

## **Annexure B02: Organisational Chart, Member / Contractor Roles and Details**

### **Notes:**

1. The Respondent shall include in this Annexure an organisational chart showing the relationship between all Members, Key Contractors and Major Equipment Suppliers it intends to use.
2. The Respondent shall make the required number of copies of the table below to provide the requested information of each party on the organisational chart. The copies can be appended below one another and submitted, together with the organisational chart, as a single file.

### **Organisational Chart:**
