INTRODUCTION

INTRODUCTION TO THE NRF-SAASTA

The National Research Foundation Act as amended, Act 19 of 2018, establishes the National Research Foundation (“NRF”) as the juristic legal entity that will contract with the awarded bidder. Please visit the NRF website (<https://www.nrf.ac.za>) for more information.

BACKGROUND TO NRF-SAASTA-NRF-SAASTA

The National Research Foundation-South African Agency for Science and Technology Advancement (NRF-SAASTA) is a business unit of the National Research Foundation. NRF-SAASTA’s mission is to promote broad public awareness, appreciation, and understanding of science, engineering, and technology in South Africa. For more information, kindly visit the NRF-SAASTA website (www.saasta.ac.za).

CONTEXT TO THIS BID

The primary objective of this procurement is to appoint a suitable supplier with the experience, expertise, and sufficient capacity for developing and repackaging science communication and engaged research, and corporate communication resources, including graphic design and layout, illustrations, writing, editing, review, and proofreading, for a period of thirty-six (36) months. In the context of this bid, the term ‘repackaging’ implies using content, illustrations and images etc., in existing resources (produced by NRF-SAASTA and/or its stakeholders previously) to develop a new or updated format of a specified resource. The resource development approach is a cross-cutting function across NRF-SAASTA including the science communication and engaged research and corporate communication sections at the NRF-SAASTA with an intention to develop and produce high-quality, impactful and ethical resources that will enhance public engagement with science and the brand of the business unit. For the science communication and engaged research section, the various resources ensure that scientific information is adapted into end-user specific resources, primarily to communicate complex scientific concepts and thereby enhance awareness of and understanding of science, as well as to stimulate interest, debates, and discussions in science, technology and engineering. The resources produced by the corporate communication section support the strategic positioning of the NRF-SAASTA brand, protect its reputation, and ensure that its stakeholders are kept informed about its business and disseminating the NRF-SAASTA’s strides in bridging the gap between science and society. The two main groupings include, but are not limited to the following:

PART A: Science Communication and Engaged Research Grouping

- The scope and extent of work include the development of new resources, repackaging of content from existing resources, language translation and graphic design and layout of engaging and interactive science communication and engaged research resources. This grouping is sub-divided into deliverables which include posters, infographics, booklets, policy briefs reports, animations, audio and audio-visuals, popular science articles and social media.
- In the context of this bid, engaged research encompasses of a multitude of ways that researchers interact with stakeholders and communities over the various phases of research, from identifying research questions and the (co)production of knowledge, to its dissemination, application and impact, and aims to improve the democratisation of science and public trust in science.
- The target audience of this grouping are the recipients of public engagement with science, which include

learners, educators, students, journalists, decision makers, science interpreters, scientists and researchers, indigenous knowledge holders, industry, tourists and general publics.

PART B: Corporate Communication Grouping

- The scope and extent of work include the development of new resources, repackaging of content in existing resources, language translation and graphic design and layout of corporate communication resources. This grouping is sub-divided into deliverables which include but not limited to corporate publications, corporate digital and multimedia products, corporate branding resources, signage, certificates, and event collateral, translation and transcreation services for corporate communication materials, corporate electronic newsletters.
- The target audience of this grouping are the NRF-SAASTA's stakeholders and partners that have a vested interest in the brand and mandate of the business unit including its diverse projects focusing on public engagement with science.

PART A – BID REQUIREMENTS

- (d) The supplier will be required to obtain final sign-off from NRF-NRF-SAASTA on all resources and, thereafter, provide open design and print-ready files and/or artwork accompanied by the corresponding printing specifications. The print-ready files and/or artwork should be in the following acceptable formats: Adobe InDesign, Illustrator, or PDF with editable layers. The ownership terms and conditions for the contract dictate that all intellectual property produced under this contract will vest with the NRF-SAASTA.

1.11 The supplier will be required to adhere to the (1) quality assurance processes for all the science information developed and disseminated by the NRF-SAASTA, including the scientific editorial process and (2) NRF-Branding Guidelines and (3) NRF-Style Guide.

SCOPE AND EXTENT OF THE WORK (PART B): CORPORATE COMMUNICATION

The scope and extent of work include the development of new resources, repacking of content in existing resources, language translation and graphic design and layout of corporate communication.

2.1 The supplier will be required to produce content according to the writer's brief and/or terms of reference provided by NRF-SAASTA. The text should be written in simple and understandable language; and unless otherwise specified, the default language should always be English.

2.2 The supplier will be required to produce content that is creative, innovative, accurate and credible, ethical, authoritative and considerate of cultural and linguistic appropriateness and sensitive to a wide range of demographics e.g. age, race and gender.

2.3 The supplier is encouraged, where appropriate and necessary, to use storytelling, humour, metaphors, and relevant illustrations or graphics in a persuasive and entertaining manner that conveys scientific information and facts. This approach should not be applied to formal or corporate outputs that require a professional or institutional tone.

2.4 The supplier will be required to facilitate and complete the translation of content from English to other official South African languages and vice versa.

2.5 The supplier will be required to produce, but not limited, to the following corporate communications resources:

- **Deliverable 1:** Develop corporate publications that communicate institutional impact and key achievements, such as the Annual Impact Report and media kits. The general sizes of publications will range between A4 and A5, the supplier will be required to produce 20 publications per year over the duration of the contract.
- **Deliverable 2:** Produce corporate digital and multimedia products that effectively communicate the organisation's mandate, programmes, and initiatives. These may include animations, video explainers, and campaign microsites. The standard length of multimedia productions will range from 30 seconds to 5 minutes; the supplier will be required to produce 20 corporate digital and multimedia products per year over the duration of the contract.
- **Deliverable 3:** Develop corporate branding resources, signage, certificates, and event collateral. The estimated quantity of this deliverable is currently unknown; however, for pricing purposes, the supplier will be required to update or produce 10 branding and collateral items per year over the duration of the contract.
- **Deliverable 4:** Provide translation and transcreation services for corporate communication materials. Ensuring consistency with the NRF Language Policy and the organisation's tone and style. The supplier

will be required to edit, translate, or transcreate 40 documents per year over the duration of the contract.

- **Deliverables 5:** Produce 10 electronic newsletters per year over the duration of the contract in accordance with the brief and terms of reference which will clearly state the objectives, content and target public audiences.
- Alternatively, the supplier may be provided with content of the newsletters by NRF-SAASTA as and shall be expected to use this content to compile, edit, develop, proof-read and produce the newsletter.
- The newsletter should be in a bulletin-type format and should be created in Hyper Text Mark-up Markup Language format, with clickable links to the stories saved in an archive on the NRF-SAASTA server. The full stories should be created on the server as 'pages' with relevant illustrations. The newsletter will act as a 'teaser', with a heading, key highlights of the longer article, and thumbnail images to entice readers to click through and therefore driving drive traffic to the NRF-NRF-SAASTA website.
- The newsletter (i.e. content, design) should induce interactivity (e.g. interactive polling, comments on the articles, and suggestions on future topics to be covered) with and amongst the recipients and readers and stimulate engagement in the form of collaborations, discussions and debates.
- The supplier should ensure that NRF-SAASTA grants the authorisation of each newsletter edition (i.e. content, layout) as per agreed timelines to ensure correction of any errors and that the newsletter is uploaded and distributed electronically.
- The first issue of the electronic newsletter/s should be distributed as per the agreed timelines after signing off on all necessary contractual agreements. The distribution of the newsletter should occur by the last day of the quarter.
- The supplier should ensure that NRF-SAASTA grants the authorisation of each newsletter edition (i.e. content, layout) with 10 days before the distribution of the electronic newsletters for the correction of any errors and for the newsletter to be uploaded and distributed electronically.
- The supplier will be provided with a database of recipients who should receive the newsletters. The supplier should ensure adherence to all applicable legislative and/or legal requirements in managing the database and distribution, especially pertaining to the privacy policy. The supplier may also be required to expand and/or modify the database (e.g., addition of recipients). At the end of the contract, the supplier will be required to provide NRF-SAASTA with an updated database. The newsletters should also have an option for the recipients to subscribe (or sign up) and unsubscribe.
- The supplier will be required to ensure that all newsletters are compatible with the range of devices browsers and that the contents and illustrations are clearly displayed professionally, and their appearance (e.g. resolution) is optimised for common devices and browsers.
- The supplier will be required to do 'spot checks' and monitor the distribution or non-distribution of the newsletters to determine if indeed the newsletters are reaching the intended recipients. Where there is no distribution or recipients do not receive the newsletters, the supplier will be required to find a solution that resolves the problem.
- The supplier will be required to use a set of analytics, monitor and report against these analytics to measure the newsletter performance. The minimum metrics in the analytics report should include but not limited to open rates, click-through rates, bounce rates. The supplier will be required to produce one analytics report per quarter. The structure, contents, and frequency of the performance report will be decided and agreed upon by both the supplier and NRF-SAASTA before the commencement of the contracts.

2.6 The supplier will be required to adhere to the (1) quality assurance processes for all the science information developed and disseminated by the NRF-SAASTA, including the scientific editorial process and (2) NRF-Branding Guidelines and (3) NRF-Style Guide.

SCC5C	Copyright and Intellectual Property
	The third party hereby gives the NRF-SAASTA permission, in terms of the Protection of Private Information Act 4 of 2013, to process, collect, receive, record, organise, collate, store, update, modify, retrieve, alter, consult, use, disseminate, distribute, merge, link, erase or destroy personal information received. By submitting a bid, the third party gives its voluntary explicit consent to the terms of this special condition.
GCC6	Patent rights
6.1	The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
GCC7	Performance security
7.1	Within thirty days (30) of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
7.2	The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
7.3	The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms: 7.3.1 bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or 7.3.2 cashier's or certified cheque.
7.4	The performance security will be discharged by the purchaser and returned to the supplier within thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.
SCC	An acceptable financial performance bond is required where an upfront deposit is paid by NRF-SAASTA over an amount of R 1 million (or such lesser amount as specified here) to the same value as any such upfront deposit.
GCC8	Inspections, tests and analyses

GENERAL AND SPECIAL CONDITIONS OF CONTRACT

8.1	All pre-bidding testing will be for the account of the bidder.
8.2	If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the purchaser or an organization acting on behalf of the purchaser.
8.3	If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period, it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
8.4	If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
8.5	Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the supplier shall defray the cost in connection with these inspections, tests, or analyses.
8.6	Supplies and services referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
8.7	Any contract supplies may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies are held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies, which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.
8.8	The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract because of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.
GCC9	Packing
9.1	The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt, and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
9.2	The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.
SCC	No special condition applicable, unless specified elsewhere in this document.
GCC10	Delivery and Documentation
10.1	Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
10.2	Documents submitted by the supplier specified in SCC.
SCC	No special condition applicable, unless specified elsewhere in this document.
GCC11	Insurance
11.1	The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.
SCC	The appointed bidder carries insurance of at least 3% of the contract value or R 2 million for public liability, product liability, and professional indemnity, whichever is greater.
GCC12	Transportation
12.1	Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.
SCC	No special condition applicable, unless specified elsewhere in this document.
GCC13	Incidental services
13.1	The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC: 13.1.1 Performance or supervision of on-site assembly and/or commissioning of the supplied goods; 13.1.2 Furnishing of tools required for assembly and/or maintenance of the supplied goods; 13.1.3 Furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods; 13.1.4 Performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and 13.1.5 Training of the purchaser's personnel, at the supplier's plant and/or on-site, conducted in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
13.2	Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

GENERAL AND SPECIAL CONDITIONS OF CONTRACT

SCC	In the event that this document makes provision for such service elsewhere in this document, it is only valid if confirmed through the issue of a written purchase order that specifies, where applicable, quality, quantity, description, unit price, and delivery date.
GCC14	Spare parts –N/A
14.1	As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier: 14.1.1 Such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and 14.1.2 In the event of termination of production of the spare parts: 14.1.2.1 Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and 14.1.2.1 Following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.
SCC	In the event that this document specifies provision of spare parts elsewhere, the term “may” in GCC14 is replaced by the term “shall”, the supplier provides at commencement of the contract a list of spares, whether in stock or ordered in from the OEM, their lead times for delivery to NRF-SAASTA and their unit prices and at each time, the list is amended, updated, or re-priced. The supplier undertakes to hold and/or make available an adequate supply of spares parts within reasonable periods upon receipt of purchase order issued by the purchaser in terms of the pricing mechanism in GCC17.
GCC15	Warranty – N/A
15.1	The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models and those they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser’s specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
15.2	This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
15.3	The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
15.4	Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
15.5	If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier’s risk and expense and without prejudice to any other rights, which the purchaser may have against the supplier under the contract.
SCC	No special condition applicable, unless specified elsewhere in this document.
GCC16	Payment
16.1	The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
16.2	The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.
16.3	Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
16.4	Payment will be made in Rand unless otherwise stipulated in SCC.
SCC	Payment is made 30 days after receipt of invoice or claim by the purchaser to NRF-SAASTA which period is automatically extended by any delay occasioned by the supplier such as failure to supply a copy of the delivery note, if applicable; and/or failure to provide proof of fulfilment of other obligations stipulated in the contract
GCC17	Prices
17.1	Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser’s request for bid validity extension, as the case may be.
SCC	No additional special conditions other than stated in the price section in this document.
GCC18	Contract amendment
18.1	No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.
GCC19	Assignment
19.1	The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser’s prior written consent.
GCC20	Subcontract

GENERAL AND SPECIAL CONDITIONS OF CONTRACT

20.1	The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract
GCC21	Delays in supplier's performance
21.1	Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
21.2	If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration, and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
21.3	No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
21.4	The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
21.5	Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
21.6	Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.
GCC22	Penalties
22.1	Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.
GCC23	Termination for default
23.1	The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part: 23.1.1 If the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2; 23.1.2 If the supplier fails to perform any other obligation(s) under the contract; or 23.1.3 If the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
23.2	In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
23.3	Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
23.4	If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.
23.5	Any restriction imposed on any person by the Accounting Authority will, at the discretion of the Accounting Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Authority actively associated.
23.6	If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information: 23.6.1 the name and address of the supplier and / or person restricted by the purchaser; 23.6.2 the date of commencement of the restriction 23.6.3 the period of restriction; and 23.6.4 the reasons for the restriction. These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.
23.7	If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act,

GENERAL AND SPECIAL CONDITIONS OF CONTRACT

	No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than ten (10) years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to Section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.
GCC24	Anti-dumping and countervailing duties and rights
24.1	When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him
GCC25	Force Majeure
25.1	Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
25.2	If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event
GCC26	Termination for insolvency
26.1	The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.
GCC27	Settlement of disputes
27.1	If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
27.2	If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
27.3	Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
27.4	Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
27.5	Notwithstanding any reference to mediation and/or court proceedings herein, 27.5.1 the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and 27.5.2 the purchaser shall pay the supplier any monies due the supplier.
GCC28	Limitation of liability
28.1	Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6; 28.1.1 the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and 28.1.2 the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.
GCC29	Governing language
29.1	The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.
GCC30	Applicable law
30.1	The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.
GCC31	Notices

PART B – PRICING

PRICING REQUIREMENTS FOR THIS BID

Actual Prices charged by the bidder for goods delivered and/or services performed for this bid shall not vary from the prices quoted by the bidder in the submitted bid with the exception of any price adjustments as outlined BY THE BIDDER in the response and such adjustments are in accordance with the rules stated below:

1.	Applicability of quoted prices: All quoted prices are applicable throughout the contract period unless price adjustments are specified.
2.	Price Quotation Basis: The cost per deliverable for each year are fully inclusive of all applicable taxes including VAT, less all unconditional discounts, plus all costs to deliver the services and/or goods to the specified delivery point stated in South African Rand currency. Where imported goods/services are to be used, and pricing is subject to changes in the exchange rate, the exchange rate must be stated in arriving at ZAR together with the ratio of the price for the imported component relative to the total price.
3.	Value Added Tax: Pricing will be adjusted for any variation in the Value Added Tax rate as gazetted.
4.	Contract Price Management during the contract: Written purchase orders will be issued based on the price quotation generated by the bidder as a response to the scope of work from NRF-SAASTA which outline the deliverable/s required. The scope of work to the bidder will include amongst others the delivery schedule, performance deadlines and quality assurance standards to measure the achievement of the purchase order deliverables. The written purchase orders will stipulate quantity, work description, delivery date, and the unit price and/or cost per deliverable in accordance with the contract. The quantities provided by the bidder in SBD 3.2 are only for price competition and actual quantities for invoicing will be stated in each of the written purchase orders issued under this contract.
5.	Delivery Points are: Didacta building, 211 Nana Sita Street, Pretoria,0002.

Each					
SUB-TOTALS (YEAR 1, 2 and 3)								
TOTAL BID PRICE INCLUSIVE OF VAT								

Total cost per deliverable s determined by multiplying the quantity by unit price and adding value added tax for all line items.

EXAMPLE: CALCULATING THE COST FOR THE A0 POSTERS FOR THE THREE-YEAR PERIOD

Estimated Quantity = 10 A0 posters [A]

Unit Price = R5500.00 [B]

Value Added Tax (VAT) = 15%

Cost Per Deliverable [Year 1] = Estimated Quantity [A] x Unit Price [B]
= 10 x R5500.00
= R55 000.00

Value Added Tax (VAT) = R55 000.00 x 0.15
= R8250.00

Hence, Cost Per Deliverable [Year 1] = R55 000.00 + R8250.00
= R63 250.00 [C]

Cost Per Deliverable [Year 2] = Estimated Quantity [A] x Unit Price [B]
= R55 000.00 +VAT
= R63 250.00 [D]

Cost Per Deliverable [Year 2] = Estimated Quantity [A] x Unit Price [B]
= R55 000.00 +VAT
= R63 250.00 [E]

Total Cost Per Deliverable [Year 1, 2 & 3] = C + D + E
= R63 250.00 + R63 250.00 + R63 250.00
= R189 750.00

PART C – BID PREPARATION AND SELECTION

THE BID PREPARATION

Clarification

If the respondent wishes to clarify aspects of this request or the acquisition process, they contact the officials listed under the enquiries section above...

Response preparation costs

The NRF-SAASTA is not liable for any costs incurred by a bidder in the process of responding to this invitation, including on-site presentations.

Counter proposals

No counter proposals are accepted.

Central Supplier Database registration

**SBD 6.1 - PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS 2022**

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 To be completed by the organ of state

1.2.1 The applicable preference point system for this tender is the **80/20** preference point system.

- a) The **80/20 preference point system** will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

**SBD 6.1 - PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS 2022**

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20 (Proof of B-BBEE level as per B-BBEE status level scoring table)
Total points for Price and SPECIFIC GOALS	100

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or

**SBD 6.1 - PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS 2022**

any other method envisaged in legislation;

- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1

3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10	
$P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right)$	or	$P_s = 90 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right)$	

Where

P_s = Points scored for price of tender under consideration

P_t = Price of tender under consideration

P_{min} = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING

PROCUREMENT REGULATIONS 2022**

PROCUREMENT

3.2

3.3

3.2.1. POINTS AWARDED FOR PRICE

3.4

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20

or

90/10

$$Ps = 80 \left(1 + \frac{Pt - Pmax}{Pmax} \right) \quad \text{or} \quad Ps = 90 \left(1 + \frac{Pt - Pmax}{Pmax} \right)$$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

(a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10

**SBD 6.1 - PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS 2022**

preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or

3.5

(b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system. Ans submit documentary proof to substantiate points claimed

ANNEXURE A – WORKFLOW OF THE SCIENTIFIC EDITORIAL PROCESS

ANNEXURE B: PROJECT PROPOSAL – WRITER’S BRIEF / TERMS OF REFERENCE

Project Title	To produce a range of science communication resources to support the implementation of the International Partnerships for Hydrogen in the Economy (IPHE) to be hosted by South Africa from the 20 to 24 April 2026 in Pretoria, Gauteng.
Project Duration	25 March 2026 – 29 April 2026
Project Background	<p>IPHE is an international inter-governmental partnership currently consisting of 26 members from countries and the European Commission. The IPHE’s objective is to facilitate and accelerate the transition to clean and efficient energy and mobility systems using hydrogen and fuel cell technologies across applications and sectors. The partnership provides a forum for sharing information on initiatives, policies and technology status, as well as on safety, regulations, codes, and standards to accelerate the cost-effective transition to the use of hydrogen and fuel cells in the economy. IPHE also informs broad stakeholder groups, including policy makers and the public, on the benefits of, and challenges to, establishing widespread commercial hydrogen and fuel cell technologies (HFCT) in the economy. Additional information on the partnership could be sourced from the IPHE website: https://www.iphe.net/.</p>
Project Proposal Requirements	<p>South Africa through the Department of Science, Technology and Innovation in collaboration with NRF-SAASTA will be hosting the 45th Steering Committee Meetings. The high-level meetings include Inter-Governmental Roundtable (Day1), R&D Education and Outreach (Day 2), Industry Forum (Day 3) and Steering Committee Business (Day 4). To support the engagements, the supplier is required to produce a proposal for developing editing, proof-reading, expert review and graphic design for the three science communication resources.</p> <ol style="list-style-type: none"> 1. Deliverable 1 <ul style="list-style-type: none"> • Infographic: A4 infographic showing relevant data e.g. hydrogen cars and trucks on the road from at least five members, projected impact on sector by 2060 i.e. revenues, jobs created and carbon dioxide emissions preventions. 2. Deliverable 2 <ul style="list-style-type: none"> • Social Media Campaign: A four-month campaign focusing on IPHE Meetings, key insights into the IPHE partnerships, scientific facts about hydrogen technologies. For the purposes of the exercise, the requirements include the design of the social media tiles, with the relevant partners logos. 3. Deliverable 3 <ul style="list-style-type: none"> • Digital Newsletters: Compile, edit, proof-read, layout and design, produce, distribute and monitor at least three e-newsletters (25 March 2026, 8 April 2026 and 29 April 2026). A minimum of five stories focusing on the upcoming IPHE Steering Committee Meetings, HFCT research and development in South Africa, policy, standards and regulations in the country etc. The digital newsletters should target policymakers, academics, industry and business. <p>The proposal structure and template should be determined by the supplier but should not exceed 10 pages. The proposal should follow a project-based approach (e.g. project schedule) that outline the expertise and capacity to meet the requirements and should adhere to the quality assurance processes including the scientific editorial process i.e. Annexure B.</p>
