

Safety Requirements

Contractual requirements mean the suppliers will submit the tender returnable during the tender close-out. The evaluation will take place once the mandatory and Functionality evaluation have been completed. The service provider will be given only ONE opportunity to submit the outstanding documents within 7 working days. Failure to submit the outstanding documents within the stipulated time; may result in the tenderer being regarded as non-responsive and ineligible for contract award. These OHS requirements will form part of the procurement process and must be complied with prior to signing the contract. The Service provider shall comply with the respective Matla power station Safety file requirements in order to gain access to site. No work shall commence until the Safety file is approved by the respective site's Contract custodian together with the OHS professional.

Signed Annexure B Acknowledgement Form
OHS Policy signed by the Tenderer's CEO or MD.
