## **APPOINTMENT OF A LAND SURVEYOR FOR KYA SANDS TOWNSHIP ESTABLISHMENT IN THE CITY OF JOHANNESBURG METROPOLITAN MUNICIPALITY FOR 1 MONTH.**

### **1. Purpose**

To outline the procurement process and obtain approval for the appointment of Consultants for Land Surveying to oversee the following Items: a) the land surveyor certificate b) peg and prepare diagram for servitude c) peg and amend general plan for Kya-Sand Ext 113 with the inclusion of Holding 13 Trevallyn AH for township establishment as approved by the City of Johannesburg Land Use Department for Kya Sands township establishment and rezoning application for Holding 13 Trevallyn.

The said appointment is in accordance with the Johannesburg Development Agency's (JDA's) Supply Chain Management's policies and Municipal prescribed practices.

### **2. BACKGROUND**

In terms of the City of Johannesburg Land Use Scheme, 2018, Holding 13 Trevallyn AH is currently zoned "Agricultural" and is registered at the Pretoria Deeds office as an Agricultural Holding in terms of Agricultural Holdings Registration Act, 22 of 1919. In order to obtain the necessary land use rights for the taxi holding area, it will be necessary to establish a township on the property and to excise the agricultural holding back to a farm portion in order to remove the title conditions related to the agricultural holding. Application has been made to the City of Johannesburg for the extension of the boundaries of Kya Sand Extension 113 by including that land which is Holding 13 Trevallyn AH. The new erf to be zoned "Municipal" allowing for municipal purposes and transport facilities. These above primary rights are defined in terms of the City of Johannesburg Land Use Scheme, 2018 as follows:

**Municipal Purposes:** Such purposes as the municipality may be authorized to carry out in terms of its powers and functions and shall include all municipal land uses as well as such uses as sewerage works and reservoirs and their related buildings.

**Transport Facilities:** Means a transport undertaking based on the provision of a transport service and includes a public private undertaking such as an airport or aerodrome, helistop and heliport; railway purposes, stations and related facilities; bus depot, termini and related facilities; metered and minibus taxi rank and related facilities; intermodal transfer site; and associated ancillary purposes including convenience shops, ancillary offices, customs, restaurants, security and police functions, medical facilities.

The City of Johannesburg’s Department of Development Planning does not allow for the excision and rezoning of an agricultural holding. It is thus necessary to establish a township on the land in order to obtain the necessary land use rights for the taxi holding area.

In terms of the Land Surveyor Act 1997 (Act 8 of 1997), a township must consist of more than one piece of land or erf. As this taxi holding facility is to be a single use on one property, it will complicate matters by creating more than one erf. It was therefore recommended instead that the boundaries of the neighbouring township being Kya Sands Extension 113, be extended to include Holding 13 Trevallyn AH. This land will then be an erf within Kya Sands Extension 113. The township will be approved subject to the property being excised back to a farm portion by the office of the Surveyor General.

The greater of R8 million or four contracts / projects in the current financial year or  
The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year)`
