		tenderer to provide a declaration in Annexure C, confirming that the information provided in the Project Experience Register is true and accurate. This declaration is required to be signed under oath and commissioned by a Commissioner of Oaths. 2. Do we need to add vehicle registration documents (Logbooks) as supporting documents for vehicle registers. The TEC does not specify that vehicle registration documents, logbooks or similar supporting documentation must be submitted as returnables in support of the Vehicle Register. A Vehicle Register that has been completed, signed and commissioned by a Commissioner of Oaths (provided as Annexure B of the tender criteria documentation) is the required returnable for the evaluation of the tenderer's listed vehicles.	
2.	Can you please clarify regarding the BOQ: - Do we price for the supply of material? - Do I submit the BOQ as a separate annexure or I include it in the NEC document?	The BOQ must be fully priced and is a labour-based rate BOQ. Do I submit the BOQ as a separate annexure, or should it be included in the NEC document. Response: Yes, please submit the fully priced BOQ as a separate annexure. Ensure that the BOQ is	27 August 2026

3.	We kindly request an extension of the closing date for the above-mentioned tender, as several of our suppliers are taking longer than anticipated to revert to us with the information required to finalise our tender submission. An extension would enable us to submit a complete and competitive proposal for your consideration. We would greatly appreciate your favourable consideration of this request and look forward to your positive response.	The following changes have been made to the tender enquiry E3262DXKZN: Kindly note that the original closing date of 31 August 2026 has been extended. The revised closing date is 14 September 2026 at 10:00 AM. No late submissions will be accepted.
