Only bidders who meet a minimum of **70%** will be evaluated further on Stage 3; financial offer and preference.

#### 26.5 **THIRD STAGE: FINANCIAL OFFER AND PREFERENCE**

- Those Bidders which have passed the initial stages of the tender Process will be scored on the basis of price and preference point allocation in accordance with the applicable legislation.
- The successful Bidder will be the Bidder that scores the highest number of points in the second stage of the Bid evaluation, unless the DBSA exercises its right to cancel the RFP.
- Points will be allocated to Bidders at this stage of the evaluation, as follows:

Price points **80**

Specific Goals (namely, BBBEE status level of contributor) **20**

iv. **Price points**

The following formula will be used to calculate the points for price:

$$Ps = 80(1-(Pt-Pmin)/Pmin)$$

Where:

Ps = Points scored for comparative price of tender or offer under consideration;

Pt = Comparative price of tender or offer under consideration; and

Pmin = Comparative price of lowest acceptable tender or offer.

v. **Preferential procurement points**

A maximum of 20 points may be awarded in respect of preferential procurement, which points must be awarded to a tenderer for attaining their B-BBEE Status Level in accordance with the table below:

| B-BBEE Status Level       | Number of Points |
|---------------------------|------------------|
| 1                         | 20               |
| 2                         | 18               |
| 3                         | 14               |
| 4                         | 12               |
| 5                         | 8                |
| 6                         | 6                |
| 7                         | 4                |
| 8                         | 2                |
| Non-compliant contributor | 0                |

An unincorporated trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their **consolidated** B-BBEE scorecard as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate Bid.

#### **Total**

The total points scored by each Bidder will be calculated by adding the points scored for price (out of 80) to the points scored for specific goals (out of 20). The successful Bidder will be the Bidder which has the highest total points (out of 100) for both price and specific goals (unless there is a basis for selecting a different successful Bidder).

### 1. PURPOSE

The purpose of the terms of reference is to appoint a service provider to establish a **dedicated Informal Settlements Technical Team** to support metropolitan municipalities in **pipeline planning, prioritisation, and implementation of programmatic, city-wide informal settlement upgrading**, aligned to the Human Settlements Transformation Programme (HSTP), ISUP/ISUPG, UISP, and Just Urban Transition (JUT) principles.

### 2. INTRODUCTION

2.1. The National Treasury's Cities Support Programme (CSP) is a support initiative by the National Treasury for metropolitan municipalities under section 154(1) of the Constitution. It aims to aid these municipalities in improving spatial planning, infrastructure delivery, built environment management, and economic development.

2.2. Despite advancements in basic services, these municipalities face significant challenges like inequitable environments and spatial segregation. The CSP addresses critical areas such as fiscal governance, human settlements, public transport, climate resilience, and economic development.

2.3. This Terms of Reference outlines the services required from a competent and qualified service provider to provide technical support towards the implementation, management and coordination of the Informal Settlements Upgrading to the Metros and the Secondary Cities.

2.4. The Technical Team assigned to the project is anticipated to move beyond advisory work and provide hands-on implementation support, by enabling the metros to translate strategies into bankable, prioritised, and fundable upgrading pipelines, supported by appropriate infrastructure planning, governance reforms, community participation mechanisms, and financial models.

## **ANNEXURE O**

### **SERVICE PROVIDER CODE OF CONDUCT**

DBSA aims to achieve the best value for money when buying or selling goods and obtaining services. This however must be done in an open and fair manner that supports and drives a competitive economy. Underpinning our process are several acts and policies that any service provider dealing with DBSA must understand and support. These are:

- The DBSA Procurement Policy – A guide for Tenderers;
- Section 217 of the Constitution of the Republic of South Africa, 1996 - the five pillars of Public Procurement and Supply Chain Management: fair, equitable, transparent, competitive, and cost effective;
- The Public Finance Management Act, Act 1 of 1999 (PFMA);
- The Broad Based Black Economic Empowerment Act, Act 53 of 2003 (B-BBEE);
- The Companies Act, Act 71 of 2008;
- The Prevention and Combating of Corrupt Activities Act, Act 12 of 2004 (PRECCA);
- The Protected Disclosures Act, Act 26 of 2000;
- The Construction Industry Development Board Act, Act 38 of 2000 (CIDB Act);
- The Preferential Procurement Policy Framework Act, Act 5 of 2000; and
- The Protection of Personal Information Act 4 of 2013 ("POPIA"), regulates the processing, management, storage, and protection of personal information in order to protect an individual's right to privacy. Please refer to the DBSA website for the Privacy Statement (Contractors, Consultants and Service Providers).

The Privacy Statement sets out:

- Information which we may collect from you.
- How we collect information.
- How we may use, transfer and disclose your information.

The DBSA takes your privacy and the protection of your personal information very seriously, and we will only use your personal information in accordance with the Privacy Statement and applicable laws. We have implemented reasonable technical and operational measures to keep your personal information secure. It is important that you read the Privacy Statement carefully before submitting any personal information to the DBSA.

By submitting any personal information or documentation requested or any other information that may be requested pursuant to this RFP, you provide consent to the processing of your personal information as set out in the Privacy Statement. You also consent that any information, either written or verbal, may be made available to third parties strictly for the purpose of oversight to this tenders' appointment. Further, you declare that you have obtained all consents required by the POPIA or any other applicable laws.

Thus, you hereby indemnify and hold the DBSA harmless from any loss, damages or injury that you may incur as a result of any unintentional disclosures of your personal information to unauthorized persons or the provision of incorrect or incomplete personal information to the DBSA.

This code of conduct has been included in this contract to formally appraise DBSA Service providers of DBSA's expectations regarding behaviour and conduct of its Service providers. The tenderer will share this code of conduct with its subcontractor(s) prior to submitting the tender and ensure adherence to it by the subcontractor(s).

***Prohibition of Bribes, Kickbacks, Unlawful Payments, and Other Corrupt Practices***

DBSA's aim is to become a world class, profitable and sustainable organisation. As such, our transformation is focused on adopting a performance culture and to adopt behaviours that will enable this transformation.

***1. DBSA will not participate in corrupt practices in any form or guise. Therefore, it expects its service providers to act in the same manner.***

- DBSA and its employees will adhere the laws of this country and keep accurate business records that reflect actual transactions with, and payments to, our service providers.
- DBSA Employees must not accept or request, agree or promise to accept, money, or anything of value, or any form of gratification, either directly or indirectly, from service providers or anyone linked to them in return for a benefit or other advantage to accrue to a service provider or other linked 3<sup>rd</sup> party;
- Employees may not receive anything that is intended to:
  - In an irregular or untoward manner, influence their judgement or conduct to ensure a specific or pre-conceived desired outcome of a sourcing activity;
  - In an irregular or untoward manner, win or retain business or influence any act or decision of any person involved in sourcing decisions; or
  - Gain an improper advantage.
- There may be times when a service provider is confronted with fraudulent or corrupt behaviour of DBSA employees. We expect our Service providers to use our "Tip-offs Anonymous" Hot line to report these acts – 0800 204 933 or email [dbsa@tip-offs.com](mailto:dbsa@tip-offs.com).

***2. DBSA is firmly committed to the concept of free and competitive enterprise.***

- Service providers are expected to comply with all applicable laws and regulations regarding fair competition and antitrust practices.
- DBSA does not engage with non-value adding agents or representatives solely for the purpose of increasing BBBEE spend (fronting).

***3. DBSA's relationship with service providers requires us to clearly define requirements, to exchange information and share mutual benefits.***

- Generally, service providers have their own business standards and regulations. Although DBSA cannot control the actions of our service providers, we will not tolerate any illegal activities. These include, but are not limited to:
  - Misrepresentation of their product (origin of manufacture, specifications, intellectual property rights, etc.);
  - Collusion in whatever form that is intended to influence procurement decisions;

- Failure to disclose accurate information required during the sourcing activity (ownership, financial situation, BBBEE status, etc.);
- Corrupt activities listed above; and
- Harassment, intimidation, or other aggressive actions towards DBSA employees.
- Service providers will be evaluated and approved before any materials, components, products, or services are purchased from them. A rigorous due diligence is conducted, and the service provider is expected to participate in an honest and straight forward manner.
- Service providers must record and report facts accurately, honestly, and objectively. Financial records must be accurate in all material respects.

#### **4. Conflicts of Interest**

A conflict of interest arises when personal interests or activities influence (or appear to influence) the ability to act in the best interests of DBSA.

- Doing business with family members or close associates.
- Having a financial or beneficial interest in another company in our industry or environment

Where possible, contracts will be negotiated to include the above in the terms of such contracts. To the extent such terms are not included in contractual obligations and any of the above code is breached, then DBSA reserves its right to review doing business with these service providers.
