Dear Mr Croucamp

**APPROVAL: ENVIRONMENTAL MANAGEMENT PLAN: BERG WATER PROJECT**

I refer to your letter dated 3 August 2003 with regard to the above-mentioned issue.

This department and the Western Cape Department of Environmental Affairs and Development Planning have evaluated the environmental management plan (EMP) dated July 2003 that was submitted to this department for acceptance. The department have decided to approve the EMP for the Berg Water Project subject to the following conditions:

- That the EMP may be altered, where independent monitoring and auditing of the project show this to be beneficial. Any alterations to the final EMP shall be subject to approval by the relevant authorities.
- That all information and plans regarding the EMP be shared with the EMC and that their questions be addressed on request.

Yours sincerely

  
m DIRECTOR-GENERAL
