The labour cost does not include VAT.

All staff to be permanently employed and managed by the bidder, hence the labour costs are fixed.

The bidder must be fully compliant with the Department of Labour and pay all staff above minimum required wage with the potential to earn additional income based on performance.

The 2nd to 5th year price escalation will be based on the estimated prevailing hospitality sector labour rate increases, and the new South African Minimum Wages guideline for the prevailing year.

For comparative purposes, all bidders must use **4.5%** as their rate of increase for years 2, 3, 4 and 5.

Should the need arise for an additional BSA, FSCA will use a rate (VAT exclusive) per additional staff member over and above the original tender staffing specification of 1 (one) supervisor and 3 (three) tea assistants.

The FSCA reserves a right to negotiate prices with the successful bidder. The percentage mark-up on variable consumables must be indicated.

These rates must include Value Added Tax and constitute the full amount claimable for the normal monthly service, excluding any ad hoc requests by the FSCA.

The contract price for this bid will be subject to annual escalation of prevailing Consumer Price Index (CPI) at the anniversary date of the agreement, i.e. CPI rate of June preceding the anniversary date as published by Statistics South Africa.
