6.3 Price and Empowerment

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

The 80/20 price/preference points system will be applied to the evaluation of responsive tenders up to and 20 including a Rand value of up to R50'000'000 (all applicable taxes included), whereby the order(s) will be placed with the tenderer(s) scoring the highest total number of adjudication points.

Price shall be scored as follows:

$$P_s = 80 \times (1 - \frac{P_t - P_{min}}{P_t - P_{min}})$$

Where: P_s is the number of points scored for price;

P_t is the price of the tender under consideration.

P_{min} is the price of the lowest responsive tender.

Preference points shall be based on the Specific Goal as per below:

TABLE 1: AWARD UP TO 50M (VAT INCLUSIVE)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Evidence
Race – people who are Black, Coloured or Indian (ownership)* More than 51% black ownership	5	<ul style="list-style-type: none"> • B-BBEE certificate or QSE/EME Affidavit; • CIPC • Certified ID • CSD report
Gender is women (ownership)* More than 51% women's ownership	10	<ul style="list-style-type: none"> • B-BBEE certificate or QSE/EME Affidavit; • CIPC • Certified ID • CSD report
SMME – EME or QSE	5	B-BBEE certificate or QSE/EME Affidavit;
Total Points	20	Failure to attach evidence will lead to scoring zero points

Having completed a technical evaluation, the procedure for the evaluation of technically qualifying tenders is Method 2 (Price and Preferences). The Preference Point System assigns a score to each tenderer based on the tender price and on the tenderer's preference points. These scores are combined to determine an overall score for the tender. The tender with the highest score will be considered for acceptance.

The Preference Point System will be applied as follows:

For tenders up to R50 million

- 80 points are assigned to the price
- Up to 20 points are assigned to BBEE status per the table under the item

Points scored will be rounded off to the nearest 2 decimal places.

Schedule 3:

PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS

2022

Notes:

8.3.1.1 "B-BBEE status level of contributor" means the B-BBEE status received by a measured entity based on its overall performance using the relevant scorecard contained in the Codes of Good Practice on Black Economic Empowerment, issued in terms of section 9(1) of the Broad-Based Black Economic Empowerment Act (Act No.53 of 2003).

8.3.1.4 The submission of such certificates must comply with the requirements of instructions and guidelines issued by the National Treasury and be in accordance with notices published by the Department of Trade and Industry in the Government Gazette.

8.3.1.5 A trust, consortium, or joint venture will qualify for points for their B-BBEE status level as a legal entity, provided that the entity submits its B-BBEE status level certificate.

8.3.1.6 A trust, consortium, or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits its consolidated B-BBEE scorecard as if it were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate tender.

8.3.1.7 A person will not be awarded points for B-BBEE status level if it is indicated in the tender documents that such a tenderer intends sub-contracting more than 25% of the value of the contract to any other enterprise that does

not qualify for at least the points that such a tenderer qualifies for.

8.3.1.8 A person awarded a contract will not be permitted to subcontract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned.

8.3.1.9 No tender will be awarded to a bidder whose tax matters are not in order with SARS.

8.3.1.10 No tender will be awarded to a bidder who is not registered on CSD.

8.3.2 Formula for scoring tender price.

The following formula will be used to calculate the points for price.

$$Ps = X [1 - \frac{(Pt - Pmin)}{Pmax - Pmin}]$$

Pmin

Where

Ps = Points scored for comparative price of tender under consideration

Pt = Comparative price of tender under consideration

Pmin = Comparative price of the lowest acceptable tender

X = Points assigned to price

8.3.3 The total preference points for a tender are calculated with the formula.

PP = Ps + Pbee Where

PP is the total number of preference points scored by the tenderer.

Ps is the points scored for the comparative price of the tenderer, and

Pbee is the number of points awarded to the tenderer based on their certified B-BBEE status level.

6.4 Risk Tolerance

The JDA has adopted a Risk Tolerance Framework (RTF) which enjoins the JDA to consider its risk exposure to contractors / service providers in terms of the number of contracts awarded to a single contractor / service provider in a particular year.

In terms of the Risk Tolerance Framework, the JDA determines the risk exposure as excessive in instances where the value of the contracts is:

1. The greater of R 8million or four contracts / projects in the current financial year or
2. The greater of R12 million or six contracts / projects over two financial years (current year and previous financial year).

A risk analysis will also be undertaken on the tenderer having the highest ranking / number of points to ascertain if any of the following will not present any unacceptable commercial risk to the JDA in line with the JDA's risk tolerance framework;

- a) Unduly high or unduly low tendered rates, significant arithmetical errors and omissions in the tender offer;
- b) the tenderer has insufficient financial capability to perform the contract,
- c) total value and number of contracts awarded to a single contractor/service provider in a particular year.

A risk analysis shall be undertaken on the bidder with the highest number of points obtained, to determine whether the tenderer does not exceed the JDA's risk framework criteria as stated above. In other words, whether it falls within the ambit of the Risk Tolerance Framework as acceptable.

JDA reserves the right to award a contract to a bidder who has exceeded the threshold as stated above.

ANNEXURE I – POPI ACT

Form B14: CONSENT AND ACKNOWLEDGMENTS IN TERMS OF THE PROTECTION OF PERSONAL INFORMATION ACT 2013 (POPI)

This section sets out how personal information will be collected, used and protected by Johannesburg Development Agency hereinafter referred to as “JDA”, as required by the Protection of Personal Information Act. The use of the words “the individual” for the purposes of this document shall be a reference to any individual (bidder) communicating with JDA and/or concluding any agreement, registration or application, with the inclusion of each of those individuals referred to or included in terms of such agreement, registration or application.

1. What is personal information?

The personal information that JDA requires relate to names and surnames, birth dates, identity numbers, passport numbers, demographic information, education information, occupation information, health information, addresses, memberships, personal and work email and contact details.

2. What is the purpose of the collection, use and disclosure (the processing) of personal information?

JDA is legally obligated to collect, use and disclose personal information for the purposes of:

- reporting initiatives to the City of Johannesburg Municipality;
 - reporting to National Treasury all contracts awarded;

 - verifying information on the National Treasury database of defaulters;
 - evaluating and processing applications for registration on the database;
 - compiling statistics and other reports;
 - providing personalised communications;
 - complying with the law; and/or
 - for a purpose that is ancillary to the above and as may be directed by our POPI manual/Policy.
- Personal information will not be processed for a purpose other than what is identified (the purpose) above without obtaining consent beforehand.

3. How will JDA process personal information?

JDA will only collect personal information for the purpose as stated above and for such specific purpose. Information will be collected in the following manner:

- directly from the individual;
- from service providers who provided with services or goods to JDA;
- from JDA’s own records relating to previous supply of services or goods; and/or
- from a relevant public or equivalent entity.

4. To whom will personal information be disclosed?

JDA

The personal information may be disclosed to other relevant public or other entities on whose behalf we act as intermediaries, other third parties referred to above in relation to the purpose or who are sources of personal information, service providers such as professional bodies who operate across the borders of this country (transborder flow of information) where personal information must be sent in order to provide the information and/or services and/or benefits requested or applied for. In the event of another party/ies acquiring all of or a portion of JDA's mandate or functions, personal information will be disclosed to that party but they will equally be obliged as we are, to protect personal information in terms of this policy and the law.

5. Consent and Permission to process personal information:

I hereby agree with the policy and provide authorisation to JDA to process the personal information provided for the purpose stated:

- I understand that withholding of or failure to disclose personal information will result in JDA being unable to perform its functions and/or any services or benefits I may require from JDA.
- Where I shared personal information of individuals other than myself with JDA, I hereby provide consent on their behalf to the collection, use and disclosure of their personal information in terms of this personal information policy and I warrant that I am authorised to give this consent on their behalf.
- To this end, I indemnify and hold JDA not responsible in respect of any claims by any other person on whose behalf I have consented, against JDA should they claim that I was not so authorised.
- I understand that in terms of POPIA and other laws of the country, there are instances where my express consent is not necessary in order to permit the processing of personal information, which may be related to police investigations, litigation or when personal information is publicly available.
- I will not hold JDA responsible for any improper or unauthorised use of personal information that is beyond its reasonable control.

6. Rights regarding the processing of personal information:

- The individual may withdraw consent to the processing of personal information at any time, and should they wish to do so, must provide JDA with reasonable notice to this effect. Please note that withdrawal of consent is still subject to the terms and conditions of any contract that is in place. Should the withdrawal of consent result in the interference of legal obligations, then such withdrawal will only be effective if JDA agrees to same in writing. JDA specifically draws to the attention that the withdrawal of consent may result in it being unable to provide the requested information and/or services and/or financial or other benefits.
- In order to withdraw consent, please contact the JDA Information Officer/SCM
- A copy of the full JDA policy is available.
- Individuals are encouraged to ensure that where personal information has changed in any respect to notify JDA so that our records may be updated. JDA will largely rely on the individual to ensure that personal information is correct and accurate.

The individual has the right to access their personal information that JDA may have in its possession and are entitled to request the identity of which third parties have received and/or processed

JDA
