Annex C – Check Sheet for Technical Tender Document Pack (example)**Tender Enquiry Number:**

This check sheet is not a returnable. It is a supporting document intended to aid the bidder with compiling the tender submission. This simply states the document required to be contained in the tender file submitted and not the details of the criteria associated with the document.

If the bidder chooses to use the check sheet, the accountability for the completeness of the tender submission remains with the bidder!

✓ where document is confirmed and included to the tender file.

Returnable	Technical A&B Schedule	Deviation Schedule	Manufacturer Drawing	Test Report Schedule	All Test Reports as stated on the Test Report Schedule
