- Where confidentiality is maintained by the Bidder and the HDA is of the opinion that the information or response to RFP if made publicly available would affect the commercial interests of the Bidder or is commercially sensitive information, the HDA shall not release such information to other Bidders if providing such information or response to the RFP would prejudice the competitiveness and transparency of the RFP Process;

- Where the HDA is of the opinion that information provided is not commercially sensitive or would have no impact on the commercial interests of the relevant Bidder if released and fairness and transparency requires that such information be released to all Bidders, the HDA may:

 - ii. obtain legal advice regarding the confidentiality of the relevant information and/or response to RFP and the legal ability of the HDA to release such information; or
 - iii. refrain from releasing the information and/or response to RFP, in which event the HDA shall not take account of the contents of such information in the evaluation of the relevant response to RFP.
