MEMO

Good Day,

TENDER CLARIFICATION MEETING ADDENDA.

INVITATION TO TENDER No. E2189GXMPKUS

**Steam sampling system C&I maintenance at Kusile power station
for a period of three (3) years on an as and when required basis**

QUESTIONARES

1. Extension of Site clarification meeting

2. Good day Happy,

We hereby request a two-week extension for Proposal **E2189GXMPKUS**. This additional time will enable us to prepare the most comprehensive and value-driven submission possible, ensuring that Eskom receives a proposal that meets the highest standards and delivers optimal value. We appreciate your consideration of this request and look forward to your response

ANSWERS

1. Date: 04 December 2025 (Thursday)

Time: 08:00 to 11:00am

Venue: Mahlasedi Auditorium-MAIN BUILDING

NB: Those who will attend please send your details in time on the email machikht@eskom.co.za

Note that everyone should be at the gate at 08:00 am as the induction will be conducted at 09:00am, people should bring along safety boots, hard hat, reflectors.

If you don't attend note that your tender won't be evaluated.

2. Good day Happy, Unfortunately, we cannot allow any extension on this tender. This is one of the Station priority service contracts and we urgently need the service.

Another important factor to consider is that Tender offices are closing on the 12th of December, therefore any tender extension granted now will be closed in February 2026 and we cannot afford to delay that much.
