DESCRIPTION: PROVISION OF ENT (EAR, NOSE & THROAT) SPECIALIST SERVICES

1. SERVICE

INTRODUCTION

PetroSA wishes to appoint an ENT (ear, nose & throat) specialist for an assessment of hearing loss cases and provide the specialist report to PetroSA. Hearing loss is described as an occupational disease by department of labour compensation fund; therefore, the employer must cover medical costs incurred for any reportable hearing loss case. Professional registration with Health Professional Council of South Africa as Ear Nose and Throat specialist is mandatory and must reside within the vicinity of Mossel Bay.

The Service Provider is to take responsibility for all activities as prescribed by Compensation of Occupational Health Injuries and Diseases Act (COIDA) No 130 of 1993, MHSA No 29 of 1996 and Hearing loss conservation in line with Occupational health and Safety Act No 85 of 1993 – Noise Induced Hearing Loss regulation.

The Petroleum Oil and Gas Corporation of South Africa (SOC) Ltd, herein after called PetroSA, operates a Gas to Liquid Refinery and related facilities in Mossel Bay, Voorbaai logistics and the FA Platform. Should a need arise at other PetroSA business units, the specialist will be required to subcontract the services for the business i.e. Bloemfontein, Tzaneen, Cape Town, Johannesburg.

2. SCOPE OF SERVICE

The scope of service shall be as follows:

- a) Conduct ENT specialist medical examination and issue report for all referrals.
- b) Issue specialist report within 7 days after examination and consultations.
