- 15.2 It is therefore essential to ensure that persons conducting business with the State are tax compliant when participating in tenders or other bidding processes. On 18 April 2016, the South African Revenue Service (SARS) introduced an enhanced TCS system aimed at improving compliance and making it easier for taxpayers to manage their tax affairs.
- 15.3 Implementation of the tax compliance status system:

- 15.4 The CSD and tax compliance status PIN are the approved methods to be used to prove tax compliance as the South African Revenue Services (SARS) no longer issues Tax Clearance Certificates but has made provision online, via e-Filing, for bidders to print their own Tax Clearance Certificates which they can submit with their bids or price quotations.
- 15.5 Accounting Officers are therefore required to accept printed or copies of Tax Clearance Certificates submitted by bidders and verify their authenticity on e-Filing. The verification result will be filed for audit purposes.
- 15.6 Where a bidder does not submit a tax compliance status PIN but provides a Central Supplier Database (CSD) number, the accounting officer and accounting authority must utilise the CSD number via its website www.csd.gov.za to access the supplier records and to verify the bidder's tax compliance status. A printed screen view at the time of verification should then be attached to the supplier's records for audit purposes.

- 17.2 The PPSA, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in the bid documents. /investigation, the onus will be on the bidder / contractor to prove that fronting does not exist. Such partnership may include the formation of a Joint Venture and/ or subcontracting agreement etc., where a portion of the work under this tender would be undertaken by black owned entities. To give effect to this requirement, bidders are required to submit a partnership / subcontracting proposal detailing the portion of work to be outsourced, level of involvement of the black owned partner and where relevant, submit a consolidated B-BBEE scorecard in-line with the provisions of the PPPFA Regulations which will be considered as part of the B-BBEE scoring.
