INTRODUCTION

The KwaZulu-Natal Film Commission (KZNFC) as established under the KwaZulu-Natal Film Commission Act, 2010. The KZNFC has been established to promote the film industry in the province, and has as part of its objectives:

- To promote and market the province as a global destination for film production;
- To develop, promote and market, locally and internationally, the film industry in the province;
- To facilitate investment in the film industry in the province;
- To provide and encourage the provision of opportunities for persons, especially from disadvantaged communities, to enter and participate in the film industry in the province;
- To address historical imbalances in the infrastructure and in the distribution of skills and resources in the film industry in the province; and
- To contribute to an enabling environment for job creation in the film industry in the province.

1. THE OBJECTIVE OF THE PROJECT IS:

The function of the Facilities and Maintenance panel is to ensure that the infrastructure within KZNFC is well functioning to serve and support the mandate of KZNFC. This call will ensure that Kwa – Zulu Natal Film Commission have a panel of service providers for essential services, with immediate accessibility in case of an emergency for the period of sixteen (16) months.

2. SCOPE

This document/ procedure will cover the following work to be carried out at Kwa – Zulu Natal Film Commission:

- i) **Electrician:** replacing tubes/bulbs/lights, wiring, faulty finding, etc.
- ii) **Plumbing:** fixing burst pipes, water leaks, releasing blockages, faulty findings, etc.
- iii) **Air conditioning:** installations of news units, fixing air conditioning, refilling guess, servicing, faulty findings, etc.
- iv) **Security systems/ Access Control Systems/ CCTV cameras:** fixing and installation of access control systems, cameras, unlocking jammed electric doors, faulty findings, etc.
- v) **Fire Equipment Services:** replace and service fire equipment. provide emergency evacuation plans.
- vi) **General maintenance:** this will cover general maintenance related issues, from fixing or replacing office doors, windows, floors, walls, partitioning, etc.
- vii) **Pest control services:** pest control treatment and fumigation.
- Viii) **Sound/ Audio visual:** To render services relating to sound and audio visual.

3. PROJECT ALLOCATION AND COST

There will be different panels for different section of all maintenance work that is deemed essential to the Kwa–Zulu Natal Film Commission.

In a case of immediate attendance to the matter, which will be deemed as harmful to human life; damage organisational property or prevent employees from carrying out their work properly. A contractor in a particular panel can be appointed to fix the problem without requesting for all contactors in that section panel to quote on the job to be done, however this process will be rotated amongst contractors within that panel for fairness purposes. The value will determine this rotation.

In a case where the scope of work is not of emergency as the above-mentioned job, all contractors within that particular panel will be requested to quote as per SCM requirements and the selection will be based on the price and preference.

NB: For specialised services such as security systems and sound/ audio visuals there will be only be one service provider in a panel due to the nature of services required.

KZNFC may add onto an existing panel every six (6) months should the need arise.
