

TECHNICAL EVALUATION FOR THE REFURBISHMENT OF CHEMICAL TANKS IN THE PLATING SHOP

<p>Project Plan (on any template) to commission the refurbishment of chemical tanks in the Plating Shop and final hand over.</p>	40	<p>Fully Compliant = 40 Points</p>	<p>Project plan with timelines to execute the project in line with the below key activities. Overall timeline to conclude the project less than 2 months.</p> <ol style="list-style-type: none"> 1. Safety file compiling and submission to TE for approval. 2. Removing chemicals in the tanks and transporting them, Cleaning and Refurbishing the tanks. 3. Final commissioning and hand over.
		<p>Partial Compliant = 20 Points</p>	<p>Project plan with timelines to execute the project in line with the below key activities. Overall timeline to conclude the project less than 3 months.</p> <ol style="list-style-type: none"> 1. Safety file compiling and submission to TE for approval. 2. Removing chemicals in the tanks and transporting them, Cleaning and Refurbishing the tanks. 3. Final commissioning and hand over.
		<p>Partial Compliant /No program = 0 Points</p>	<p>Project plan without clear timelines to execute the project in line with the below key activities. Overall timeline to conclude the project less than 3 months. Incomplete Project Plan, not indicating all key activities Zero points if project plan with timelines to execute the above activities not submitted.</p> <ol style="list-style-type: none"> 1. Safety file compiling and submission to TE for approval. 2. Removing chemicals in the tanks and transporting them, Cleaning and Refurbishing the tanks. 3. Final commissioning and hand over. <p>Zero points if overall timeline to conclude the project is more than 3 months.</p>
<p>Compliance to Legislative Requirements</p>		<p>Fully Compliant = 40 Points</p>	<p>Bidders to submit copies of certificates to ensure compliance to environmental requirements</p> <p>Fully Compliant when the following certificates are submitted with the tender documents:</p> <ol style="list-style-type: none"> 1. Certificate of Registration for hazardous waste transportation 2. Certificate of Registration for hazardous landfill

	40	Partially Compliant = 20 Points	<p>Bidders to submit copies of certificates to ensure compliance to environmental requirements</p> <p>Partially Compliant when one of the following certificates is submitted with the tender documents:</p> <p>Certificate of Registration for hazardous waste transportation</p> <p>Certificate of Registration for hazardous landfill</p>
		Not Compliant = 0 point	Not Compliant if no certificate has been submitted with the tender documents
Methodology (on any template)	20	Fully Compliant = 20 points	<p>Fully compliant when a technical approach paper is submitted, which responds to the proposed scope of work/project and covers the requirements below:</p> <ol style="list-style-type: none"> How will the removing of chemicals and cleaning of tanks and pipes be done. How will the refurbishment of tanks and pipes be done How will testing be conducted in line with the relevant standards? (Bidders to provide step by step process guide)
		Not complaint = 0 points	Not compliant when technical paper is not submitted, or if submitted then the approach paper does not respond to the proposed scope of work.
TOTAL	100		
Minimum Threshold	80
