NB: The total points for Phase 2(A) weighs 80%. Bidders must score a minimum of 70/80 percent in order to progress to Phase 2(B) – Presentations.
- Phase 2(B): **(Presentation)**
NB: The total for Phase 2(B) weighs 20%. Bidders must score a minimum of 10/20%.

Therefore, bidders are expected to obtain a minimum of a total **combined weighted score of 80/100 from Phase 2 (Phase 2(A) and Phase 2 (B))**, in order to be pre-selected in panel of experts.

4.1 Phase 2A: Functional evaluation criteria (functionality criteria)

- 4.1.1 During this phase, the bidder's ability to substantively demonstrate competence to execute the scope of work against the functionality criteria, will be assessed.

1. Qualifications: <ul style="list-style-type: none">- In all cases the minimum qualification is an NQF Level 7 qualification or higher in the stated disciplines.- All foreign qualifications must be evaluated by SAQA, and an evaluation certificate must be provided in order to be considered for evaluation.- Certified copies of qualifications must be submitted with the bid proposal.
2. Experience: <ul style="list-style-type: none">- Experts must have a minimum of seven (7) years as specified per sector demonstrating substantive competence, knowledge and experience in the listed categories of support required.
3. Portfolio of Evidence <ul style="list-style-type: none">- Prospective bidders are required to provide a brief overview of similar projects they have previously undertaken, accompanied by a minimum of three reference letters attesting to those past projects.
4. High Level Proposal <ul style="list-style-type: none">- The proposal should clearly outline the understanding and methodology that will be used in undertaking the required scope of work.

- 4.1.2 All responsive bids will be evaluated and scored according to the evaluation criteria stipulated, supporting documents and information submitted by bidders.
- 4.1.3 The Bid Evaluation Committee members will individually evaluate responses received, and the scores will be multiplied with the weighting to obtain marks scored for each criterion. The marks will be added, and the score will be converted to a percentage.
- 4.1.4 **The minimum qualifying score for functionality: Phase 2(A): Functional evaluation criteria (functionality criteria) is 70%. Bidders that do not meet or achieve the minimum qualifying score for functionality will be disqualified and not progress to Phase 2(B).**

4.1.5 Bidders whose bids score 70% and above in Phase 2(A) of the evaluation criteria will be invited and required to do an oral presentation to the Bid Evaluation Committee.

SECTION D

POST-AWARD REQUIREMENTS

1. MULTI-SOURCING MODEL FOR INVITING QUOTATIONS

1.1 The following process will be followed when utilising the Infrastructure Panel of Experts:

- a) Once the service providers have been pre-selected in the panel, they will be required to register onto the electronic Procurement System (e-PS. This platform will be utilised for all callouts/Job Briefs issued by the Department and will be mandatory that all service providers respond via the same platform for governance and transparency purpose of the Framework.
- b) The WCPT will firstly identify a need and secure financial resources for the opportunity to assist the Department. Work is not guaranteed over the period of being placed on the list of panel of experts. The sourcing of service providers would be required on an ad-hoc basis as and when the need arises.
- c) A brief for an identified need/Request for Quotation will be submitted to all the service providers that have been pre-selected for the service/area of expertise, i.e. in accordance with the specified sectors of work.
- d) Service providers will be given a period of a minimum of seven (7) calendar days from the day of publication of the job brief to respond to the brief.
- e) Proposals received will be evaluated by a Bid Evaluation Committee in terms of the criteria contained in the brief, which may include an interview process with prospective bidders.
- f) The Bid Evaluation Committee will consider Price and BBBEE points in terms of the Preferential Procurement Regulations, 20 Section A: Information 17, 80/20 preference point system.
- g) Bids must be submitted on a fixed price basis and will be benchmarked against the DPSA rates to assess reasonableness and or value for money.
- h) A preferred service provider will be selected, based on functionality, price and preferential points.
- i) The award will be communicated to all bidders in that specified sector. The award will be published in the same manner that it was advertised.
- j) Should the selected service provider be unable to start the proposed project within the stipulated timeframe, the next eligible service provider may be selected.
- k) Where no suitable existing service providers can be identified on the preferred list of a particular sector, the WCPT may access the market competitively.
- l) The WCPT reserves the right to negotiate hourly charge-out rates submitted by bidders.
- m) The panel of experts list will be valid for a period of 36 months. Thereafter, it will automatically terminate at the end of this service period.

- n) The WCPT may accept or reject any bid offer and may cancel the bid process and reject all bids at any time before the formation of a contract, due to the following reasons inter alia:
