MULTIPIN IS AN ELECTRONIC IDENTIFICATION ONE PIECE TAG FOR THE ARC BIOTECHNOLOGY PLATFORM

BACKGROUND: Multipin is an electronic identification one piece tag used for the effective identification of sheep and goats. The Multipin tags are supplied in strips of 10. Consisting of a large print surface to allow for more options when laser marking. They are available in bright colours and designed to withstand the harshest of UV conditions to ensure sustainability and avoid fading.

PLEASE NOTE: Suppliers are required to complete *all items in Table 1 - Table of Compliance and Details to offer*. Information should be provided in every column for all lines items detailing compliance and details on offer. Any columns left empty will constitute an incomplete and non-compliant quotation.

PLEASE NOTE: Suppliers are required to supply product information brochures **as evidence** for the specifications on offer.
