEFINITIONS:**

In terms of the Asbestos Abatement Regulations as amended, 2020

The following terms are defined:

2.1 "Type 1 asbestos work" means—

- (a) Painting of asbestos cement products in a manner that does not require surface preparation and does not cause the release of asbestos fibres; or
- (b) The removal of less than 10 square metres of asbestos cement products or equivalent gutters and piping or asbestos insulating board, where removal work may not be repeated on the same site within a period of six months; and, does not require registration as a registered asbestos contractor with the chief inspector;

2.2 "Type 2 asbestos work" means—

- (a) The repair or encapsulation of asbestos cement products in a manner that does not require surface preparation; or
- (b) the removal of asbestos cement products or asbestos insulating board; and, requires registration as a type 2 registered asbestos contractor with the chief inspector;

2.3 "Type 3 asbestos work" means—

- (a) The removal, repair or encapsulation of any asbestos and asbestos-containing material; and, requires registration as a type 3 registered asbestos contractor with the chief inspector;

**In terms of criteria for registration as an Asbestos Contractor in accordance with the Asbestos Abatement Regulations of 2020;**

If more than one Asbestos Team will be utilized, a first aider and OHS Representative should be trained and appointed for each team.

	Factor	Weight (W)	Sub-factor	Scoring
1.	<b>Track Record: 35%</b> <ul style="list-style-type: none"> <li>Number and Value of related contracts (Asbestos Work) in the last five years; projects must have been done for government or corporate clients.</li> </ul>	10%	5 Contracts  6-9 Contracts  >10 Contracts	5 Contracts: 3,33%  6-9 Contracts: 6,66%  10 and more 10%
	<ul style="list-style-type: none"> <li>Minimum of three reference letters to be provided.</li> </ul>	10%	1-3 references  4-10 references  >10 references	3 refs – 3:3%  6-10 refs – 6,66%  10 or more 10%
	(i) Provide an organogram of the company/organization and specifically specify the Asbestos Team/s (ii) The organogram should depict descriptions for each position, name and identity number of asbestos workers.
