1. THE FOLLOWING CONSTITUTES A CHANGE TO THE TENDER DOCUMENT

Item	Current in the Tender Document	Correction / Amendment
Technical/functional evaluation criteria (Phase 3) - Civil Engineering Technician	Company must submit a detailed CV for a civil engineering diploma (PR TECH) demonstrating relevant experience in supervision of municipal water projects, irrigation water metering projects or any other projects that involve metering The total experience shall be evaluated as follows.	The first part of the requirement is corrected to read as follows: Company must submit a detailed CV for a civil engineering technician (PR TECHNI)

	• Six (6) or more years =20 points • Three to Five (3-5) years = 15 points • One to Two (1-2) years = 10 points • No submission = 0 Proof: attach a detailed cv of the project leader showing years of experience.	demonstrating relevant experience in supervision of municipal water projects, irrigation water metering projects or any other projects that involve metering The total experience shall be evaluated as follows. • Six (6) or more years =20 points • Three to Five (3-5) years = 15 points • One to Two (1-2) years = 10 points • No submission = 0 Proof: attach a detailed cv of the project leader showing years of experience.
Pricing Instructions	11.1.1 The project is to be sub-divided by the bidder into a reasonable number of different, identifiable tasks to be carried out by the service provider. The tasks as identified in the terms of reference can be used as a guideline, but these should not necessarily be seen as exhaustive and the bidder should decide which tasks are necessary to complete the project. The total fee quoted for each task must reflect breakdown of key personnel, milestones/ job description, deliverables, hourly rate (R/h), hours required for task (h), cost per staff member (R) to be utilised. 11.1.2 Disbursements will be treated as per section 11.2 of the tender document. 11.2.3 The contingency item is to be expended at the sole discretion of the IUCMA. The PSP has no claim on any part of it, unless authorised in writing by the IUCMA. 11.2.4 The prices and rates to be inserted for the identified tasks	Item 11.1.1 and 11.1.3 of the pricing instruction has been removed. Bidders must fully complete the pricing schedule provided on the document. Where it is not applicable to the bidder, bidders must indicate by (0), (-) or N/A. No separate quotation outside of the pricing schedule will be accepted.

	are to be fully inclusive prices for the work, milestones and activities described under the tasks. Such rates and prices are to cover all costs and expenses that may be required in and for the execution of the work described in accordance with the Terms of Reference and shall cover the cost of all general risks, liabilities and obligations set forth or implied in the Terms of Reference, as well as overhead charges, profit and disbursements. These prices will be used as a basis for assessment of payment for additional work that may have to be carried out.	
Administrative, Mandatory and Technical Responsiveness Checklist	SBD 7.2: Contract form has been completed and signed.	Item 7 on page 63 administrative, mandatory and technical responsiveness checklist has been removed.

2. ACKNOWLEDGEMENT BY BIDDERS

Bidders herewith acknowledge receipt of **Addendum No. 1** and confirm that its contents have been taken into account in the tender submission. Prospective bidders are further requested to submit this addendum with the bid document on or before the closing date indicated in the invitation. Failure to do so will result in immediate disqualification

Addendum Number	Reference	Date of Issue	Subject Matter
