1.2 To be completed by the organ of state

(delete whichever is not applicable for this tender).

- a) The applicable preference point system for this tender is the 90/10 preference point system.
- b) The applicable preference point system for this tender is the 80/20 preference point system.
- c) Either the 90/10 or 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.
- 1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:
 - (a) Price; and
 - (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. **DEFINITIONS**

- (a) "tender" means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations. competitive tendering process or any other method envisaged in legislation:
- (b) "price" means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) "rand value" means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes:
- (d) "tender for income-generating contracts" means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions: and
- (e) "the Act" means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

80/20

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

or

$$Ps = 80\left(1 - rac{Pt - P\,min}{P\,min}
ight)$$
 or $Ps = 90\left(1 - rac{Pt - P\,min}{P\,min}
ight)$ Where

Ps Points scored for price of tender under consideration

Pt = Price of tender under consideration Pmin = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$Ps = 80\left(1 + rac{Pt-P\,max}{P\,max}
ight)$$
 or $Ps = 90\left(1 + rac{Pt-P\,max}{P\,max}
ight)$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
 - (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

NB. Completed Bid Documents must be deposited at one of the following Campuses addresses.

ADDRESS	CLOSING DATE	TIME
NLSA Pretoria Campus, No 75 Thabo Sehume Street, or 228 Johannes Ramokhoase Street, PTA CBD.	27 SEPTEMBER 2023	11H00

1. ASSIGNMENT OBJECTIVE

The objective of the assignment is to appoint an experienced and fully qualified professional service provider to provide a comprehensive Facilities Management to the NLSA's three sites in Pretoria and Cape Town for a period of three years.

2. BACKGROUND

The NLSA is an institution established by the government of South Africa as an agency of the National Department of Sport, Arts and Culture. The NLSA is a world class African National Library and Information hub. It is responsible for collecting, recording, preserving and making available, the national documentary heritage of South Africa. It promotes awareness, appreciation and access to published documents, nationally and internationally, and in so doing, contributes to the development and prosperity of South Africa.

3. SCOPE OF WORK

The proposal in response to the below scope of work must be in line with Construction Industry Development Board (CIDB) prescripts.

- The revision of developed maintenance plans, for each of the NLSA facilities. The maintenance plans must be based on the results of the basic condition assessment.
- The development of the lifecycle plans of each individual facility of the NLSA.
- The development of the single point of contact for reporting, maintenance break down issues, dispatching maintenance response, and tracking of the executing of maintenance orders in terms of completeness and quality.
- The development of the comprehensive FM service plan and its implementation over the full contract period.
- Monthly and Quarterly reporting on FM services in terms of implementation and financial progress against the developed FM and maintenance plans.
- Upon assessment of an equipment or an asset the bidder will be required to replace minor parts of a component.
- In the event there is a need to replace entire component or equipment, an approval must be sought from the NLSA, in line with Asset Management Policy.

Page 2 of 15

3.1 Work Plan (Project Plan)

The bidder will be required to develop a work plan that addresses all the tasks listed below and assign timelines for conclusion of each task. These must be presented in the form of a quarterly work plan that will be reviewed by the project manager and approved by the NLSA. The various levels of support will in all probability be conducted concurrently and not necessarily sequentially and this must be reflected in the work plan.

3.2 Functions to be performed.

The following functions will be performed by the bidder throughout the duration of the appointment:

3.2.1 Update the Immovable Asset Register

The existing Asset Register shall be updated through a thorough audit of all the facilities the NLSA makes use of in the provision of its approved programmes. The audit must strictly follow the existing User Asset Management Plan (UAMP) prescripts as required by the Government Immovable Asset Management Act (GIAMA).

At the conclusion of this task the fully developed IAR for the NLSA shall be delivered in hard and soft copy for record purposes. The veracity of the information captured in the IAR shall be confirmed by the Facilities Management Unit of the NLSA through various means prior to approving the developed IAR. This task will only be considered completed once approval of the updated IAR has been fully secured by the bidder.

It must be noted that approval of the IAR per facility should be sought by the bidder on an as and when required/completed basis. This will allow for the next tasks to commence, as the condition assessments on immovable assets can only be conducted on assets confirmed to be part of the approved IAR.

3.2.2 Review Existing Maintenance Plans

The review of the individual maintenance plans, for each of the NLSA facilities must be based on the results of the condition assessment. The maintenance plan should support the development vision of the NLSA, the required level service of each facility, facilitate prudent technical and financial decision-making. The plan will also demonstrate to funding agents and other stakeholders the NLSA's ability to effectively manage its existing and proposed new infrastructure. The plans must include the following:

- Infrastructure Facility Identification, Description, Location and User.
- Responsible Facility Manager and contact information.

Page 3 of 15

 Identified maintenance needs and their estimated budget requirements according to the following different categories:

Planned Maintenance

- Preventative/Routine Maintenance, which may include but not limited to; servicing of air conditioners; routine maintenance of lifts and fire equipment, regular checking of sewerage pipe leaks, water proofing of old roofing, replacement of light bulbs, water pipes, leaking taps.
- Major Scheduled Maintenance.
- Condition Based Maintenance.
- Backlog Maintenance.
- Statutory Maintenance (e.g. Lifts and Fire equipment); and
- Periodic Maintenance.
- Day to Day Maintenance
 - Emergency Maintenance.
 - Minor Repairs: and
 - Minor New Works.

3.2.3 Development of Life-Cycle Plans

The bidder will be expected to develop facility specific life-cycle plans for the planned useful life of the facility or a minimum 30-year horizon. The life-cycle plans are to include the following:

- Planned facility component refurbishment programme.
- Planned facility component reconfiguration programme.
- Planned facility component renovation programme.
- Planned facility component upgrade programme.
- Planned facility component disposal programme; and
- The corresponding estimated costs for each of the above plans projected over the 30-year planning horizon.

Page 4 of 15

3.2.4 Development of a FM Service Plan and Implementation

The development of a comprehensive FM Service Plan by the bidder will immediately follow the approval and acceptance by the NLSA of all the above-mentioned plans. This is to ensure that the FM Service Plan fully addresses all the requirements of each of the stipulated plans. The FM Service Plan will therefore serve to bring all the services that will be rendered by the service provider under one plan spanning the duration of the assignment. The FM Service Plan must address the **how, when and by whom** in terms of the following:

- Sourcing of the maintenance issue inspections once a maintenance issue call has been logged.
- Establishing a relevant maintenance database of required maintenance service providers in conjunction with the NLSA.
- Issuing maintenance calls for quotations, evaluating and appointing service providers / contractors in conjunction with NLSA.
- Issuing works orders, tracking performance in execution, verifying the work done and assuring quality
 of service. Final approval of work done will be by the NLSA's Infrastructure Project Leader.
- Closing out maintenance issue calls and documenting the works done.
- Allocating all facilities management and/or maintenance work done to the correct infrastructure asset.
- Updating the asset register accordingly where necessary in terms of major maintenance work completed especially where the work affects the useful life of the asset or its replacement value.
- Maintaining statistics on the maintenance trends in terms of frequency, costs, scale, etc, for reporting;
 and
- Providing monthly and quarterly reports on FM Services provided with corresponding financials and statistics.

3.2.5 Establishing the on-site Facility Management Contact Centre

The bidder will be expected to establish an NLSA dedicated Facilities Management Contact Centre to manage the following on behalf of the NLSA:

- Provide one point of contact for all maintenance and facility management queries and information access.
- Receive all maintenance issue call loggings.
- Provide feedback to the caller on the status of their maintenance issue response; and
- Confirm the original caller's satisfaction upon completion of the maintenance issue response.

Page 5 or 15

3.2.6 Information Management System

The bidder will be expected to make use of an information management system in rendering the FM Service. The system should assist to run the entire service but mainly assist in the management and execution of the following processes during implementation:

- Capturing and maintenance of the NLSA asset register.
- Capturing and maintenance of the condition assessment reports linked to each asset in the register.
- Capturing and administration of the maintenance plans and tracking the progress of their implementation.
- Capturing and administration of the life-cyce plans and tracking the progress of their implementation.
- Managing all the services of the contact centre electronically.
- Managing the implementation of the rest of the FM services electronically including providing updated reports timeously and in different configurations as may be required by NLSA and other stakeholders.

3.3 CIDB Prescripts

• The bidder should be able to demonstrate how CIDB requirements will be applied in the implementation of the project.

4. REQUIRED EXPERTISE, QUALIFICATIONS AND EXPRIENCE

A bidder for this assignment should demonstrate the following:

- Professionally Registered Key Team Members with 5 to 10 years-built environment experience in the following disciplines:
 - Architect
 - Quantity Surveyor
 - Civil Engineer
 - Mechanical Engineer
 - Heritage Assets specialist
 - Electrical Engineer
 - Structural Engineer

Page 6 of 15

- Project Management
- Company experience on similar projects with contactable references.
- Good knowledge of the PFMA.
- Good knowledge of infrastructure planning and GIAMA.
- Experience in infrastructure planning, budgeting, designing, managing and administration of projects and programmes, including human, technical and financial aspects of public sector projects.
- Good understanding of and the ability to implement programme management tools and practices;
 and
- Good communication, facilitation and leadership skills and the ability to influence people.

Bidders must reflect the above in the form of a proposal to execute the assignment detailed in these TOR with a clear and articulate approach and methodology.

5. TIMEFRAMES

The appointed bidder will be expected to attend a detailed project briefing with the NLSA Management soon after appointment. Following the briefing the winning bidder will be expected to produce a detailed work plan reflecting all the tasks necessary to complete the assignment and the corresponding timeframes. The assignment period of the envisaged bidder will be in line with the required period to complete the implementation of the project.

The performance of the appointed bidder will be reviewed monthly, quarterly and annually based on the approved work plan of the service provider. Should performance be below the required standard according to the work plan, or should project funds not be available, the contract may be terminated through written notification. Adequate opportunity to improve performance will be provided to the bidder through written notices of poor performance.

The appointed bidder is to submit a close-out report in the format provided by the NLSA and all other developed documentation, 20 working days before the last day of the assignment.

On appointment, the bidder is to liaise with the NLSA to agree on the date for submission of the work-plan.

6. ACCOUNTABILITY

The bidder will be accountable to and under the direction of the NLSA designated official in the performance of the assignment duties.

- 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.

- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 "Written" or "in writing" means handwritten in ink or any form of electronic or mechanical writing.

2. Application

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

3. General

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.

19. 18.1 No variation in or modification of the terms of the contract shall be amendments made except by written amendment signed by the parties concerned.

20. Assignment

21. 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

22. Subcontracts

- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.
- 23. Delays in the 21.1 Delivery of the goods and performance of services shall be made by supplier's the supplier in accordance with the time schedule prescribed by the performance purchaser in the contract.
 - 23.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
 - 23.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.

- 23.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 23.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 23.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.
- 24. Penalties 22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.
- 25. Termination 23.1 The purchaser, without prejudice to any other remedy for breach of for default contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
 - (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
 - (b) if the Supplier fails to perform any other obligation(s) under the contract; or
 - (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

- 25.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
- 25.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
- 25.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.
- 25.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.
