Dear Sir / Madam

Description / Project Title	The supply and delivery of 5 Kit: type: switch analyser SA10; application: circuit breaker tester; comprising electrical cables, the test cables, the transducers, the brackets for the transducers, the software; specification: kit 1 advanced d + 3xs120; Elcon; vendors are responsible for ensuring that they are performing against the correct drawing revision
Request for RFP/RFI/Enquiry No	1808NTCSAWG
Enquiry issue date	26 August 2026
Enquiry original closing date	01 October 2026
Proposed new enquiry closing date	15 October 2025
Motivation for extension	The request to extend the tender closing date is motivated by the complexity of queries received from suppliers during the tender period. Suppliers have requested clarification on various aspects of the tender specification and supporting documentation, which could not be addressed within the original timeframe. Additional time is therefore required to adequately respond to these queries and, where necessary, issue clarifications to all bidders to ensure a fair, transparent, and competitive procurement process. Please be advised that clarification questions must be send not later than 07th October 2026 14:00

Your co-operation is appreciated

Yours faithfully,

Name: Sandi Bokveldt- Lize

Designation: Officer Procurement

Name: Gontehela Hinana

Designation: Senior Advisor Electrical
