Dear Valued Suppliers

Request for Enquiry Number	E1655DXGP
Description / Project Title	Supply and Delivery of various production equipment within Gauteng Cluster on an as “and when required” basis for a period of 5 years
Tender Questions Closing Date	08.09.2025

Item	Questions	Answers
1.	Brand-Specific Requirements for Equipment and Testers Reference is made to Page 3 of the "GAU Production Equipment Scope of Works" (Technical Folder), which mentions "NGK Wire Grips." Could you confirm whether NGK is a mandatory brand for wire grips, or is a performance-equivalent alternative acceptable? Additionally, Page 39 of "NEC SC3_Supply of Production Equipment" specifies FLUKE as the brand for most testing instruments. Please clarify if FLUKE is a required brand or if other brands meeting equivalent technical standards will be considered	For the NGK, it does not have to be that brand but same quality. For testing equipment, we will stick with Fluke.
2.	Technical Requirement Compliance The "GAU Production Equipment Scope of Works" (Technical Folder) outlines main parameter requirements for equipment. Are bidders required to comply with detailed technical specifications (e.g., Schedule A & B, if referenced elsewhere) in	The issue of Deviation. In the schedule files there is a TAB for Deviation. Put the deviation there from what is in the schedule and then highlight as such.
