Dear Sir/Madam

Date: 15 November 2022

**WESTERN PROVINCE: INVITATION TO NATIONAL LOTTERIES COMMISSION
ENTERPRISE AND SUPPLIER DEVELOPMENT PROGRAMME 2022/23
FINANCIAL YEAR**

1. Enterprise and Supplier Development Background

- 1.1 The National Lotteries Commission (NLC) is a public entity established by Lotteries Act No. 57 of 1997 as amended to regulate the South African lotteries industry. The functions of the Commission can be divided into two (2) categories, namely “regulation of National Lottery and other Lotteries” and “administration of the National Lottery Distribution Trust Fund (NLDTF)”.
- 1.2 The NLC is committed to the transformation of the South African economy through the adoption of the Broad-Based Black Economic Empowerment (B-BBEE) Framework. It is this belief that drives the NLC philosophy behind sustainable procurement practices related to Enterprise and Supplier Development (ESD). For the financial year 2022/23, the NLC through SCM would like to partner with SMMEs companies through the ESD initiative in Western Cape
- 1.3 The invitation is towards ESD, and the process entails working collaboratively with suppliers to improve or expand their capabilities. The ESD involves embracing supplier expertise and aligning its business needs towards empowerment. The NLC is in a process of identifying at least 2 possible ESD beneficiaries in the Western Cape Provinces. The target appointment of ESD Beneficiaries in Western Cape Provinces as indicated in the above paragraph is as follows:

ESD Initiative	Western Cape Province
Enterprise Development	1
Supplier Development	1

1.4 ESD Applicants are required to apply for the ESD Direct Support for not more than R 250 000.00 (Vat Inclusive) on each Initiative in the respective Provinces.

1.5 Where deem necessary and possible, the NLC may split the direct support to more than the targeted number as indicated in the table provided in paragraph 1.3 above.

2. The aim for the Enterprise and Supplier Development Programme

The aim of the ESD is to increase the participation of black-owned Small, Medium and Micro Enterprises (SMMEs) within Supply Chain Management (SCM) and in the wider economy through our innovative ESD Programme.

3. Enterprise and Supplier Development Objectives

- 3.1 Involve suppliers in entrepreneurial upliftment.
- 3.2 Contribute to the sustainability of SMME's.
- 3.3 To fast-track existing SMMEs that exhibit good potential for growth into the mainstream economy.
- 3.4 To grow black-owned enterprises by fostering linkages between black SMMEs and corporate and public sector enterprises.
- 3.4 To complement current affirmative procurement and outsourcing initiatives of corporate and public sector enterprises.
- 3.5 To enhance the capacity of ESD recipient enterprises to successfully compete for corporate and public sector tenders and outsourcing opportunities.
