Tenderer's details	
---------------------------	--

Section 1: Pre-qualification Criteria for Preferential Procurement

N/A

Section 2: Local Production and Local Content

2.1 Designated Sectors

N/A

Section 3: SD&L Undertaking

Tenderers who complete and submit the undertaking as required, but who do not meet Eskom's targets, will not be disqualified. SD&L undertakings do not form part of scoring but commitments will form part of contractual obligations

Eskom reserves the right to negotiate with the tenderer on these requirements. The outcome of the negotiations will be a contractual obligation. If negotiations are not required, the tenderer's SD&L undertaking will also become a contractual obligation.

1. Job Opportunities

Tenderer to indicate number of Jobs to be created and/or retained from this contract;

Number of Jobs to be created	Number of Jobs to be retained

Tenderer to also provide breakdown of jobs to be created and/or retained in this table:

Category	Jobs to be created
Management	
Expert Skills	
Skilled workers	
Semi-skilled	
Unskilled	
Total

2. B-BBEE Requirements

Tenderers will be required to maintain or improve their B-BBEE Recognition Level for the duration of the contract.

3. Local Procurement Content

Local Procurement Content” refers to value added in South Africa by South African resources. Where a single contract involves a combination of local and imported goods and/or services, the tender response must be separated into its components as per the Price Schedule included with the tender documents. Local procurement content is total spending minus the imported component.

Local Procurement Content	Eskom Target	Tenderer Proposal
	100%	

4. Skills Development

The purpose of Skills Development is to achieve economic growth and social development that will enrich the creation of decent work and sustainable livelihoods for all South Africans. This requirement ensures that participating Suppliers commit to train certain individuals in specified trades.

Skills development forms part of the contract’s deliverables for this scope.

For this transaction, participating tenderers are encouraged to train Junior engineers or assist candidates to further their studies. Tenderers can propose in the table below:

Eskom’s requirement / Category	Tenderer’s proposal			Tenderer’s comment (if any)
	Skills type	Proposed Trade / Organising Framework for Occupations (OFO) to be specified	Number proposed by tenderer	
The following level of skills are to be developed: <ul style="list-style-type: none"> • Piping Designing • Hydraulic Designing • Seismic piping & civil • Design of civil structures, including reinforced concrete and structural steel. • Design of underground pipelines • Design of mobile diesel driven water pumps assemblies • Project Management • Contract Management

Section 4: Market Research

The following information demonstrates market analysis and assisted in arriving at the targets above.	
<u>Current Suppliers Providing the Services</u>	<u>Potential Suppliers</u> The tender will be advertised

Section 5: Reporting and Monitoring

The suppliers shall on a quarterly basis submit a report to Eskom in accordance with Data Collection Template on their compliance with the SD& L obligations described above.

Eskom shall review the SD&L reports submitted by the suppliers within 60 (sixty) days of receipt of the reports and notify the suppliers in writing if their SD&L obligations have not been met.

Upon notification by Eskom that the suppliers have not met their SD&L obligations, the suppliers shall be required to implement corrective measures to meet those SD&L obligations before the commencement of the following report, failing which Retention clauses shall be invoked

Preferably, every bid should be accompanied by the draft SD&L Implementation Schedule. The successful bidder will be required to submit the completed Implementation plan and return to SD&L representative for acceptance 28 days after contract award. This will be used as a reference document for monitoring, measuring and reporting on the supplier's progress in delivering on their stated SD&L commitments.
