

30 SEPTEMBER 2026

GNP-005-26: APPOINTMENT OF A SERVICE PROVIDER TO FACILITATE THE RISK SURVEY AND ASSESSMENT PROCESS FOR VISION 2040

Notice is hereby given to all prospective service providers/bidders/tenderers that wishes to submit the bid for the above-mentioned bid.

Following the publication of the RFQ on the 14th of September 2026, SANParks reconsidered the issues raised by the bidders and in an effort to enable all the bidders to submit their RFQ, clarity is provided below as follows:

ERRATUM 1 – CLARIFICATION ON PHYSICAL WORKSHOP COSTS

Reference: Section 3.5.2 – Physical Workshop Requirements (Page 11)

Question: How should bidders determine and quote for workshop-related costs, particularly participant transport and venue costs, when the exact locations and travel distances are not yet confirmed?

SANParks Response:

Bidders are required to provide reasonable cost estimates based on the geographical areas, stakeholder groups and workshop requirements outlined in the tender document. Bidders must identify suitable venues and estimate all associated costs, including participant transport.

The responsibility for accurate cost estimation rests with the bidder. During project implementation, SANParks will reimburse actual, substantiated costs incurred, limited to the amounts quoted in the successful bid, whichever is lower. Any costs exceeding the quoted amounts will be for the service provider's account.

ERRATUM 2 – CLARIFICATION ON IRMSA COMPANY MEMBERSHIP REQUIREMENT

Reference: Phase 1 – Mandatory Evaluation Criteria: Company Membership with the Institute of Risk Management South Africa (IRMSA), page 14.

Question: Where a bidder intends to participate through a Joint Venture (JV) or subcontracting arrangement, will an IRMSA membership certificate submitted by a JV partner or subcontracted party be accepted for purposes of meeting the

mandatory requirement?

SANParks Response:

Yes. The required IRMSA membership certificate may be submitted by **the bidder, any partner to a Joint Venture (JV), or a subcontracted party**, provided that, in the case of a JV or subcontracting arrangement, a **signed agreement between the relevant parties is submitted with the bid**.

The agreement must clearly demonstrate the participation of the IRMSA-certified entity in the execution of the services under this tender.

Further clarity on Joint Venture requirement:

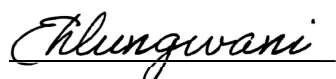

Where a JV/Consortium is formed for purposes of this bid, bidders must ensure that the submission complies with the applicable SCM and tender requirements. This should include, where applicable, a **signed JV/Consortium agreement**, identification of the **lead partner and authorised representative**, and the required compliance documentation for the parties forming the JV/Consortium. For preference-point purposes, the JV/Consortium should submit the **applicable B-BBEE evidence for the JV/Consortium arrangement** in accordance with the requirements of SBD 6.1 and the applicable procurement prescripts. The tender specifically requires submission of SBD 6.1 for preference points and also requires CSD registration.

ERRATUM 3 – EXTENSION OF BID CLOSING DATE

Extension of Bid Closing Date:

To allow bidders sufficient time to undertake the necessary research and due diligence, prepare quality bid submissions, and develop reasonable and informed cost estimates, **SANParks has extended the bid closing date by two weeks to 30 October 2026 at 11:00.**

For any further information, kindly contact the Supply Chain Management Unit at (012) 426 5243
