### BID NO 38/2022 (Re-invite) – LUTZVILLE: WELGEDACHT BOERDERY: CONSTRUCTION OF SHADENET STRUCTURE

**This document is not for sale. Any entity that requests payment must be reported at the contact person indicated in this tender.**

#### GENERAL REQUIREMENTS

The works, as described, are required at Welgedacht Boerderij which is situated approximately 2km South-East from Lutzville. The quoted amount will be a lump sum bid and must include material, labour, and machinery. The successful bidder must have the capacity to start the works within 7 (seven) days of appointment. GPS coordinates 33°36'06,43"S and 18°33'11,26"E.

The Contractor must also have capacity on site on a daily basis to operate a dumpy level successfully, to peg out and control construction levels and have suitable experience in the construction of groyne structures.

#### Conditions that may pose a risk:

Clayish ground conditions can be expected and the construction site is situated on a slope from North to South approximately 4 metres and from West to East approximately 500mm.

Security for materials and equipment must be supplied. The Contractor must put all necessary precautions in place to work under these conditions and prepare the site with the correct falls.

#### The scope of works will include:

1. Levelling of the site
2. The removal of vegetation where the shade-net is to be constructed
3. Construction of a 144 x 144 metre shade net structure as indicated on the drawings
