

INVITATION TO TENDER NOTICE

CONTRACT NUMBER: CDC/371/23

REPAIRS, RENOVATIONS AND CONSTRUCTION OF NEW EDUCATIONAL FACILITIES AT LAMPLOUGH SENIOR SECONDARY SCHOOL

The Coega Development Corporation's (CDC's) strategic intent is to drive and support socio-economic development through its activities as the developer and operator of the Coega Special Economic Zone (SEZ) and in providing Implementing Agency (IA) Services to National, Provincial and Local Government and State-owned Entities. Its appointment by the Transnet SOC LTD to provide IA Services on the development of the New Manganese Export Terminal at the Port of Ngqura is in line with this strategic intent. The Coega Development Corporation (CDC) is headquartered in the City of Gqeberha, Nelson Mandela Bay Municipality, South Africa, with a strategic operational footprint in South Africa and beyond the borders in the African continent. The CDC's vision is to be the leading catalyst for the championing of socio-economic development. This it seeks to achieve through the development and operation of the 9003-hectare Coega Special Economic Zone (SEZ), a transshipment hub and a leading investment destination in Africa, providing highly skilled competence and capacity for the execution of quality complex infrastructure and related projects throughout South Africa and selected markets on the African continent, and advisory on the development of industrialization and logistics zones. The CDC's advanced capabilities are successful enablers in economic zone development and management, real assets management, infrastructure planning and development for National, Provincial, Local Government Departments and State-owned Entities, technology integration while realising related socio-economic impact areas such as skills and SMME development. The foundational culture of the CDC's approach, backed by core values, is innovation and continuous improvement. The Eastern Cape Department of Education (DoE) together with Department of Roads and Public Works appointed the Coega Development Corporation (CDC) as an implementing Agent (IA) to assist in rolling out the construction of infrastructure projects in the Eastern Cape Province. The Programme is seen against the background of inadequate and poor physical infrastructure in the schools and the Government's aspiration to bring all schools in the Province to an adequate standard to ensure that the facilities are conducive for effective teaching and learning.
