GENERAL INFORMATION FOR PROSPECTIVE BIDDERS: (APPLICABLE TO SUPPLY AND DELIVERY CONTRACTS – RCCH24/2025)

- **The Occupational Health and Safety Act comprises SECTIONS** 1 to 50 and all un-repealed REGULATIONS promulgated in terms of the former Machinery & Occupational Safety Act No. 6 of 1983 as amended, as well as other REGULATIONS which may be promulgated in terms of the new Act.
Note: While this Act broadly governs workplace safety, in the context of this bid, it applies to the **handling, transportation, and delivery** of goods, ensuring driver and staff safety, proper vehicle maintenance, and safe loading/unloading procedures at the hospital.
- “Mandatory” is defined as including an agent, a contractor, or subcontractor for work but WITHOUT DEROGATING FROM HIS STATUS IN HIS OWN RIGHT AS AN EMPLOYER or user of plant or machinery.
Note: If the bidder makes use of delivery services or subcontracted suppliers, they are considered mandatories and **remain independently responsible** for compliance with applicable safety and hygiene regulations.
- Section 37 of the Occupational Health & Safety Act potentially punishes employers (principals) for the unlawful acts or omissions of mandatories (contractors), save where a Written Agreement between the parties has been concluded, containing arrangements and procedures to ensure compliance with the said Act BY THE MANDATORY.
Note: If third-party transporters or packers are used, it is recommended that bidders have written agreements in place to ensure that food safety, transport hygiene, and general compliance obligations are clearly assigned.
- All documents attached or referred to in the above Agreement form an integral part of the Agreement.
Note: This includes the bid specification, food handling laws (e.g., Regulation R638), vehicle COA documents, and any halal certifications. Bidders must ensure that all referenced or attached documents are reviewed and complied with.
- To perform in terms of this Agreement, mandatories must be familiar with the relevant provisions of the Act.
Note: This includes provisions relevant to **safe food transport, hygienic handling**, vehicle safety, and employee health and safety during delivery.
- Mandatories who utilise the services of their own mandatories (subcontractors) are advised to conclude a similar Written Agreement.
Note: For example, if a bidder outsources delivery to a third-party logistics company, it is their responsibility to ensure that the same **health, safety, and hygiene standards** apply downstream.
- Be advised that this Agreement places the onus on the mandatory to contact the employer in the event of inability to perform as per this Agreement. The Employer, however, reserves the right to unilaterally take any steps as may be necessary to enforce this Agreement.
Note: Timely communication regarding any disruptions (e.g., delivery delays, stock shortages, non-compliance) is critical. RCWMCH reserves the right to take corrective measures, including finding alternative suppliers if necessary.

THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

INTRODUCTION

The National Industrial Participation (NIP) Programme, which is applicable to all government procurement contracts that have an imported content, became effective on 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1. PILLARS OF THE PROGRAMME

1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US \$10 million will have an NIP obligation. This threshold of US \$10 million can be reached as follows:

(i) Any single contract with imported content exceeding US \$10 million;

or

(ii) Multiple contracts for the same goods, works or services each with imported content exceeding US \$3 million awarded to one seller over a 2-year period which in total exceeds US \$10 million;

or

(iii) A contract with a renewable clause, where should the option be exercised the total value of the imported content will exceed US \$10 million.

or

(iv) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US \$3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US \$10 million.

1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30% of the imported content whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIP obligation on a *pro-rata* basis.

1.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R & D) with partners or suppliers.

1.4 A period of seven years has been identified as the time frame in which to discharge the obligation.
