

Date: 24 August 2026

Address : All potential Bidders

Dear/Madam

RE: ADDENDUM NO. 01

Tender Number: T01-2027

Tender Title: The Establishment of a panel of Professional Service Providers (Civil/ Structural Engineers, Geotechnical Engineers, Town Planners, Land Surveyors, Environmental Practitioners, Architects, Project Managers, Business Planning and Economic Development Specialists and Social Facilitation and Stakeholder Engagement Specialists) for Catalytic Projects within the iLembe District Area, on behalf of Enterprise iLembe, for a Period of 36 Months.

Issue Date: 24 August 2026

SUBJECT: AMENDMENT OF ELIGIBILITY REQUIREMENTS – GEOTECHNICAL, ENVIRONMENT & ARCHTECTURE DISCIPLINES

Enterprise iLembe hereby issues this Addendum to clarify and amend the eligibility requirements contained in the tender documentation. This Addendum forms an integral part of the Tender Document and must be read in conjunction with all other tender documents.

Following requests for clarification received from prospective bidders and upon review of the tender documentation, Enterprise iLembe has noted and hereby issue this addendum No.01

To ensure fair competition, broaden participation by suitably qualified professionals, and align the tender requirements with applicable South African legislation and accepted industry practice, the eligibility requirements are hereby amended as follows:-

Amendment

AMENDED DESCRIPTION AND REQUIREMENT

The lead professional responsible for the geotechnical services shall be professionally registered with either:

- the **Engineering Council of South Africa (ECSA)** as an appropriately registered Professional Engineer or Professional Engineering Technologist (or other relevant professional category); or
- the **South African Council for Natural Scientific Professions (SACNASP)** as a Professional Natural Scientist in an appropriate field, including Engineering Geology or an equivalent discipline relevant to the scope of the geotechnical services.
- The eligibility requirements for the **Geotechnical** discipline currently recognize only professional registration with the **Engineering Council of South Africa (ECSA)**.
- Discrepancy in the Tender regarding registration council for the Environment Practitioner. On pages 7 and 12 of the Tender Document, the registration council is referring to as EPC & EAPSA
- Architect Category the registration council is SACAP

The appointed professional must be legally registered and competent to undertake the geotechnical investigations and related services required under the scope of work.

All other tender conditions, eligibility requirements, specifications, and submission requirements remain unchanged.

Prospective bidders are requested to acknowledge receipt of this Addendum and incorporate its contents into their tender submissions.

Enterprise iLembe appreciates the interest shown by prospective bidders and thanks stakeholders for bringing this matter to our attention. The amendment has been made to ensure transparency, fairness, and equal opportunity for all suitably qualified and legally registered professionals.

Yours Sincerely

Mr Siyabonga Mazibuko
Chief Executive Officer
