SERVICE PROVIDER TO SUPPLY AND INSTALL NEW GLASS FOR THE MARKET THEATRE FOUNDATION WINDOWS

### 1 General Information

#### 1.1 Purpose of this document

The Market Theatre Foundation (MTF) wishes to appoint Service provider to supply and install new glass for the Market Theatre Foundation windows.

#### 1.2 The Market Theatre Foundation

The Market Theatre Foundation operates as a Cultural Institution for performance art and photography and includes the Market Theatre, Market Laboratory, the Market Photo Workshop and the Windybrow Arts Centre.

The MTF's core business is producing a variety of theatre works that reflect and represent the issues that affect the people of South Africa. The Market Theatre Foundation produces an estimated 20-25 productions annually which create employment for +/-250 artists per annum. Over the years the Market Theatre has provided work for +/-8,750 theatre practitioners – playwrights, directors, actors, set/costume/lighting and sound designers and engineers as well as stage managers and crews. In line with the MTF's mission and vision 85% of these artists are from the historically disadvantaged communities.

In 2021/2022 the Market Theatre produced 18 shows and had an audience attendance of an estimated 18 889. This excludes the daily foot traffic and visitors that frequent the Market Theatre precinct and the Market Square Building.

The Market Lab is a multi-award-winning arts incubator, with a reputation for facilitating the development of exceptional young theatre-makers, facilitators, actors, writers and directors, and for creating innovative and relevant new plays. Our students have the opportunity to work and learn with some of the country's most iconic theatre practitioners, while creating a diverse range of work both individually and within an ensemble. With multiple local, African and global partners, the Lab strives to create enriching experiences that contribute to the personal and artistic growth of each person who participates in our programmes. Alumni have gone on to excel on stage and screen, or chosen to apply their skills in several other industries, including publishing, radio, event management and marketing. Many are playing leadership roles in arts institutions and other contexts, and remain committed to working in the communities that nurtured their growth as young artists.

The Market Photo Workshop is a school of photography, project space and galleries. The Market Photo Workshop runs a variety of photography courses and programmes for youth from communities in the margins, to equip them to pursue careers in photography, visual arts and media.

## REQUEST FOR QUOTATION

SERVICE PROVIDER TO SUPPLY AND INSTALL NEW GLASS FOR THE MARKET THEATRE FOUNDATION WINDOWS

The Market Photo Workshop also runs Public Programmes: a series of interventions involving and directed at professional photographers, visual artists, educators, students and the broader public. Public Programmes all seek to inform the trends, practices, methods and contemporary ways of working and thinking in South African photography practice through exposure to a broad understanding of visual culture.

The Photo Workshop Gallery and Gallery 1989 are galleries that produce regular exhibitions and publications.

The Windybrow Arts Centre is the fourth division of the Market Theatre Foundation, framing itself as a space for thought leadership, literacy and Pan African expression. The Windybrow Arts Centre, as a Pan African centre of the arts, occupies a Heritage house in Hillbrow built by a mining engineer, Theodore Reneurt, during the height of the Johannesburg gold rush over a century ago. Embedded in the heart of Pan Africanism in Johannesburg, Hillbrow is an internal port for numerous migrants from the continent, creating an opportunity to tap into the cultural wealth contained in the avenues of the inner city. Together with the community of Hillbrow the WAC intends to create lasting programmes that reflect the heritage of the area and, through art, encourage opportunities that empower the youth with knowledge systems that will expand their horizons and expand their vision.

The Heritage House at the Windybrow Arts Centre in Doornfontein has been revived. The restored 121-year old building is the home to new and exciting programmes in the Hillbrow and inner-city neighbourhoods working with residents and communities around a range of art-based and participatory engagement projects.

### 5. Selection and Evaluation Criteria

The MTF needs to be satisfied, in all respects, that the Service Provider selected has the necessary resources, skills, knowledge and experience for this project, and that all submissions are regarded in a fair manner in terms of the evaluation criteria.

Knowledge of government regulations is an advantage. The bidder should have the necessary expertise, capacity and previous experience in transportation services.

The tender will be evaluated on the basis of 80/20 split; with 80 points being allocated for price and 20 points for BBBEE requirements. This is reflected in the table below.

#### **Price and BEE Status**

The procedure for the evaluation of responsive tenders is Method 2 (Price and Preferences) having completed a technical evaluation.

The Preference Point System assigns a score to each tenderer based on the tender price and on the tenderer's B-BBEE status. These scores are combined to determine an overall score for the tender. The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows:

For tenders under a Rand value of R 50 000 000.00

- 80 points are assigned to price and functionality
- Up to 20 points are assigned to B-BBEE Goal status

For tenders above R 50 000 000.00

- 90 points are assigned to price and functionality
- Up to 10 points are assigned to B-BBEE Goal status

Points scored will be rounded off to the nearest 2 decimal places.

### **FORMULA FOR SCORING TENDER PRICE**

The following formula will be used to calculate the points for price:

$$P_s = X [1 - \frac{(P_t - P_{min})}{P_{min}}]$$

Where

$P_s$  = Points scored for comparative price of tender under consideration

$P_t$  = Comparative price of tender under consideration

$P_{min}$  = Comparative price of lowest acceptable tender

$X$  = Points assigned to price

### **POINTS AWARDED FOR B-BBEE STATUS LEVEL (10 points)**

The points allocated to a tenderer will be in accordance with the **Preferential Procurement Regulations, 2022** published in Government Gazette No. 47452 dated 4 November 2012.

The following table is applicable.

	The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/10 system) (To be completed by the tenderer)
1.	100% Black owned or	6
