TERMS OF REFERENCE FOR THE APPOINTMENT OF A PROFESSIONAL SERVICE PROVIDER TO DEVELOP QUMBU AND TSOLO MASTER AND PRECINCT PLANS

1. PURPOSE

The purpose of these terms of reference is to invite a suitable and competent service provider to develop Qumbu and Tsolo Master and Precinct Plans for the Eastern Cape Department of Cooperative Governance and Traditional Affairs (ECCOGTA).

2. BACKGROUND

The majority of small towns within the Eastern Cape Province were planned to benefit a few select citizens and later affected by disinvestment that emanated from the previous apartheid system. This disinvestment consequently resulted in old, overloaded, and collapsing infrastructure, which is becoming more constrained by in - migration within these small towns. Furthermore, these towns are characterised by skills deficit as well as low levels of economic development and inability to serve as catalysts for regional economic development.

COGTA developed a provincial small-town development framework in 2019 to address the development challenges faced by small towns through advocating for a concerted public sector led and private sector driven spatial transformation of small towns. The framework was approved by the Provincial Executive Council (EXCO) at the end of August 2020.

The development of Qumbu and Tsolo Master and Precinct Plan seeks to implement the small-town development framework. Qumbu is the administrative hub and commercial service centre for Mhlontlo Local Municipality whilst Tsolo provides commercial, agricultural as well as limited retail and tourism activities. Both towns are situated along the N2 which functions as a strategic transport corridor endowed with forestry as well as natural features such as rivers and estuaries. The project will commence on the 01 October 2023 and be finalised by 31 May 2024.

3. OBJECTIVES OF THE PRECINCT PLAN

Objectives of the project are as follows:

- To improve the current condition and image of the Qumbu and Tsolo towns.
- To support service delivery through spatial reconfiguration and infrastructure investments.
- To lobby for blended funding options through fostering public private partnerships.
- To foster and promote partnerships for the enhancement of cooperative development initiatives.
- To assist the municipality, identify suitable areas for economic initiatives, allocation for street hawkers, pedestrian walkways, reduction of traffic congestion in the CBD's and a proper linkage between the CBD and the townships.
